

SECONDARY METHODS
SPED 563.01W
COURSE SYLLABUS: SPRING 2024 ONLINE

INSTRUCTOR INFORMATION

Instructor: Dr. Beth A. Jones

Office: Henderson 228

Telephone: (903) 886-5940

Fax: (903) 886-5510

Email: Beth.Jones@tamuc.edu (preferred method of contact)

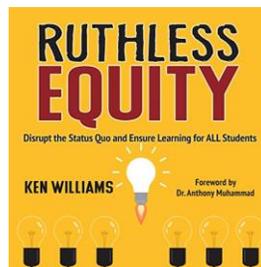

Office Hours: by appointment; Please do not hesitate to contact me, preferably through e-mail, if an appointment is needed.

Course Description:

SPED 563 presents evidence-based strategies and interventions for students with disabilities. A focus on quality reading, mathematics, writing, and behavioral assessment, strategies, and interventions to support students with disabilities is provided.

Text: Williams, K. (2022). *Ruthless Equity: Disrupt the Status Quo and Ensure Learning for All*. Wish in One Hand Publishing.

https://www.amazon.com/Ruthless-Equity-Disrupt-Learning-Students/dp/B0BZ9Z242K/ref=sr_1_1?crid=20065898AIP61&keywords=ruthless+equity&qid=1701372567&srefix=ruthless+equity%2Caps%2C107&sr=8-1

This series is also highly recommended and will need to be utilized for your lesson planning assignment:

The Strategic Instruction Model

<https://sim.drupal.ku.edu/content-enhancement-routines>

Course Objectives:
Essential Skills

- Familiarity with TEKS as they relate to assessment, IEP development, and curriculum/intervention methods
- Developing data based goals on IEP's; writing measurable goals
- Knowledge/application of effective reading, writing, and math instructional methods

Texas Special Education Competencies 6-12:	Texas EC-12 Educational Diagnostician Competencies
<ol style="list-style-type: none"> 1. Standard B. Legal and Ethical Guidelines. The Grades 6-12 special education teacher demonstrates knowledge of all applicable state and federal laws, including Individuals with Disabilities Education Act (IDEA) of 2004; Section 504 of the Rehabilitation Act of 1973; The Americans with Disabilities Act (ADA) of 1990 and ADA Amendments Act (ADAAA) of 2008; Texas Education Code specific to students with disabilities; and Texas Administrative Code specific to students with disabilities; and Family Education Rights and Privacy Act. The Grades 6-12 special education teacher must: <ol style="list-style-type: none"> A. (21) interpret the results of a variety of assessment data (classroom, state and district transition assessment) in plain language to explain student progress on annual IEP goals and mastery of grade level standards to the ARD committee members; 2. Standard D. Subject Matter Content and Specialized Curricular Knowledge. 3. Standard E. Assessment for Data-based Decision Making. 3. Standard F. Supporting Learning Using Effective Instruction. 	<ol style="list-style-type: none"> 1. Standard IV. The educational diagnostician understands and applies knowledge of student assessment and evaluation, program planning, and instructional decision making. 2. Standard X. The educational diagnostician knows and understands appropriate curricula and instructional strategies for individuals with disabilities.

INSTRUCTOR AND COURSE ACCESS

Contacting the Instructor

If you have a question that you feel others in the class would benefit from the answer to, please post your question in the virtual office. For all other inquiries, email is my preferred method of communication. Please give me 48 hours to respond to your emails before resending. In addition, please be aware that I will not respond to emails on Saturday or Sunday, and emails received on Friday could potentially be responded to the following Monday.

A Note About the Virtual Office: The Virtual Office is a public forum. If you need to contact me about something of a personal nature, feel free to e-mail me. Also, please note that I do not receive an alert when something is posted in the virtual office, so if you need immediate assistance, it might be better to email me directly.

Three Before Me Rule: The 3 before me rule simply means, before you e-mail me with a question, (when is an assignment due, how do I turn it in, how many points is it worth, etc.), you are to attempt 3 times to answer your question. What are some suggested ways you can do this? You could: read your syllabus, review Virtual Office to see if someone else has asked this question, post a question for your peers in the Virtual Office, or contact other members of your class.

