ORGANIZATION LEADERSHIP PROGRAM DESCRIPTION

The Bachelor of Applied Arts and Sciences in Organizational Leadership (ORGL) degree is a competency-based program that prepares innovative leaders for employment in an increasingly technological and global society. This program provides opportunities for students to receive credit for what they know and can do already, allows them to accelerate completion of their degree, and — because it is fully online — students are able to plan their study schedule around the rest of their day to complete the coursework.

COURSE DESCRIPTION

This course looks at the different roles that the human resource department plays in a company and the skills needed to accomplish the day-to-day activities of HR personnel. Emphasis is placed on the role of HR management in the strategic management process of a company. Processes used by HR departments to recruit talent, train, and conduct performance appraisals are covered. Workplace discrimination, labor laws, and global trends are also examined.

STUDENT LEARNING OUTCOMES

Completion of this course provides the student with the knowledge to:

- 1. Analyze the role of the HR manager/leader as a strategic partner to develop human resources in the organization.
- 2. Develop an effective personnel recruiting and selection plan for an organization.
- 3. Create strategies to support the training and career development of human capital.
- 4. Develop performance appraisal criteria for multiple positions and HR strategies for organizational success.
- 5. Determine which type of pay plan and benefits mix would be suitable to an organization's strategic initiatives and employee base.
- 6. Review key labor-related laws and legislations, and describe their influence on safety, health, and wellness.

REGULAR AND SUBSTANTIVE COURSE INTERACTION

As a general guide, students enrolled in a three semester hour course should spend one hour engaged in instructional activities and two to three hours on out-of-class work per week in a traditional semester. Students are expected to double this effort of engagement given that this course is being delivered in a seven-week term. Educational activities in this course are designed to ensure regular and substantive interaction between students and faculty to ensure that students are able to demonstrate competency.

COURSE REQUIREMENTS

Minimal Technical Skills Needed: Students will need reliable computer and internet access for this course. Students must be able to effectively use myLeo email, myLeo Online D2L, and Microsoft Office.

Instructional Methods: This course is an online course. To be successful in this course, all content and course modules should be read and reviewed. All assignments and quizzes (both graded and not graded) must be completed. Please contact the instructor by email for any assistance.

Email your instructor as soon as you complete your pre-test and/or post-test so the instructor can access and grade your work.

Student Responsibilities or Tips for Success in the Course: To be successful in this course, all content and course modules should be read and reviewed. All assignments and quizzes (both graded and not graded) should be completed. Please contact the instructor by email for any assistance.

ASSESSMENT

Students must achieve 80% or higher on both the post-test and quizzes to demonstrate competency and pass the course.

Course Pre-test

The purpose of the pre-test is to provide a baseline understanding of your knowledge in this competency. The pre-test is not calculated into the final grade for the course. Its purpose is to provide students with a baseline understanding of their knowledge in this course prior to taking the course.

Content	Description	Value	Notes
Pre-test	This is the initial assessment in the course to provide a baseline understanding of a student's knowledge of the course content and competencies. Pretests are taken once and should be completed upon the first couple of days of a CBE academic term or entry into a course if a student is an accelerator.	100 points	Required before completing any other work in the course. The grade on the pre-test does not count in the final grade for this course.

Quizzes

The quizzes are intended to emphasize key concepts, theories, processes, etc., introduced in the Learning Objective Module. Student must score at least 80% on each quiz. If students score less than 80% on the quizzes, they will have an opportunity to retake the quiz up to two additional times. The quizzes should be taken prior to the Post-Test. **If any of the quizzes are less than 80% within three attempts, students will receive a grade of "F" in the course and will be required to retake the course in the new term.**

After taking and passing all three quizzes, email the instructor so you can be provided the access passcode which will be needed in order to take the Post-Test.

Post-Test

Students will need a passcode in order to access the Post-Test. After passing all three quizzes, email the instructor so you can be provided the passcode needed to access take the Post-Test.

The Post-Test is an end-of-course comprehensive exam that assesses student's knowledge and understanding of major concepts, theories, processes, etc., in the course. **A score of at least 80% is required** to demonstrate competency.

Content	Description	Value	Notes
Post-Test	Measures your competency of learning outcomes through essay, short answer, and multiple-choice questions.	100 points	Required and you must score 80% or higher. You have up to three attempts. DUE: Last day of week 7, Friday by 11:59 p.m. CST

If you score less than 80% on the Post-Test, you will have an opportunity to review the material and retake the post-test two additional times. **If the Post-Test score is less than 80% within three attempts, students will receive a grade of “F” in the course and will be required to retake the course in the new term.** Students who fail the Post-Test should review feedback from the instructor before reattempting the Post-Test.

GRADING

A score of 80% or higher on the quizzes AND the Posttest are required to demonstrate competency and receive credit for the course. The following items will be used to calculate the final grade in the course.

Item	Worth
Posttest	100 points
Quizzes	100 points

Grading Scale

A = 90%-100%

B = 80%-89%

F = 79% or Below
