COURSE REQUIREMENTS

Technical Skills Needed

Check LeoMail frequently, at least twice a week.

Use AdobeReader to access required digital files.

Create papers and presentations in MS Office, or Open Office, or Pages.

Communicate regularly and robustly with colleagues and peers through Discussion Boards.

Instructional Methods

Class meets online in D2L. Assigned readings must be completed before unit activities. Lectures include powerpoint, videos of children and adults talking, hands-on materials, and handouts. Active participation in online discussion is expected from everyone. Class leadership is welcomed and encouraged; bring a song, a book or story, a game to play, or insights from the readings or field work with your case study participant. Upload work in D2L, such as materials for your gallery walk. Regular quizzes over the chapters

in the textbook help deepen your knowledge of the course content. Timely completion of online discussions is required.

Professional Behaviors: This is a wholly online course. Attendance online in D2L is expected; regular, consistent participation is important. We do important things every week of class – don't miss it. Excessive absences (missing 3 f2f class meetings or 10 days without logging into D2L) may prompt an administrative withdrawal.

- Read textbook assignments, supplemental reading assignments, lecture notes, and PowerPoint presentations.
- Check Leo eMail frequently, at least twice a week.
- Discussions: Participate in frequent online class discussions, whole class or small groups. Most are asynchronous – not live. Occasional synchronous (realtime, live) YouSeeU or ZOOM sessions require your participation when scheduled. Occasional opportunity, optional, to go onsite to schools and centers for guided observation.
- Quizzes: Read all assigned readings. Participate in frequent chapter quizzes as posted in D2L modules.

You will self-evaluate your professional behaviors TWICE, once at the beginning, and again at the end of the course. Your grade on this Course Requirement will come from your self-evaluation, up to 10 points, 10% of your final grade.

Student Responsibilities or Tips for Success in the Course

Successful students come to class prepared, on-time, and ready to engage and participate in active learning. Online work frequently requires extensive reading beyond the textbook. Plan to read about three to five hours every week. Time making materials will vary, but expect to spend around 10 hours total over the course of this semester.

GRADING

A holistic grading approach is sought. Rather than a scorecard with points, students must account for their mastery of the course objectives, and thus their grade in the course. This is done through the use of the Professional Behavior Survey. You will self-evaluate your professional behaviors TWICE, once at the beginning, and again at the end of the course.

Assessments

- 1. Professional Behaviors regular presence in f2f meetings and in D2L, participate in discussions, zoom sessions, complete quizzes and assignments in an orderly and timely manner (up to 10 points, 10% of your final grade).
- 2. Key Assignment #1 Use the Student Oral Language Observation Matrix S.O.L.O.M. to analyze a language sample of an Emergent Language Learner (up to 20 points, 20% of your final grade).
- 3. Key Assignment #2 Create a Thematic Unit Use Language Functions (up to 20 points, 20% of your final grade).

- 4. Key Assignment #3 Create Activities/Lesson Plans for Phonological Awareness (up to 20 points, 20% of your final grade).
- 5. Critical Assignment Phonological Awareness Assessment, Analysis, & Small Group Instruction/Intervention. Construct lesson activities for young children to explore academic language demands. Document teacher/adult support for students (up to 30 points, 30% of your final grade).