As a student enrolled at Texas A&M University-Commerce, you have access to an email account via MyLeo. ALL class emails from your instructor WILL GO TO YOUR MyLeo ACCOUNT. Please be sure to check this email account frequently and regularly.

TECHNOLOGY REQUIREMENTS

- To fully participate in online courses you will need to use a current Flash enabled internet browser. For PC and Mac users the suggested browser is Mozilla Firefox.
- You will need regular access to a computer with a broadband Internet connection. The minimum computer requirements are:
 - 512 MB of RAM, 1 GB or more preferred
 - Broadband connection required courses are heavily video intensive
 - Video display capable of high-color 16-bit display 1024 x 768 or higher resolution
- You must have a:
 - Sound card, which is usually integrated into your desktop or laptop computer
 - Speakers or headphones.
 - *For courses utilizing video-conferencing tools and/or an online proctoring solution, a webcam and microphone are required.

- Both versions of Java (32 bit and 64 bit) must be installed and up to date on your machine. At a minimum Java 7, update 51, is required to support the learning management system. The most current version of Java can be downloaded at: [JAVA web site http://www.java.com/en/download/manual.jsp](http://www.java.com/en/download/manual.jsp)
- Current anti-virus software must be installed and kept up to date.
- Run a browser check through the Pearson LearningStudio Technical Requirements website. [Browser Check http://help.ecollege.com/LS_Tech_Reg_WebHelp/en-us/#LS_Technical_Requirements.htm#Browset](http://help.ecollege.com/LS_Tech_Reg_WebHelp/en-us/#LS_Technical_Requirements.htm#Browset)

Running the browser check will ensure your internet browser is supported.

Pop-ups are allowed.

JavaScript is enabled.

Cookies are enabled.

- You will need some additional free software (plug-ins) for enhanced web browsing. Ensure that you download the free versions of the following software:
 - [Adobe Reader https://get.adobe.com/reader/](https://get.adobe.com/reader/)
 - [Adobe Flash Player \(version 17 or later\) https://get.adobe.com/flashplayer/](https://get.adobe.com/flashplayer/)
 - [Adobe Shockwave Player https://get.adobe.com/shockwave/](https://get.adobe.com/shockwave/)
 - [Apple Quick Time http://www.apple.com/quicktime/download/](http://www.apple.com/quicktime/download/)
- At a minimum, you must have Microsoft Office 2013, 2010, 2007 or Open Office. Microsoft Office is the standard office productivity software utilized by faculty, students, and staff. Microsoft Word is the standard word processing software, Microsoft Excel is the standard spreadsheet software, and Microsoft PowerPoint is the standard presentation software. Copying and pasting, along with attaching/uploading documents for assignment submission, will also be required. If you do not have Microsoft Office, you can check with the bookstore to see if they have any student copies.
- For additional information about system requirements, please see: [System Requirements for LearningStudio https://secure.ecollege.com/tamuc/index.learn?action=technical](https://secure.ecollege.com/tamuc/index.learn?action=technical)

ACCESS AND NAVIGATION

Pearson LearningStudio (eCollege) Access and Log in Information

This course will be facilitated using Pearson LearningStudio, the learning management system used by Texas A&M University-Commerce. To get started with the course, go to [myLeo](http://www.tamuc.edu/myleo.aspx) and from the top menu ribbon select eCollege. Then on the upper left side of the screen click on the My Courses tab. <http://www.tamuc.edu/myleo.aspx>

You will need your campus-wide ID (CWID) and password to log into the course. If you do not know your CWID or have forgotten your password, contact the Center for IT Excellence (CITE) at 903.468.6000 or helpdesk@tamuc.edu.

Note: It is strongly recommended you perform a “Browser Test” prior to the start of your course. To launch a browser test login to Pearson LearningStudio, click on the My Courses tab, and then select the Browser Test link under Support Services.

Pearson LearningStudio Student Technical Support

Texas A&M University-Commerce provides students technical support for the use of Pearson LearningStudio.

Technical assistance is available 24/7 (24 hours, 7 days a week).

