Course Description

This course examines word examination of word identification within the context of language. The focus of this course is an examination of how to implement TEKS when facilitating children's development of the phonological system through writing. Specific attention is given to strategies that are useful to readers in the areas of word knowledge and word analysis. Prerequisites: ELED 300, RDG 350; minimum overall GPA of 2.75.

Student Learning Outcomes

Upon completion of this course, the students should be able to:

1. Demonstrate knowledge of basic linguistic terminology and concepts used in reading and writing instruction. *(STR Standards)*
2. Demonstrate knowledge and use of EC-6 English Language Arts TEKS and Texas Prekindergarten Guidelines for vertical alignment and lesson planning. *(TEKS, PK Guidelines, STR Standards)*
3. Demonstrate understanding that decoding and encoding skills are reciprocal and develop synchronously as part of a recursive model of literacy instruction that involves the interconnected skills of listening, speaking, reading, writing, and thinking. *(PK Guidelines, STR Standards)*
4. Prepare effective, research-based teaching activities that support the study of word identification skills within the framework of developmental reading and spelling stages. *(TEKS, PK Guidelines, STR Standards)*
5. Identify characteristics of students at various stages of spelling and reading development and explain effective, research-based teaching strategies and activities for fostering a child's progress through these stages. *(PK Guidelines, STR Standards)*
6. Demonstrate an understanding of how student and class assessment data can be analyzed and used to make differentiated instructional decisions. *(PK Guidelines, STR Standards)*
7. Demonstrate an understanding of how language assets emergent bilingual and multilingual students bring to the classroom facilitate word knowledge development in English. *(STR Standards)*

The syllabus/schedule are subject to change.

8. Demonstrate familiarity with evidence-based instructional strategies and best practices that general education teachers in can use to help support the literacy development of students with dyslexia. (*STR Standards*)

ENGLISH LANGUAGE ARTS AND READING GENERALIST EC–6 STANDARDS

Standard II. Phonological and Phonemic Awareness: Teachers of young students understand the components of phonological and phonemic awareness and utilize a variety of approaches to help young students develop this awareness and its relationship to written language.

Standard III. Alphabetic Principle: Teachers of young students understand the importance of the alphabetic principle to reading English, know the elements of the alphabetic principle, and provide instruction that helps students understand that printed words consist of graphic representations that relate to the sounds of spoken language in conventional and intentional ways.

Standard V. Word Analysis and Decoding: Teachers understand the importance of word analysis and decoding to reading and provide many opportunities for students to improve word analysis and decoding abilities.

Standard IX. Writing Conventions: Teachers understand conventions of writing in English and provide instruction that helps students develop proficiency in applying writing conventions.

RDG 360 course content is aligned with the Texas Essential Knowledge and Skills for Language Arts and Reading for grades EC–6. The specific TEKS headings are:

READING/ Beginning Reading Skills/ Print Awareness/ Phonological Awareness/ Phonics/ Vocabulary Development

ORAL AND WRITTEN CONVENTIONS/ Conventions/ Handwriting, Capitalization, and Punctuation/ Spelling

The critical components of THE STANDARDS that can be measured with an examination are known as the TExES COMPETENCIES. While Competencies 001 Oral Language, 004 Literacy Development and Practice, 008 Writing Conventions, and 012 Assessment of Developing Literacy will be studied during this course the competencies that are aligned specifically and primarily with this course and the related Texas Essential Knowledge and Skills are:

Competency 002: (Phonological and Phonemic Awareness). The teacher understands phonological and phonemic awareness and employs a variety of approaches to help students develop phonological and phonemic awareness.

The syllabus/schedule are subject to change.

Competency 003: (Alphabetic Principle). The teacher understands the importance of the alphabetic principle for reading English and provides instruction that helps students understand the relationship between spoken language and printed words.

