Assessments

DUE DATES:

All Assignments are due in D2L by the due date. I will not be able to accept late work.

As social work students, you will have many deadlines in practice that you will be expected to meet. Many times not meeting deadlines can result in having an adverse effect on your clients' lives. It can also result in termination in employment. The School of Social Work feel it is good to help you get into the habit of meeting those expectations now vs. later. Our goal for each of you is to be successful not only in this course, but also in the practice setting.

Thank you for understanding and your willingness to take the first step toward your own success.

There will be NO MAKE-UP exams offered. You will need to take the exam by the due date in D2L.

ASSIGNMENT 1:

Quizzes – There are three quizzes throughout the course; each one is worth 20 points (20 questions worth 1 point each). **Quizzes will only open with the**

course opening, and will close at 11:30 p.m. on the day they are due.

There are no allowances for opening a quiz after it has closed (in order to be completed late).

Each quiz is on specific chapters and there are no overlaps. All quizzes are open book; and you are given extended time (6 hours to take a 20 question quiz) in hopes that students benefit from another learning style.

ASSIGNMENT 2: (Appendix A)

Paper – You will have **ONE written assignments** throughout the course on an assigned topic. The paper is worth **35 points**. The paper should be 3-4 pages double-spaced, APA guidelines such as a cover paper, reference page, in text citations. **YOU WILL ONLY CITE THE TEXTBOOK**. These papers are submitted via the corresponding file in your D2L for the week they are due. **Late papers are not accepted. Do not submit them as an email. They must be a document with your last name as part of the file name and they must be a Word document.** I have helped with what my expectations are with each paper in the instructions, provided examples, and as well as provided the rubric. **Please copy and paste the rubric to the end of your paper so I may use that when grading your paper.**

ASSIGNMENT 3:

Topic Check-in – There are 3 Topic Check-ins throughout this course and they are worth 20 points each. They require that you log in for that week and watch the assigned video. For credit (20 points), you must upload your topic check in to the corresponding folder in D2L. The topic check-in requires you write **a total of TWO paragraphs**.

- **Paragraph one** is a summary of what the video was about, and
- **Paragraph two** is a summary of your thoughts on what you saw. **Late work will not count and will result in a zero for**

that Topic Check- in. **Topic Check In assignments are to be placed in the corresponding assignment folder of the D2L course.** Remember to make sure you have titled them: Topic Check- In #1, #2, etc. and that you complete the assignment prior to the Sunday 11:30 pm deadline.

School of Social Work and Council on Social Work Education Specific Policies

Course Engagement

Final Evaluation and Grade Depends on both Classroom attendance and Participation
Inadequate participation or lack of required time commitment in each class significantly affects students' grades. No matter the course venue, students must engage in a comparable amount of time. Expectations of both Face-to-Face classes and those with Online components include time spent reading and studying course material.

To earn a level of competency within a specific course, students must demonstrate both mastery of content and active engagement.

Mastery of content areas is evidenced by successful completion of course assignments such as written papers, group project deliverables, tests/quizzes and other tangible products designed by instructors to evaluate knowledge and skills.

Additionally, the Social Work Profession is built upon human interactions and building human relationships – which is defined as engagement. Engagement is defined as meaningful involvement in interactions with instructor, peers, outside stakeholders as appropriate (such as contacting a social worker to interview for a required assignment). Within the classroom setting, whether virtual or F2F, students must actively participate in 80% of engagement activities as outlined by individual instructors. These activities may include, but are not limited to participation in live, synchronous virtual classes, attending a Face-to-Face course when appropriate, interacting with peers in posted discussions and collaborating in group interactive projects.

Students must meet standards for content mastery on tangible assignments and meet the threshold of active engagement of the time set during a semester by the instructor.

Instructors are experts in each course content area and set the standards for students to meet for successful completion of the course.

Student Conduct

Students preparing to become professional social workers must adhere to the *University Code of Conduct, Department Code of Conduct and National Association of Social Workers' (NASW) Code of Ethics*.

Department Code of Conduct

"Faculty have the authority to request students who exhibit inappropriate behavior to leave the class/lab/internship practicum or to block access to online courses and may refer offenses to the [Academic and Professional Issues Committee (API)] or to the Department Head. More serious offences by be referred to the University Police Department and/or the Judicial Affairs Office for disciplinary action" (Student Guidebook p 35)

Social Work students conduct themselves in an ethical and professional manner.

Closely linked with professional recognition is the social worker's compliance with the profession's ethical standards. It is imperative for professional social workers to be

competent and ethical in practice if the profession is to maintain the public trust. It is essential that each social work student gain a thorough understanding of the ethical principles that guide practice and actively demonstrate in behavior, both in and out of the classroom. Student conduct is to reflect the tenets of *NASW Code of Ethics* (located at <https://www.socialworkers.org/pubs/code/code.asp>) on the NASW website: <https://www.socialworkers.org>

University Code of Conduct *located in the Student Guidebook at* <http://www.tamuc.edu/campuslife/documents/studentGuidebook.pdf> (pp 34- 66). On the University Website under Campus Life Documents

To become aware of university policies related to student academic and behavioral expectations for students refer to the Guidebook