If you experience LearningStudio (eCollege) technical problems, contact the LearningStudio helpdesk at 1-866-656-5511 (toll free) or visit [Pearson 24/7 Customer Support Site](http://247support.custhelp.com/) <http://247support.custhelp.com/>

The student help desk may be reached in the following ways:

- **Chat Support:** Click on '*Live Support*' on the tool bar within your course to chat with a Pearson LearningStudio Representative.
- **Phone:** 1-866-656-5511 (Toll Free) to speak with Pearson LearningStudio Technical Support Representative.

Accessing Help from within Your Course: Click on the '*Tech Support*' icon on the upper left side of the screen inside the course. Then you will be able to get assistance via online chat or by phone.

Note: Personal computer and internet connection problems do not excuse the requirement to complete all course work in a timely and satisfactory manner. Each student needs to have a backup method to deal with these inevitable problems. These methods might include the availability of a backup PC at home or work, the temporary use of a computer at a friend's home, the local library, office service companies, Starbucks, a TAMUC campus open computer lab, etc.

Policy for Reporting Problems with Pearson LearningStudio

Should students encounter Pearson LearningStudio based problems while submitting assignments/discussions/comments/exams, the following procedure must be followed:

1. Students must report the problem to the help desk. You may reach the helpdesk at 1-866-656-5511.
2. Students must file their problem with the helpdesk and obtain a helpdesk ticket number

3. Once a helpdesk ticket number is in your possession, students should email me to advise me of the problem and provide me with the helpdesk ticket number.
4. I will call the helpdesk to confirm your problem and follow up with you

PLEASE NOTE: Your personal computer and internet access problems are not a legitimate excuse for filing a ticket with the Pearson LearningStudio Help Desk. Only Pearson LearningStudio based problems are legitimate reasons to contact the Help Desk.

You strongly are encouraged to check for your internet browser compatibility **BEFORE** the course begins and take the Pearson LearningStudio tutorial offered for students who may require some extra assistance in navigating the Pearson LearningStudio platform.

myLeo Support

Your myLeo email address is required to send and receive all student correspondence. Please email helpdesk@tamuc.edu or call us at 903-468-6000 with any questions about setting up your myLeo email account. You may also access information at [myLeo](https://leo.tamuc.edu).
<https://leo.tamuc.edu>

Learner Support

The [One Stop Shop](http://www.tamuc.edu/admissions/onestopshop/) was created to serve you by providing as many resources as possible in one location. <http://www.tamuc.edu/admissions/onestopshop/>

The [Academic Success Center](http://www.tamuc.edu/campusLife/campusServices/academicSuccessCenter/) provides academic resources to help you achieve academic success.
<http://www.tamuc.edu/campusLife/campusServices/academicSuccessCenter/>

FREE Mobile APPS

The Courses apps for phones have been adapted to support the tasks students can easily complete on a smaller device. Due to the smaller screen size course content is not presented. The Courses app is free of charge. The mobile Courses Apps are designed and adapted for different devices.

	App Title:	iPhone – Pearson LearningStudio Courses for iPhone Android – LearningStudio Courses - Phone
	Operating System:	iPhone - OS 6 and above Android – Jelly Bean, Kitkat, and Lollipop OS

	iPhone App URL:	https://itunes.apple.com/us/app/pearson-learningstudio-courses/id977280011?mt=8
	Android App URL:	https://play.google.com/store/apps/details?id=com.pearson.lsphone

Once downloaded, search for Texas A&M University-Commerce, and it should appear on the list. Then you will need to sign into the myLeo Mobile portal.

The Courses App for Android and iPhone contain the following feature set:

- View titles/code/Instructor of all Courses enrolled in online
- View and respond to all discussions in individual Courses
- View Instructor Announcements in individual Courses
- View Graded items, Grades and comments in individual Courses
- Grade to Date
- View Events (assignments) and Calendar in individual Courses
- View Activity Feed for all courses
- View course filters on activities
- View link to Privacy Policy
- Ability to Sign out
- Send Feedback

LearningStudio Notifications

Students can be alerted to course activities via text on their mobile phones or up to two email addresses.

Based on their preferences, students can automatically receive a push notification with every new: course announcement, threaded discussion post, grade, and/or assignment without having to login to the course. Enrolled students will automatically receive email notifications for announcements and can opt out of this feature. To receive text notifications, students must opt in.

