My grading policy:

At the end of the semester, I will assign your earned letter grade according to the schedule below:

A= 90 and above

B= 80-89.9

C= 70-79.9

D= 60-69.9

F= 59.9 and below

NOTHING can be done to change your final grade once it is assigned. (no extra credit, extra assignments, retaking tests, etc). Multiple opportunities are given to students to earn their course grade, and I suggest that YOU take advantage of every opportunity to make the highest grade possible. In other words, attend class EVERY DAY and do the EXTRA CREDIT!

Extra Credit Opportunities:

Extra credit points will be awarded for the following events:

- a. One point may be earned for each Rec Center aerobic/workout class you attend. You must have the instructor sign a **8 1/2" by 11" sheet of paper** with your name, the date, the name of the class, etc. at the end of class. Show it to me immediately. You will only get credit one time for each *different* class you attend. (For one of them, you may attend the same class you attended for the outside-of class experience.) You MAY attend classes at another facility, but the same rules apply. To earn the extra credit, you must provide a piece of paper with your name, the date, time, name, and location of the class, the instructor's name, the phone number of the facility, and the instructor's signature. No exceptions.
- b. One point may be earned for 5K fun run/walk in which you participate. You must show me your race number, your t-shirt, and your time as posted on the internet. The 5K must be done during the semester.
- c. A maximum of 5 points extra credit may be earned.
- d. The LAST day to turn in any extra credit is April 18TH at the beginning of class. NO EXCEPTIONS! You may turn it in early but not after the due date.
- e. I may provide more extra credit options during the semester.

WRITTEN TEST

Your written test will be multiple-choice, true-false, and matching. It will have about 40 questions. You will need a (green) scantron 882-ES and a pencil. If you cannot take the exam due to illness, injury, or family emergency, **the instructor must be notified prior to the exam**. Students will be required to present appropriate documentation for missing a scheduled exam. All make-up exams will be scheduled as the need arises.

SAFETY QUIZ

For the safety quiz, you will watch me perform several movements and stretches. You will be asked to identify what I am doing that is unsafe or demonstrates bad technique.

SUN SALUTATION DEMO

For the Sun Salutation demo the class will perform the Sun Salutation sequence as described in previous practices. Students should be able to perform the asanas in the appropriate sequence utilizing proper technique.

SANSKRIT VOCABULARY QUIZ

Students will be asked to match Sanskrit & yoga terms to their definition. You will need to bring a pencil to class on this day.

PERSONALIZED YOGA JOURNAL

The yoga journal is an opportunity for the student to reflect on his/her yoga practice and focus on observation made during his/her practice. This paper should be a minimum of 1 ½ pages. More specific criteria will be outlined in a handout provided and discussed in class.

Class attendance is expected. For each **unexcused absence, 2 points** will be deducted from the final grade. Students that are late to class and arrive after attendance has been taken will be considered absent. It is imperative that students are on time to class, as instructions are given for the days activity at the start of each class. If the class has already begun, you are considered late and will not be permitted into the classroom. *Please do not knock on the door and disrupt class in an attempt to come in late.* Class assignments will not be accepted after the due date. Excused absences are defined by university policy (see below) and must be documented appropriately WITHIN ONE WEEK of the absence (I need a copy of the documentation that I can keep).

This schedule is tentative and is subject to change. I will let you know if the schedule changes!!

Browser support

D2L is committed to performing key application testing when new browser versions are released. New and updated functionality is also tested against the latest version of supported browsers. However, due to the frequency of some browser releases, D2L cannot guarantee that each browser version will perform as expected. If you encounter any issues with any of the browser versions listed in the tables below, contact D2L Support, who will determine the best course of action for resolution. Reported issues are prioritized by supported browsers and then maintenance browsers.

Supported browsers are the latest or most recent browser versions that are tested against new versions of D2L products. Customers can report problems and receive support for issues. For an optimal experience, D2L recommends using supported browsers with D2L products.

Maintenance browsers are older browser versions that are not tested extensively against new versions of D2L products. Customers can still report problems and receive support for critical issues; however, D2L does not guarantee all issues will be addressed. A maintenance browser becomes officially unsupported after one year.
