**Mandatory Meeting for Accounting Majors!!!**

*When:* Thursday, 10/27/22

*Time:* 12:15PM *Location:*

TBD

\*All accounting majors enrolled in face-to-face classes are required to attend this meeting face-to-face.

**Course Description:**

This course is the study of the role of management accounting and control in business firms, with an emphasis on organizational activities that create value for customers and financial information for key executives' decision making. Topics include financial cash flows, activity-based costing, cost behavior, cost allocation, pricing and product mix decisions, capital budgeting, compensation, benchmarking, continuous improvement, and other organizational issues. The prerequisite for this course is a C or better final course grade in ACCT 2301.

**Course Materials:**

**Required Text**

**Horngrén's Financial & Managerial Accounting- The Managerial Chapters Plus MyAccountingLab with Pearson eText -- Access Card Package, 7/E \*\*D2L Inclusive Access\*\***

Authors: Miller-Nobles, Mattison, Matsumura

ISBN: 9780136503613 (make sure it is the 7<sup>th</sup> ed.), 9780136503743 paperback

You can order print copies through MyAccountingLab (MAL) registration or rent a used textbook.

**What does Inclusive Access mean?** MyLeo/ D2L opens the first day of classes. You should receive an email about Inclusive Access for this course. When you register to take this class you are automatically charged for access and the e-text (unless you opt out- not recommended). You do not have to then purchase the e-textbook or access because they are included in your tuition and fees. You will login to MyAccountingLab (MAL) from the Content area of D2L. Upon login/registration to MAL, you will be given the option of ordering a "print copy" of the textbook. A used textbook is fine. The print version is highly recommended for this course. All coursework will be completed in MAL.

**Special note:** We will cover the 14th chapter from the Financial Chapters section of the textbook used for Principles I (The Statement of Cash Flows. The e-text you will receive with does not contain this chapter. If you did not retain your chapter, you can purchase the entire Financial Chapters on the publisher's site [Shop Pearson+](#).

**Recommended tools:**

Calculator- Any type is acceptable, scientific calculators will be cleared before use on exams. Cell phone cannot be used on exams.

## **College of Business Student Learning Outcomes:**

1. Students will demonstrate proficiency in spoken communications by delivering clear and well-structured business presentations.
2. Students will demonstrate proficiency in written communications by creating clear and well-structured business documents.
3. Students will identify and evaluate ethical business issues.
4. Students will identify and evaluate global business challenges.
5. Students will be analytical problem solvers in business environments.

## **Course Student Learning Outcomes:**

Your achievement level for each objective will be measured by your success in completing the homework, quizzes, and examinations. The successful student, upon completion of this course, will be expected to have achieved the following as a result of this course

1. Demonstrate an understanding of the types of costs used by management to make decisions.
2. Understand the difference between job order and process costing systems.
3. Prepare and interpret budgets, cost-volume-profit analysis, and other managerial reports.
4. Demonstrate an understanding of the information needed for capital budgeting and other business decisions.

## **Student Responsibilities:**

1. **Read** assigned material on schedule (prior to covering the chapter in class).
2. Complete all assignments on time in MyAccountingLab. Emails containing photo images of your completed homework will not be graded. In fairness to persons submitting assignments in a timely manner, assignments submitted late will not receive full credit.
3. Prepare for homework, examinations, and quizzes.
4. Cell phones must be on silent during the class and can only be used to access course materials. No cell phones can be seen or heard during exams.
5. No ear buds can be worn during class.
6. Be considerate of other students during the class time. Students disrupting the class will be asked to leave.
7. Watch LO videos in MAL and utilize other resources in the Multimedia Library (MAL) to learn the material.
8. You are more than welcome to work together on homework, but your answers must be your own. Answers that appear to be plagiarized will not be considered.
9. Include the course section in all email correspondence, preferably in the subject. Poorly written emails (no salutation, incomplete sentences, etc...) will not receive a response.

## **Assignments and Exams:**

This class will be conducted face to face, please be prepared to discuss and ask questions about the material assigned for each class period. Quizzes and exams will be given during class time. This class will also use MyAccountingLab. Reading the material is required because of the complexity of the material in this course. Group study is allowed and encouraged, however please do not submit other's answers on your homework. Your work must be your own. Scholastic dishonesty and disruptive class behavior will not be tolerated.

Please note the comprehensive final exam will include material on the accounting cycle, concepts covered in Principles I.

There will be no extra credit offered on an individual basis to bring up your grade at any point during the semester. Offering extra credit on an individual basis creates an inequitable learning environment. Homework must be submitted by 11:59pm, **12/10/2022 for any credit (penalties may apply to late work).**

**There are NO makeup exams. All exams must be taken on the scheduled days. Special arrangements can be made **ahead of time** for extenuating circumstances. All students, including athletes, who will miss an exam must notify the instructor **PRIOR** to the exam being given to reschedule your exam.**

**Course Evaluation:**

Your final grade will be computed using the following items:

Activities	Points	Percentage
Homework	125	25%
Quizzes	100	20%
Unit Exams	150	30%
Comprehensive-Final Exam	125	25%
Total**	500 points	100%

\*\*Occasional in-class extra credit may be offered at the instructor’s discretion\*\*