To begin setting up notifications, go into your course in LearningStudio and click on the bell-shaped Notifications icon on the main menu ribbon.

By default the student's university email address will appear. This cannot be changed in LearningStudio. Additional email addresses may be added by clicking the Add button. After all of the other selections are completed be sure to click the Save and Finish button.

CLASS REQUIREMENTS AND GRADING:

When submitting to the Dropbox, you can find them by going to Activities-Assignments in D2L.

Case Study: This assignment will consist of assessing a secondary school-aged student in reading/language arts and mathematics (2 assessments for each area and results of each should be turned in), determining strengths and weaknesses, developing an individual instruction plan based on TEKS, and a plan for implementation. A parent permission form and a template to use for developing the IEP will be available in D2L. **This assignment will be submitted to the DropBox.**

TEKS Comparison Questions: Each student will answer a list of questions related to the TEKS at each grade level in preparation for the reading and math lectures in part two of the course. **The questions will be posted in D2L and will be submitted to the Dropbox.**

Evidence-Based Practices Search/Presentation: Each enrolled student will present summaries of 10 scholarly journal articles (5 for reading/writing and 5 for math) with suggestions for improving reading/writing and math instruction **at the secondary level.** Included articles need to summarize how to use a particular strategy or present concrete data on the effectiveness of interventions. **Articles need to be from refereed journals, not just items found on Google. Suggested journals include:**

Intervention in School and Clinic
Teaching Exceptional Children
LD Forum

Learning Disabilities Quarterly
Preventing School Failure
Exceptional Children

You can present your summaries via Google slides, Prezi, PPT, etc., but you must include: **(a) the citation for each article in APA 7th edition format, (b) embed video explanations of the strategy (how it works and how to implement it with fidelity), and (c) who (grade/student characteristics)/what subject the strategy targets.** If your article shares data regarding the effectiveness of the intervention, detail who (student age/grade/characteristics) the intervention has been shown effective with. Be creative, and present the information in a user-friendly format; the way you would want to learn about a new instructional strategy.

This assignment will be submitted to the discussion thread, so that you may have the benefit of seeing your classmates' findings.

Reading Intervention Google Site: Students will create a Google Site which will consist of remediation strategies for reading and writing (age-appropriate for secondary students). This resource will be comprised of five major subsections—the components

of balanced reading instruction (see below). An example of this project is posted in D2L. If you have already started a Google Site in another of my classes, you can build onto it.

Subsections to Include:

1. Phonemic Awareness
2. Phonics
3. Fluency
4. Vocabulary
5. Comprehension

This Google Site is intended to be something to inform your practice, but also to be shareable with parents in order to give them resources/guidance for how to help at home. Feel free to customize it with information relevant to practices in your individual ISD. However, within each of these 5 subsections, you will need to include the following items:

- The definition/focus of that component/relation to other components
- A link to the relevant TEKS for that skill/grade level so parents know what is expected; you can embed the resource for looking up TEKS shared in the D2L shell with instructions for how parents can use it
- Two peer-reviewed articles related to particular subsection
- Three activities to assist with remediation (per subsection)
- Embed one High Leverage Practice for Instruction in each subsection

When you link to your peer-review articles, DO NOT link directly to the library system. Rather, download the articles to your device and then include them in your Site. PLEASE FOLLOW THE DIRECTIONS AT THIS LINK TO MAKE SURE YOUR GOOGLE SITE AND ALL THE PAGES/CONTENT IS VIEWABLE:

<https://support.google.com/sites/answer/6372880?hl=en#zippy=%2Cchoose-who-can-see-your-site>

Make sure to also ***Publish*** your site. You can set it so that only people you give access may view it. <https://support.google.com/sites/answer/6372880?hl=en>

Microteaching: Each student will **choose a routine from the Strategic Instruction Model**. (especially the routines found listed under 'Concepts' and 'Explaining'; <https://sim.drupal.ku.edu/content-enhancement-routines>) or one of the SRSD Strategies to implement.

