Interaction with Instructor Statement

I have an “open door” policy, meaning if my door is open, please come talk to me. Email is usually the best way to communicate with me. I will usually answer within 24 hours during the week. If you email me on the Weekend, I most likely won’t get back to you until Monday.

Communication is crucial during this time. I understand that life can sneak up on us, but you will need to communicate as soon as you can. I will not look kindly on emails received at the end of the semester asking for an extension after I haven’t heard from you.