Competency 005: (Word analysis and identification skills). The teacher understands the importance of word identification skills (including decoding, blending, structural analysis, sight word vocabulary, and contextual analysis) and provides many opportunities for students to practice and improve word identification skills.

Reading/Vocabulary Development

English Language Arts and Reading Essential Knowledge and Skills

Related to Competency 007 (Reading Comprehension And Applications)

The beginning teacher: B. Knows how to provide instruction to help students increase their reading vocabulary. C. Understands factors affecting students' reading comprehension (e.g., oral language development, word analysis skills, prior knowledge, language background, previous reading experiences, fluency, vocabulary development, ability to monitor understanding, characteristics of specific texts).

Pedagogy and Professional Responsibilities Standards:

Standard I. Domain I.

The teacher designs instruction appropriate for all students that reflects an understanding of relevant content and is based on continuous and appropriate assessment.

1.7k the importance of the state content and performance standards as outlined in the Texas Essential Knowledge and Skills (TEKS);

1.8k relevant content of the discipline being taught, including concepts, principle relationships, methods of inquiry, and key issues;

1.10k how lesson content and skills connect with other disciplines and within the discipline;

1.11k current research on best pedagogical practices.

1.12k the importance of developing instructional goals and objectives that are clear, relevant, meaningful, and age-appropriate;

1.13k the importance of developing instructional goals and objectives that can be assessed

1.14k the importance of developing instructional goals and objectives that are suitable for students with varied learning needs; and

1.15k the importance of aligning instructional goals with campus and district goals.

1.16k the use of appropriate materials and resources for preparing instruction, presenting lessons, and assessing learning;

1.21k the importance of planning lessons and structuring units so that activities progress in a logical sequence;

1.24k the importance of engaging in continuous monitoring and self-assessment of instructional effectiveness.

1.25k the role of assessment in guiding instructional planning;

1.26k the importance of creating assessments that are congruent with instructional goals and objectives;

1.30k the connection between the Texas statewide assessment program, the TEKS, and instruction; and

1.31k how to analyze data from local, state, and other assessments using common statistical measures.

The syllabus/schedule are subject to change.

- 1.4s plan instruction that motivates students to want to learn and achieve; and
- 1.5s acknowledge and respect cultural and socioeconomic differences among students when planning instruction.
- 1.7s exhibit appropriate knowledge of a subject to promote student learning;
- 1.8s demonstrate awareness of common student misconceptions or likely sources of student error in relation to particular content;
- 1.9s plan instruction that reflects an understanding of important prerequisites relationships;
- 1.11s use a variety of pedagogical techniques to convey information and teach skills.
- 1.16s use various types of materials and other resources to aid in preparing and implementing instruction;
- 1.17s use technological tools to promote learning and expand instructional options; and
- 1.18s use resources available outside the school (e.g., museums, businesses, community members) to enhance students' learning opportunities
- 1.20s select instructional resources that support instructional goals, enhance student achievement, and engage students in learning;
- 1.21s use varied activities and instructional groupings to engage students in instructional content and meet instructional goals and objectives;
- 1.22s allocate time appropriately within lessons and units, including providing adequate opportunities for students to engage in reflection and closure; and
- 1.23s provide students with opportunities to explore content from many perspectives.

COURSE REQUIREMENTS

Minimal Technical Skills Needed

Knowledge and familiarity with Microsoft Word and D2L Brightspace.

Instructional Methods

The course includes: modeling instruction, videos, word sorting activities for guided practice and implementation of course content, and, as appropriate, lecture type instruction. The online component also consists of guided modules that are designed to build background knowledge in order to facilitate comprehension of the text content. Students' questions and reflections upon their study are encouraged. Students are expected to read the course resources carefully and study the required resources.

Student Responsibilities or Tips for Success in the Course

Congratulations for your progress in your education! This is an exciting opportunity. You are preparing for an important profession and certain expectations for your continued success are listed here.