Each student will then complete the lesson plan template (provided; must be typed) and deliver the lesson to a group of students (secondary school age or class peers) while videotaping (without stopping-should be one fluid lesson). The lesson should be no more than 20 minutes in length. A lesson plan template and microteaching evaluation

rubric will be posted in D2L. **If you include students on the video, make sure to have parent permission to video and submit that with your assignment. Otherwise, do not show their faces on the video.**

Individual ISD's in which you work should have video equipment you can use, if you do not. Upload the video to YouTube or Vimeo (<http://vimeo.com/>) and post the link it gives you to the **discussion thread in D2L**. Note that the file size needs to be smaller than 500 mb to upload to Vimeo correctly (I have been assured by technology services that this will be perfectly doable with a 20 minute lesson)

The completed lesson plan template and video will need to be shared with your classmates via the Discussion thread named Microteaching. Peer evaluations (you must do at least two) can also be submitted to the discussion thread for Microteaching. Your self-evaluation can be submitted in the Assignment DropBox named Microteaching. The self-evaluation should include your responses on the tally sheet and grading yourself according to the Microteaching rubric (both posted in D2L).

Class Discussions and Participation: Professional behavior includes being punctual and attending ALL online class sessions. Activities and discussions will be utilized to promote understanding and application of course content.

Grading:

Grade Distribution

Case Study	100 points	90-100%	A
Evidence-Based Practices	50 points	80-89%	B
TEKS Comparison Questions	40 points	70-79%	C
Reading Remediation Google Site	50 points	60-69%	D
Microteaching	100 points	59 or lower	F
Discussions	160 points		
Total possible points	450 points		

COURSE AND UNIVERSITY PROCEDURES/POLICIES

Course Specific Procedures/Policies

- All assignments/discussions must be turned in on the assigned due date. ***Unexcused assignments turned in after the due date will be returned ungraded.***
 - **A note about timeliness:** it is highly advised that you **DO NOT** wait until the deadline for turning in an assignment. I have set the deadlines for assignments to be Sunday nights, in order to give you the weekends for completion. However, this does not mean you can email me over the weekend with questions---it is my weekend with my family, too. Also, if you wait until 11:00 pm on Sunday to turn in

an assignment due at midnight and the electricity goes out, you have missed the deadline and will NOT get credit for the assignment. you need to plan ahead for questions/completion of assignments.

- Ensure that the assignment guidelines presented in the syllabus are followed. It is important that all assignments are organized according to headings and subheadings delineated in the guidelines. ***Failure to do so will result in an ungraded assignment or a lower evaluation.***
- **Written Assignments.** Written assignments MUST be typed using double spaced lines, include your name, and have page numbers. In addition, work submitted should reflect a professional quality in terms of scope, depth, writing mechanics, and appearance that would be expected of students at a prestigious university. Proofread all assignments as only materials with minimal or no errors will receive high scores.
- **Person First Language:** Our language is a reflection of our attitudes. Always refer to persons with disabilities with respect. ***Degrading terminology will not be tolerated.*** In this class we will strive to use “people first” language at all times. “People First” language always refers to the person first and not as a label or a category. For example, refer to “a student with autism” and not “an autistic” or “students with disabilities” and not “disabled students”. In addition, avoid such stigmatizing terminology as “confined to a wheelchair” (say “uses a wheelchair” instead.).
- *If you have suggestions, comments, questions, or concerns about the class or the assignments, please call or see the instructor. Please do not save your suggestions for the evaluation at the end of the term when it is too late to implement your suggestions.*

Syllabus Change Policy

The syllabus is a guide. Circumstances and events, such as student progress, may make it necessary for the instructor to modify the syllabus during the semester. Any changes made to the syllabus will be announced in advance.

University Specific Procedures **Student Conduct**

All students enrolled at the University shall follow the tenets of common decency and acceptable behavior conducive to a positive learning environment. The Code of Student Conduct is described in detail in the [Student Guidebook](#).

<http://www.tamuc.edu/admissions/registrar/documents/studentGuidebook.pdf>

Students should also consult the Rules of Netiquette for more information regarding how to interact with students in an online forum: [Netiquette](#)

<http://www.albion.com/netiquette/corerules.html>

TAMUC Attendance

For more information about the attendance policy please visit the [Attendance](#) webpage and [Procedure 13.99.99.R0.01](#).

