COURSE AND UNIVERSITY PROCEDURES/POLICIES

Course Specific Procedures/Policies

Attendance:

Attendance for Ag 1131 is mandatory, and roll will be taken at every class meeting. For each two unexcused absences, your final grade will be lowered by one letter grade. Five absences or more will result in a grade of F for the course.

Makeup:

There will be **no** make-ups offered for any coursework missed without legitimate reasons. The decision to offer make-up material will be made by the instructor based on the situation. Please contact the instructor for help if you have difficulty meeting the deadline in advance. If you are reading this, thank you for reading the syllabus. Please email me telling me that you read the syllabus to receive five bonus points. Also, please notify the instructor of any issues as soon as possible before grade posting (normally within one week) if you miss the due date.

Extra Credit:

Extra credit opportunities will be made available throughout the course.

Withdrawal:

Please contact the instructor before proceeding with the withdrawal process.

Syllabus Change Policy

The syllabus is a guide. Circumstances and events, such as student progress, may make it necessary for the instructor to modify the syllabus during the semester. Any changes made to the syllabus will be announced in advance.

University Specific Procedures

Student Conduct

All students enrolled at the University shall follow the tenets of common decency and acceptable behavior conducive to a positive learning environment. The Code of Student Conduct is described in detail in the [Student Guidebook](http://www.tamuc.edu/Admissions/oneStopShop/undergraduateAdmissions/studentGuidebook.aspx).

AI use policy

Texas A&M University-Commerce acknowledges that there are legitimate uses of Artificial Intelligence, ChatBots, or other software that has the capacity to generate text, or suggest replacements for text beyond individual words, as determined by the instructor of the course.

Any use of such software must be documented. Any undocumented use of such software constitutes an instance of academic dishonesty (plagiarism).

Individual instructors may disallow entirely the use of such software for individual assignments or for the entire course. Students should be aware of such requirements

The syllabus/schedule are subject to change.

and follow their instructors' guidelines. If no instructions are provided the student should assume that the use of such software is disallowed.

In any case, students are fully responsible for the content of any assignment they submit, regardless of whether they used an AI, in any way. This specifically includes cases in which the AI plagiarized another text or misrepresented sources.
