COURSE REQUIREMENTS

Minimal Technical Skills Needed

In this class, you will utilize the Learning Management System (LMS) entitled D2L for portions of instructional and learning methods, submitting assignments, participating in online discussions, and completing quizzes. You will also need to download the Zoom application to your personal computer or smart phone in order to access office hours and other virtual meetings. To complete assignments, you will need to utilize other technologies such as Microsoft Word, PowerPoint, etc. If you have issues with this system, it is your responsibility to contact the help desk immediately.

Instructional Methods

This course consists of lecture and didactic learning methods, small group discussions, and in-class assignments, coupled with experiential learning and practical application. When we are not meeting face-to-face, you will be expected to participate and complete all online tasks via D2L. In addition to this, small lecture, discussion, activities, and workshops may be utilized during this course.

The syllabus/schedule are subject to change.

Student Responsibilities and Tips for Success in the Course

As a student in this course, you are responsible for being active in your learning process. Expectations of this course include the following:

1. You are expected to display professionalism at all times. Be respectful of your professor and peers. Be open to feedback, as you will receive this throughout the program.
2. Prepare for classes. Complete any and all readings prior to class time.
3. Complete all assignments by the deadline.
4. Adhere to the university's Student Code of Conduct.
5. Participate. During face-to-face classes, you are expected to actively participate in all activities and discussion. In the online format, you are expected to participate in all online discussions/activities. This is crucial to your learning.
6. All writing assignments must be done according to APA 7th edition.
7. Regularly check your university email. My suggestion is to check this at least once a day as your instructors and others from the department and university may contact you.
8. Begin your readings ASAP. Sometimes it may take more than one attempt to digest the material.
9. Deadlines are the last possible moment something is due—not the first moment to start. Work ahead. I realize this may not always be possible; however, when you can, do so.
10. Be open to the process. This degree takes time, work, effort, and growth.

COURSE ASSIGNMENTS/ASSESSMENTS

1. **D2L Online Discussions (40% of final grade).** You will participate in a total of four discussion boards during the semester. You are expected to give a thorough and thoughtful response to each prompt.

In addition to the initial discussion, you will also respond to three of your classmates' discussion posts. The rubrics for the discussions are below. For the weeks with discussion posts, they will open on Monday and close the following Sunday night. **Your initial post is due by Thursday at midnight, and your peer responses are due by Sunday at midnight.** However, feel free to post earlier than Thursday. Please note that **late postings will not be accepted.**

- 2. Resume Preparation and Critique (10% of Final Grade).** Students will develop and present their own resumes for review. First, students will create a current resume and submit it to the “Resumes for Critiquing” assignment folder. You will then be assigned two (2) of your classmates’ resumes to critique. Critiques should be thorough and constructive. Please critique submitted resumes using the “Insert Comment” features of MS Word. Once completed, you will submit critiqued resumes to the “Critiqued Resumes” assignment folder. I will evaluate critiques for thoroughness and feasibility of recommendations. Remember: critiques, not resumes, are being evaluated. When you complete your critiques, please make sure that you set viewing capabilities for everyone.

Resume Preparation and Critique Rubric

	1 – Does Not Meet Expectation (0-7.9 points)	2 – Meets Expectation (8.0-8.9 points)	3 – Exceeds Expectations (9-10 points)
Resume Preparation and Critique (10 points)	Critique was not complete, not written in a clear manner OR not sufficiently specific. Responses and recommendations were not targeted or responsive to peer’s needs.	Critique was thoughtful with only one or two elements of the resume lacking feedback. Recommendations were thoughtful and useful, though lacked detail or specificity in some domains.	Critique was thorough, clear, and specific in terms of potential modifications that could be made to improve resume. The resume was reviewed thoroughly and clearly. Provided thoughtful, comprehensive feedback to peer.

