Attendance & Class Participation for Face to Face Classes:

Attendance and participation are vital to the success of your learning experience. The roll will be taken during the first 5-10 minutes of the class. If you are not in class when the roll is taken you will be marked as absent. Students who leave early without advance notice to the instructor and sleeping during the class session will be marked as absent.

Please note you will not be allowed to make up missed work or exams (arrangements must be made with me **prior** to the due date of the assignment or day of the exam).

It is the student's responsibility to find out from their classmates what materials were covered, distributed, or assigned during any missed classes.

The attendance policy does not apply to the students of the online class. However, they are expected to be active participants of the class and will be evaluated for participation.

"Students should not attend class when ill or after exposure to anyone with a communicable illness. Communicate such instances directly with your instructor. Faculty will work to support the student getting access to missed content or completing missed assignments."
