

MUS 100H

Tuba/Euphonium Chamber Music

Texas A&M University-Commerce Music Department
Spring 2024 Course Syllabus

Dr. Jeff Baker, Associate Professor of Tuba & Euphonium

Course Description:

This course provides the opportunity for instrumentalists to become familiar with a variety of music intended for small ensemble, through the study and performance of appropriate literature. The rehearsal schedule is intended to provide adequate preparation time for worthwhile performance experiences of quality literature. Students may also be presented with leadership opportunities, as appropriate and assigned.

Student Learning Outcomes:

Students will perform selected repertoire suitable to the student's musical development with intermediate technique and musicianship.

Contact Information and Office Hours:

Dr. Baker's Cell Phone: 469-417-9404

Office Hours: Meetings may be scheduled by appointment

Schedule of Events:

Rehearsals TBD based on participant's availability.

Tuesday, April 16	7:30 PM	Tuba/Euphonium Ensemble Chamber Recital	Finney Hall
-------------------	---------	---	-------------

Attendance Policy:

Students enrolled in MUS 100H are required to attend weekly rehearsals and any additional sectionals. An unapproved absence from any of these events constitutes an unexcused absence towards the student's final grade. Each unexcused absence will lower the student's final lesson grade by one letter.

Absences without prior notification or approval are considered unexcused. In the event of illness or an emergency, the student must contact the instructor by phone or e-mail in advance.

Excessive tardiness will negatively affect the student's final grade. If the student is late to THREE events (rehearsals, sectionals, performances), one unexcused absence will be added to their final attendance for the semester. Each unexcused absence will lower the student's final grade by one letter.

Grading Procedures:

Each unexcused absence will lower the final grade by one level. Three unexcused absences from lessons or studio events will result in an "F" for the course. Grades are based on lesson preparation and progress, tune/transposition tests, scale exams, written assignments, participation in studio and warmup sessions, the pre-jury hearing, and the final jury hearing. If a student is failing the class, he or she will be notified.

Grading Explanation

- A Superior performance, perfect attendance at studio events, superior participation in ensembles as well as attending outside professional performances. Outstanding musical progress, student is prepared, timely and professional communication.
- B Excellent performance, good attendance at studio events, excellent participation in ensembles as well as attending outside professional performances. Noticeable musical progress, student is prepared, timely communication.
- C Average performance, fair attendance at studio events, some participation in ensembles, student is consistently unprepared, little or no progress, problematic communication.
- D Poor performance, lack of preparation, attendance and/or attitude problems. Unacceptable preparation, unacceptable progress, lack of communication.
- F Failure of the class due to attendance, lack of preparation, unacceptable progress, or other factors.

AI use in course

Texas A&M University-Commerce acknowledges that there are legitimate uses of Artificial Intelligence, ChatBots, or other software that has the capacity to generate text, or suggest replacements for text beyond individual words, as determined by the instructor of the course.

Any use of such software must be documented. Any undocumented use of such software constitutes an instance of academic dishonesty (plagiarism).

Individual instructors may disallow entirely the use of such software for individual assignments or for the entire course. Students should be aware of such requirements and follow their instructors' guidelines. If no instructions are provided the student should assume that the use of such software is disallowed.

In any case, students are fully responsible for the content of any assignment they submit, regardless of whether they used an AI, in any way. This specifically includes cases in which the AI plagiarized another text or misrepresented sources.
