******Your professor reserves the right to make changes to the syllabus at any point during the semester and will inform students of alterations.******

Assessments Note: Personal computer and internet connection problems do not excuse the requirement to complete all course work in a timely and satisfactory manner. Each student needs to have a backup method to deal with these inevitable problems. These methods might include the availability of a backup PC at home or work, the temporary use of a computer at a friend's home, the local library, office service companies, Starbucks, a TAMUC campus open computer lab, etc.

Participation: With this being an online course, you will need to login to D2L and access this course regularly throughout the week/each module. Not logging in and keeping up with due dates and weekly readings and assignments will have a detrimental effect on your grade.

Exams: There will be four exams given during the semester in addition to a final exam to be administered during finals week. They comprise a significant portion of your grade, so it would be beneficial to be prepared for your exams. **Since there is a multi-day window for exams, makeup exams will not be given.** If you have an athletic or academic reason as to why you are not able to take the exam during the window it is open, you must email me IMMEDIATELY so that other arrangements can be made. This means emailing me **BEFORE/DURING** the exam window, not after the window has closed..

Quizzes: Quizzes will be given weekly and can be over the subject matter or **current topics/events**. Questions for the quizzes will come from the week's lectures, assigned readings and any breaking news (political, sports, or pop culture related). Quizzes will be given every week during the semester. **Quizzes cannot be made up if they are missed.**

Topic Papers: Topic papers will be assigned during the first three modules of the class. There will be 3 topic papers assigned in total and they will each be worth 100 points. You will have four weeks to complete each of them. Each topic paper will pertain to the topics we are covering in that four week time span. Topic papers should be 1-4 pages double spaced in Times New Roman with 12 pt. font (not including the cover page or reference page(s)). APA formatting will be used unless otherwise noted and your paper will need to have a minimum of four academic or scholarly cited sources. Formatting will be a part of the grade so please make sure you are adhering to them so you do not lose points. Topic papers will be due in D2L on Sundays by 11:59 pm the week they are due.

Extra Credit: Extra credit will be given at the instructor's discretion. I will NOT create extra credit for any student at any time because they "need to get" a certain grade or because they have chosen not to do the original assignments assigned. I do not "give" grades rather you EARN your grade. I cannot stress this enough: keep up with your assignments and your grade in the gradebook throughout the whole semester and not just at the end.

Submitting Assignments & Late Assignments: Late work will not be accepted. Each assignment is given with enough time to complete it. You are responsible for attaching the correct assignment to the correct folder in D2L Brightspace. Once you submit your assignment you should always click on the document to guarantee that it has been submitted correctly, or no document is counted as failure to complete the assignment on time. Poor internet connection, dead laptop batteries, etc. are not valid reasons for an assignment not being completed. If some reason you are having difficulty uploading your assignment please email me a PDF version before the deadline and explain the situation, but please only use this as a last option.