<http://www.tamuc.edu/admissions/registrar/generalInformation/attendance.aspx>

<http://www.tamuc.edu/aboutUs/policiesProceduresStandardsStatements/rulesProcedures/13students/academic/13.99.99.R0.01.pdf>

Academic Integrity

Students at Texas A&M University-Commerce are expected to maintain high standards of integrity and honesty in all of their scholastic work. The first instance of plagiarism/academic dishonesty will result in a 0 on the assignment and the second will result in a 0 in the course. For more details and the definition of academic dishonesty see the following procedures:

[Undergraduate Academic Dishonesty 13.99.99.R0.03](http://www.tamuc.edu/aboutUs/policiesProceduresStandardsStatements/rulesProcedures/13students/undergraduates/13.99.99.R0.03UndergraduateAcademicDishonesty.pdf)

<http://www.tamuc.edu/aboutUs/policiesProceduresStandardsStatements/rulesProcedures/13students/undergraduates/13.99.99.R0.03UndergraduateAcademicDishonesty.pdf>

[Graduate Student Academic Dishonesty 13.99.99.R0.10](http://www.tamuc.edu/aboutUs/policiesProceduresStandardsStatements/rulesProcedures/13students/graduate/13.99.99.R0.10GraduateStudentAcademicDishonesty.pdf)

<http://www.tamuc.edu/aboutUs/policiesProceduresStandardsStatements/rulesProcedures/13students/graduate/13.99.99.R0.10GraduateStudentAcademicDishonesty.pdf>

Policy on Artificial Intelligence

- Texas A&M University-Commerce acknowledges that there are legitimate uses of Artificial Intelligence, Chatbots, or other software that has the capacity to generate text, or suggest replacements for text beyond individual words, as determined by the instructor of the course.
- Any use of such software must be documented. Any undocumented use of such software constitutes an instance of academic dishonesty (plagiarism).
- Individual instructors may disallow entirely the use of such software for individual assignments or for the entire course. Students should be aware of such requirements and follow their instructors' guidelines. **If no instructions are provided the student should assume that the use of such software is disallowed.**
- In any case, students are fully responsible for the content of any assignment they submit, regardless of whether they used an AI, in any way. This specifically includes cases in which the AI plagiarized another text or misrepresented sources.

ADA Statement

Students with Disabilities

The Americans with Disabilities Act (ADA) is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation requires that all students with disabilities be guaranteed a

learning environment that provides for reasonable accommodation of their disabilities. If you have a disability requiring an accommodation, please contact:

Office of Student Disability Resources and Services

Texas A&M University-Commerce

Gee Library- Room 132

Phone (903) 886-5150 or (903) 886-5835

Fax (903) 468-8148

Email: Rebecca.Tuerk@tamuc.edu

Website: [Office of Student Disability Resources and Services](#)

<http://www.tamuc.edu/campusLife/campusServices/studentDisabilityResourcesAndServices/>

Nondiscrimination Notice

Texas A&M University-Commerce will comply in the classroom, and in online courses, with all federal and state laws prohibiting discrimination and related retaliation on the basis of race, color, religion, sex, national origin, disability, age, genetic information or veteran status. Further, an environment free from discrimination on the basis of sexual orientation, gender identity, or gender expression will be maintained.

Campus Concealed Carry Statement

Texas Senate Bill - 11 (Government Code 411.2031, et al.) authorizes the carrying of a concealed handgun in Texas A&M University-Commerce buildings only by persons who have been issued and are in possession of a Texas License to Carry a Handgun. Qualified law enforcement officers or those who are otherwise authorized to carry a concealed handgun in the State of Texas are also permitted to do so. Pursuant to Penal Code (PC) 46.035 and A&M-Commerce Rule 34.06.02.R1, license holders may not carry a concealed handgun in restricted locations.

For a list of locations, please refer to the [Carrying Concealed Handguns On Campus](#) document and/or consult your event organizer.

<http://www.tamuc.edu/aboutUs/policiesProceduresStandardsStatements/rulesProcedures/34SafetyOfEmployeesAndStudents/34.06.02.R1.pdf>

Pursuant to PC 46.035, the open carrying of handguns is prohibited on all A&M-Commerce campuses. Report violations to the University Police Department at 903-886-5868 or 9-1-1.
