The syllabus/schedule are subject to change.

Course Description

Examines the development, implementation, and enforcement of policies by institutions of higher education, state higher education agencies, governing boards, and the government. Emphasis is placed on the impacts of policies on institutions and students.

Student Learning Outcomes

1. Understand basic concepts of policy making and analysis.
2. Understand how to use basic concepts in analyzing given policy positions.
3. Understand how to use the APA style guidelines.
4. Develop autonomy in learning.
5. Develop group work skills.

COURSE REQUIREMENTS

Minimal Technical Skills Needed

Proficiency using the D2L learning management system, Microsoft Word, and TAMUC email.

Instructional Methods

This is an entirely online course.

Student Responsibilities or Tips for Success in the Course

Students should access the course minimally every 2–3 days in order to check announcements and read the postings of colleagues. Students should check their TAMUC email daily to ensure timely receipt of messages from the instructor and University.

GRADING

Final grades in this course will be based on the following scale:

- A = 90%–100%
- B = 80%–89%
- C = 70%–79%
- D = 60%–69%
- F = 59% or Below

Weights of the assessments in the calculation of the final letter grade.

Personal Policy Paper	20%
Forum Posting	15%
Forum Reply	5%

The syllabus/schedule are subject to change.

Group Policy Report	45%
<u>Evaluation by Group Members</u>	<u>15%</u>
TOTAL	100%

Assessments

1. Students should work approximately 15 hours per week in completing course assignments.
2. The course calendar (which includes due dates for assignments) is at the end of this syllabus.
3. In the Period 1 content section for the course in D2L, an overview of the assigned Personal Policy Paper and its associated tasks will be posted in the document titled *Personal Policy Paper*. Students should follow the tasks as outlined in the document. **The paper must be emailed to the instructor by the due date/time.** The grading rubric for this paper will be 60% content and 40% APA usage (includes grammar).
4. For the graded forum, post a discussion of approximately 300 words (do not exceed this by much; be focused in your writing) that addresses the following: What are the mechanisms that influence higher education policy making at the institutional level, and what are the policy instruments that institutions use for policy making? Highlight specific content from your readings—assigned in this course and found on your own—to support your discussion. The grading rubric for this posting will be 60% content and 40% writing (includes grammar and APA usage). Note that “APA usage” refers to proper in-text citations as well as the format for end-of-posting citations; no other APA requirements are necessary.

You must also respond to at least one of your colleagues’ postings. Please provide a *substantive* comment (i.e., “good point” type responses do not count) to receive full credit; as in your posted discussion, I encourage you to incorporate citations from your readings. Note that I will not evaluate your grammar or APA usage in grading your replies; however, you are strongly encouraged to use proper grammar and APA usage reflective of a graduate student. Please also be respectful of everyone’s time and do not post a reply of more than 100 words.

5. Before or near the beginning of Period 5, the instructor will email as well as post to D2L the names of students assigned to each group. In the Period 5 content section, an overview of the assigned Group Policy Report and its associated tasks will be posted in the document titled *Group Policy Report*. Each group will have a discussion board forum to conduct its work; discussions should be in this forum (i.e., avoid synchronous methods as these are difficult to schedule) so that the instructor can monitor activity, and email between members should be used for document

The syllabus/schedule are subject to change.

exchanges. Students should discuss which of the presented scenarios they want to pursue as a group and **email to the instructor (one email per group) the decided upon scenario by the due date/time.**

6. Students should follow the tasks as outlined in the *Group Policy Report* file. **The PPT report must be emailed to the instructor by the due date/time.** The grading rubric for this PPT will be 60% content and 40% writing (includes grammar and APA usage). Note that “APA usage” refers to proper in-text citations as well as the format for the References slide; no other APA requirements are necessary.
7. Each individual will evaluate his or her group members (use a scale from 0 to 100) with respect to their individual contribution to the discussion, analyses, and preparation of the PPT. These evaluations will be averaged in determining the 15-point evaluation grade. I will not provide a rubric as I do not know the agreed upon tasks for each group member. **The evaluation must be emailed to the instructor by the due date/time. A student who does not submit the evaluation will receive a zero that will be averaged with his or her group members’ evaluation of his or her contribution to the PPT.**

If I have a clear indication from the group member evaluations that a group member did not contribute in any significant way to the group's project, I will not give the non/poor performing group member the same grade as the other members for the group project as this would not be fair. Any group member who receives an aggregate evaluation of 69% or less (i.e., a D or worse) from his or her colleagues will receive a group project grade that is weighted (i.e., multiplied by) by the aggregate evaluation; for example, if the group project grade is 38 points and a group member's aggregate evaluation is 50%, this group member will receive 19 points.

8. Alignment of student learning outcomes with assessments:

Assignments	Student Learning Outcomes				
	SLO1	SLO2	SLO3	SLO4	SLO5
Readings	X	X		X	
Personal Policy Paper	X		X	X	
Forum Posting and Reply	X	X	X	X	
Group Policy Report	X	X	X	X	X

ACCESS AND NAVIGATION

You will need your campus-wide ID (CWID) and password to log into the course. If you do not know your CWID or have forgotten your password, contact the Center for IT Excellence (CITE) at 903.468.6000 or helpdesk@tamuc.edu.

Note: Personal computer and internet connection problems do not excuse the requirement to complete all course work in a timely and satisfactory manner. Each student needs to have a backup method to deal with these inevitable problems. These methods might include the availability of a backup PC at home or work, the temporary use of a computer at a friend's home, the local library, office service companies, Starbucks, a TAMUC campus open computer lab, etc.

COMMUNICATION AND SUPPORT

If you have any questions or are having difficulties with the course material, please contact your Instructor.

Technical Support

If you are having technical difficulty with any part of Brightspace, please contact Brightspace Technical Support at 1-877-325-7778. Other support options can be found here:

The syllabus/schedule are subject to change.

Interaction with Instructor Statement

The preferred method of communication is email; thus, use email to message as well as schedule e-conferencing.

The assessment feedback time is within one week of the assignment due date. Any delays in this time (e.g., due to travel) will be communicated.

COURSE AND UNIVERSITY PROCEDURES/POLICIES

Course Specific Procedures/Policies

Submitted assignments should not have been submitted for any previous courses.

Students are expected to submit all assignments no later than their due dates/times. Any assignment submitted past the due date/time (i.e., by the end of the day, TAMUC time, of the respective due date) will receive a zero without exception unless an extension is approved by the instructor *in advance of the due date/time* (note: a request for an extension in advance of the due date/time does not mean an extension is approved; *explicit approval before the due date/time is required to avoid a zero*). Exigencies will be handled on a case-by-case basis.

Syllabus Change Policy

The syllabus is a guide. Circumstances and events, such as student progress, may make it necessary for the instructor to modify the syllabus during the semester. Any changes made to the syllabus will be announced in advance.

University Specific Procedures

Student Conduct

All students enrolled at the University shall follow the tenets of common decency and acceptable behavior conducive to a positive learning environment. The Code of Student Conduct is described in detail in the [Student Guidebook](http://www.tamuc.edu/Admissions/oneStopShop/undergraduateAdmissions/studentGuidebook.aspx).
<http://www.tamuc.edu/Admissions/oneStopShop/undergraduateAdmissions/studentGuidebook.aspx>