1. **Read the required resources** and any other assigned material and complete assigned modules in D2L Brightspace. You are expected to complete all modules and assignments in this course. (STR Standard 19 TAC §235.101(c) Reading Pedagogy (b)2, 3, 4, 5, 6; Tech Standards 2.2s-2.10s, 5.3k, 5.3s)

The syllabus/schedule are subject to change.

It is your responsibility as an adult to make contact with your instructor if at any time you need support or assistance with accessing course content.

2. Sharing Activities: There are activities in this course to develop teaching skills needed for each of the developmental stages. More details will be discussed in class and can be found in D2L. (STR Standard 19 TAC §235.101(c) Reading Pedagogy; Tech Standards 2.1k, 2.2k, 2.5s, 2.8s)

3. Vocabulary Critical Assignment

This 3-part assignment will build over the course of the entire semester.

Part 1: Completion of vocabulary information chart (more information is provided in D2L)

Part 2: Content Area Vocabulary Lesson Component

The purpose of this part is to explore strategies for implementing vocabulary instruction within the context of a larger content area lesson. You will need to consider:

- How teachers select appropriate vocabulary for the lesson (key terms, etc.) based on students' content and language needs
- How to directly teach vocabulary with modeling
- How to embed vocabulary use within the guided practice part of the lesson

You will create a key vocabulary component of a lesson plan that focuses on comprehending or composing text. If the lesson is for a content area other than literacy (social studies or science) specific literacy skills (vocabulary/word study) and strategies will be addressed. The lesson component will highlight the vocabulary skills related to the strategies that together make up the central focus of the lesson. (More details and support will be provided by the instructor.)

Part 3: Reflection

After completing Parts 1 & 2, you will reflect on the process by answering specific questions provided by the instructor. (STR Standard 19 TAC §235.101(c) Reading Pedagogy; edTPA alignment; Tech Standards 4.9s)

4. Spelling Inventory – Looking at class data & planning for small group instruction

This 2-part assignment includes an in-class session led by the instructor. For Part 1, the instructor will guide you through the process of using student work samples to record individual student data and analyze whole class data from a spelling inventory.

For Part 2, you will design a short (20-minute) lesson for small group targeted instruction based on the students' needs in that group. (More detailed information and instructions will be provided in D2L.) (STR Standard 19 TAC §235.101(c) Reading Pedagogy (b)2, 3, 4, 5, 6; STR Standard 19 TAC §235.101(c) Reading Pedagogy; Tech Standards 4.3s, 4.9s)

5. Writing Stage Analysis and Instructional Decision Making Assignments

Analyze writing samples provided by the instructor and complete individual intervention plans for each student sample. (details found in D2L) (STR Standard 19 TAC §235.101(c) Reading Pedagogy; Tech Standards 4.3s, 4.9s)

The syllabus/schedule are subject to change.

6. STR (Science of Teaching Reading Exam) Assignment – Morphemic Analysis

Identify content specific vocabulary and use knowledge of morphemic analysis to find word meanings.

GRADING

Final grades in this course will be based on the following scale:

A=90%-100%

B=80%-89%

C=70%-79%

D=60%-69%

F=59%-or Below

Assignments will be weighted using the following scale in determining the final grade.

Grading Weights

Unit Application Activities 50%

Unit Quizzes & Final Exam 25%

Final Critical Assignment 25%

Assessments

There are quizzes at the end of each unit. The final exam covers content and pedagogy from the entire semester. The format will be similar to the Core Subjects EC-6 English Language Arts/Reading and the Science of Teaching Reading certification exam so that students can see how the content from the course is represented on the certification exams.

TECHNOLOGY REQUIREMENTS

Browser support

D2L is committed to performing key application testing when new browser versions are released. New and updated functionality is also tested against the latest version of supported browsers. However, due to the frequency of some browser releases, D2L cannot guarantee that each browser version will perform as expected. If you encounter any issues with any of the browser versions listed in the tables below, contact D2L

The syllabus/schedule are subject to change.

