COMMUNICATION AND SUPPORT

Interaction with Instructor Statement:

If at any time during this course you are in need of further explanation or should need to speak with me about the course or its outcomes, please reach out to me. I am always available by email. Please communicate, I can't help if I don't know there's an issue or a question.

Email Policy:

Before sending me an email with a general course-specific question, **review your syllabus/look at the handouts/check myLeo Online/ask a classmate first**. If your question has already been addressed in one of those places, then you will have the answer you need. If your question does not exist, please feel free to email me.

The syllabus/schedule are subject to change.

When emailing me: Please make your emails clear and concise, written with proper grammar in order to assure my earliest attention. In addition, please follow some common “email etiquette” procedures in order to keep our electronic communication effective and efficient. Specifically:

- Write a relevant subject line (e.g., “Intro question,” or “THE 1310 meeting request”)
- Address me by name (ie: "Dear Professor Williams" or "Hi Andrea" or just "Andrea")
- Bonus: "meaningless niceties" are never a bad idea!
- Concisely state what it is you need. If it can't be communicated in a concise manner, perhaps request an appointment. **If requesting an appointment**, give me times that you are available **in the initial email!!!** It helps things go faster if I have your availability to compare to mine.
- Use a "sign-off" ("Thank you" is always good) and **sign your name**.

Not following these guidelines potentially puts you at the bottom of my list for response time.