- 3. Job Post and O*Net Review and Reflection (10% of final grade).** Students will find a current job posting for a position that they’re interested in post-graduation (e.g., licensed professional counselor, school counselor, marriage/family therapist, student affairs counseling). Carefully review the job requirements, general responsibilities, qualifications, etc. in the listing. Then, access the information for that specific position using the O*Net Online resource and look at the Summary Report which describes the tasks, technology skills, knowledge, skills, abilities, and work activities and responsibilities, credentials and education, etc.

Using APA 7th edition style and formatting: Write a reflection paper about the similarities/differences between the actual job posting and the information about that

position from O*Net, including anything that might have surprised you about the expectations listed in either place. Reflect on what you're learning in grad school that will help you fulfill these requirements, as well as what you may need to work on developing in yourself independently outside of your academic experiences to be a well-rounded candidate for this job.

Helpful hint: Mental Health Counselors (21-1014.00); Educational, Guidance, and Career Counselors and Advisors (21-1012.00); Substance Abuse and Behavioral Disorder Counselors (21-1011.00); Marriage and Family Therapists (21-1013.00)

4. **Career Assessment Reflection: You One, Do One (20% of final grade).** Using the resources on D2L, select and complete one of the career assessments or inventories provided for student use. Using APA 7th edition formatting and style guidelines, write a paper including the following content:
- Provide a brief introduction to the assessment tool chosen
 - Describe the assessment's purpose and perceived usefulness
 - Describe the format of results provided by the assessment

Then... **You One:** Complete the chosen assessment and talk about your experience with this process, using the following questions as a guideline for your exploration:

- 1) What types of questions were included in the assessment?
- 2) Did the questions seem to match the assessment's intended purpose (i.e., was there good face validity for the instrument)?
- 3) What thoughts and feelings came up for you as you were completing the assessment?
- 4) Talk about the process of scoring the instrument and interpreting the results. Did you run into any issues with scoring or interpretation?
- 5) What were the results of your self-assessment? How do you perceive your results? Do these make sense given the types of questions asked in the instrument itself?

And last... **Do One:** Now, find a volunteer willing to allow you to administer this same assessment to them. In your paper, explain:

- 6) What was the process of administering the assessment to someone else?
- 7) Did you run into any issues explaining or administering the assessment to your volunteer?
- 8) How did your volunteer experience the assessment?
- 9) What were their results, and how were they similar to or different from your results?

5. **Career Autobiography and Analysis (20% of final grade).** Students will write an APA 7th edition style paper describing their career development from elementary school through the present time. In order to accomplish this, please choose a theory from either

Ch. 2 or 3 of your textbook to frame your description of your career-related growth across the lifespan. Your paper should include:

- A brief summary of the career theory you'll be utilizing to explore and conceptualize your career development (e.g., Donald Super's Life-span and Life-space Theory of Career Development)
- An overview of your career development to date, beginning in elementary school and leading up to the present moment in graduate school
- A description of the changes that you've experienced in terms of your career development while in the TAMU-C Counseling Program
- Your current expectations and hopes for a career path.

This paper should be 5-7 pages long and include a title page and references.

GRADING SCALE

Final grades in this course will be based on the following scale:

A = 90%-100%

B = 80%-89%

C = 70%-79%

D = 60%-69%

F = 59% or Below

LATE ASSIGNMENTS

I will accept late assignments up to 3 days past their submission date for a reduction of 10% each day past due (i.e., 10% off for 1 day, 20% off for 2 days, and 30% off for 3 days). I cannot accept late Discussion Board posts, as once they are closed, the class "conversation" has ended for that week. Also: I do understand that life happens! If you will communicate with me as soon as possible, I will consider extensions for assignments when extenuating circumstances arise.

COMMUNICATION AND SUPPORT

Communication with your professors is key to your professional growth. I am here to support and guide you along your academic journey. With that being said, I cannot help you if you do not communicate with me. Please reach out if you have any concerns or questions. Because I teach in different locations, email is the best way to reach me. I strive to answer all emails within 24 hours, Monday-Friday. When emailing, please use your university email. Also, I will be more than happy to meet with you if needed. Please reach out to me so we can set up a convenient time to get together via Zoom.