Support, who will determine the best course of action for resolution. Reported issues are prioritized by supported browsers and then maintenance browsers.

Supported browsers are the latest or most recent browser versions that are tested against new versions of D2L products. Customers can report problems and receive support for issues. For an optimal experience, D2L recommends using supported browsers with D2L products.

Maintenance browsers are older browser versions that are not tested extensively against new versions of D2L products. Customers can still report problems and receive support for critical issues; however, D2L does not guarantee all issues will be addressed. A maintenance browser becomes officially unsupported after one year.

Note the following:

- Ensure that your browser has JavaScript and Cookies enabled.
- For desktop systems, you must have Adobe Flash Player 10.1 or greater.
- The Brightspace Support features are now optimized for production environments when using the Google Chrome browser, Apple Safari browser, Microsoft Edge browser, Microsoft Internet Explorer browser, and Mozilla Firefox browsers.

Apple	iOS®	Safari, Chrome	The current major version of iOS (the latest minor or point release of that major version) and the previous major version of iOS (the latest minor or point release of that major version). For example, as of June 7, 2017, D2L supports iOS 10.3.2 and iOS 9.3.5, but not iOS 10.2.1, 9.0.2, or any other version. Chrome: Latest version for the iOS browser.
Windows	Windows 10	Edge, Chrome, Firefox	Latest of all browsers, and Firefox ESR.

- You will need regular access to a computer with a broadband Internet connection. The minimum computer requirements are:
 - 512 MB of RAM, 1 GB or more preferred
 - Broadband connection required courses are heavily video intensive
 - Video display capable of high-color 16-bit display 1024 x 768 or higher resolution
- You must have a:
 - Sound card, which is usually integrated into your desktop or laptop computer
 - Speakers or headphones.
 - *For courses utilizing video-conferencing tools and/or an online proctoring solution, a webcam and microphone are required.
- Both versions of Java (32 bit and 64 bit) must be installed and up to date on your machine. At a minimum Java 7, update 51, is required to support the learning management system. The most current version of Java can be downloaded at: [JAVA web site http://www.java.com/en/download/manual.jsp](http://www.java.com/en/download/manual.jsp)
- Current anti-virus software must be installed and kept up to date.

Running the browser check will ensure your internet browser is supported.

COURSE AND UNIVERSITY PROCEDURES/POLICIES

Course Specific Procedures/Policies

You are expected to attend all class meetings and pay attention to the instructor or presenter, participate as appropriate in class discussions and be involved in group activities. Attendance is expected and does not earn extra points. **YOU WILL NOT BE ABLE TO PASS RDG 360 WITH MORE THAN 2 ABSENCES.** TAMU-Commerce considers 3 absences (for a biweekly class) to be excessive. The only excused absences are for (a) participation in a required university or school activity; (b) verified illness, (c) legal proceedings in fulfilling responsibility as a citizen (see Student's Guidebook). Excused absences are only allowed provided the student notifies the instructor prior to the absence. Students are encouraged to contact the instructor by e-mail if possible when absent. Failure to contact the instructor could result in an unexcused absence.

I will not bring additional copies of handouts from previous classes, nor will I provide notes from a previous class. Please notify me if you anticipate an absence. Select a buddy, and exchange telephone numbers and email addresses with him or her. In the event of your buddy's absence, please pick up extra handouts and take notes for that person.

Syllabus Change Policy

The syllabus is a guide. Circumstances and events, such as student progress, may make it necessary for the instructor to modify the syllabus during the semester. Any changes made to the syllabus will be announced in advance.

The syllabus/schedule are subject to change.

University Specific Procedures

Student Conduct

All students enrolled at the University shall follow the tenets of common decency and acceptable behavior conducive to a positive learning environment. The Code of Student Conduct is described in detail in the [Student Guidebook](#).
