## **COURSE REQUIREMENTS**

### **Minimal Technical Skills Needed**

To be successful in this course, you will need to know how to access and navigate (a) Desire2Learn, (b) Microsoft Word, and (c) Microsoft Excel. course.

### **Instructional Methods**

This class meets Tuesdays at 4:30-7:10pm, BA106

### **Student Responsibilities or Tips for Success in the Course**

To be successful in the course, attend class regularly and plan ahead for major projects.

## **GRADING**

Total points corresponding to the final letter grades

A = 451- 500 Points

B = 401- 450 Points

C = 351- 400 Points

D = 301- 350 Points

F = 300 & > Points

*The syllabus/schedule are subject to change.*

In class activities & participation	150
UDL Concept Map	75
Evidence-Based Practices Presentation	75
Crosswalk Project	75
Final Project	125
<b>Total</b>	<b>500</b>

Class activities & participation (150 points):

You will participate in a variety of in-class activities and discussion each week during class

UDL Concept Map (75 points):

You will choose a concept you might teach one day, and create a concept map using UDL principles of engagement, representation, action/expression. You will choose one guideline and checkpoint for each principle related to your teaching concept, along with an idea for each.

EBP Presentation (75 points):

You will present on two evidence-based practices of your choice by creating and recording a presentation that describes the evidence-based practices in detail. Additionally, you should talk about specific teaching/learning activities that support these evidence-based practices, how the evidence-based practices could be used (whole group, small group, 1:1), and any other information you'd like to share.

Crosswalk Project (75 points):

You will develop a table that integrates TEKS, HLPs, teaching activities, and relevant evidence-based practices for the content area of relevant to your specific discipline. A template will be provided in D2L for you to use as you complete this assignment, that also contains an example of what your completed crosswalk section should look like and include.

Final Project (125 points):

You will develop a week-long unit relative your specific discipline of choice. This unit will include a snapshot of daily activities that surround a specific teaching goal. You will plan this week-long unit using the principles of UDL, differentiated teaching/learning strategies, and ideas for re-teaching. Additionally, you will locate specific TEKS and high leverage practices relevant to your weeklong unit. A template for your weeklong unit will be provided in D2L as well as websites that you can use to seek out ideas to incorporate teaching activities/strategies, high leverage practices, etc.
