COURSE DESCRIPTION

COURSE OVERVIEW AND OBJECTIVES:

This course is geared towards teaching students the fundamentals of project management based on the Project Management Body of Knowledge developed by the Project Management Institute. In particular, students will learn about scope, time, cost, quality, human resource, communication and procurement management and develop a comprehensive project plan accordingly. This approach will assist the future manager, as one of the project key stakeholders, to understand the deliverables required of project managers and their teams.

The syllabus/schedule is subject to change.

COB Student Learning Objectives:

1. Students will demonstrate proficiency in spoken communications by delivering clear and well-structured business presentations.
2. Students will demonstrate proficiency in written communications by creating clear and well-structured business documents.
3. Students will identify and evaluate ethical business issues.
4. Students will identify and evaluate global business challenges.
5. Students will be analytical problem solvers in business environments.

Student Learning Outcomes (SLOs)	Objectives - After successfully completing this course, students will be able to:	Objectives will be measured as follows:
2, 3, 4, 5	Understand the four phases of a project and the project tools to complete to create a project plan.	Project Assignments Quizzes Final Exam
2, 5	Understand the methods of controlling a project being executed to maintain scope, cost and time requirements, and how to handle scope changes.	Project Assignments Quizzes
3, 4	Understand as a leader of the responsibility of business ethics on a global stage	LinkedIn Course Completion

COURSE REQUIREMENTS**Minimal Technical Skills Needed**

- D2L Learning Management System (LMS)
- Microsoft Word, Excel, and PowerPoint

Instructional Methods

This course is taught asynchronously through recorded video lecture on the D2L system. The information and materials needed to complete the course is in this syllabus and on D2L. Weekly one hour Zoom sessions are scheduled to answer questions.

Student Responsibilities or Tips for Success in the Course

The online class version of this course requires the student to view the recorded lectures and complete the assignments as scheduled. Project Assignments are assigned, based on the information learned from lecture and assignments detailed in D2L. Each student will be required to log in regularly into the course website to access the weekly lectures and homework assignments. Quizzes will be open-book and taken in D2L. These quizzes will be based on the lecture material. The final exam, which covers all material taught during the semester, is also open-book and taken in D2L.

The syllabus/schedule is subject to change.

GRADING

Component	Type	Value
Homework Project Assignments	Individual	40.0%
Quizzes	Individual	40.0%
Final Exam	Individual	20.0%
Course Total		100.0%

PROJECT ASSIGNMENTS:

Project assignments will be done as individual homework assignments. These project assignments are in a case study form and will be used to complete project management activities on the four phases of the project. Assignments include developing a project charter, task worksheet, project schedule, risk assessment, communication grid, RACI chart, procurement selection, customer acceptance checklist, scope change, project baseline, and lessons learned.

QUIZZES AND FINAL EXAM:

Quizzes will be administered through D2L to test understanding of project management concepts through the four phases of a project as taught from the lectures. The final exam, a comprehensive review of project management, will be given on the last week of class.

GRADING SCALE:

A	90 – 100%	D	60-69%
B	80 – 89%	F	Below 60%
C	70-79%		

- Incomplete - Must be previously agreed upon by student and instructor.
- Withdrawal - Must be initiated by the student administratively.

The syllabus/schedule is subject to change.

ASSESSMENTS

Homework Assignments (General Comments):

1. Submitted assignments must be correctly formatted and free of grammatical and stylistic errors. Students should have at least some skill with software for word processing, spreadsheets, databases, graphics, and presentations, and with web browsers and search engines. Spelling and grammatical errors will detract from your grade!
2. Assignments must be turned in on time. Assignments are due by the date and time listed (see D2L). While the syllabus designates specific dates for which work is assigned, do not wait until the “assigned” date to start working on it (or to turn it in).
3. Late assignments WILL NOT BE ACCEPTED. If you do not meet the 11:59 PM deadline (even by one or two minutes), you will receive a 0 for that assignment.
4. There are no make-up assignments for poor performance on a previous assignment.
5. Homework Project Assignments count 40% of your final grade. The lowest grade of all the homework assignments will be dropped.

Quizzes and Final Exam (General Comments):

1. There are no makeup quizzes and no makeup final exam. You must start the quiz or final exam before 11:59 PM of the due date deadline to gain access.
2. Quizzes count 30% of your final grade. The lowest grade of all the quizzes will be dropped.
3. The Final Exam counts 20% of your final grade. The scope includes the comprehensive review of project management as presented in the lectures, as well as topics included in the weekly Zoom sessions.

TECHNOLOGY REQUIREMENTS

Browser support

D2L is committed to performing key application testing when new browser versions are released. New and updated functionality is also tested against the latest version of supported browsers. However, due to the frequency of some browser releases, D2L cannot guarantee that each browser version will perform as expected. If you encounter any issues with any of the browser versions listed in the tables below, contact D2L Support, who will determine the best course of action for resolution. Reported issues are prioritized by supported browsers and then maintenance browsers.

Supported browsers are the latest or most recent browser versions that are tested against new versions of D2L products. Customers can report problems and receive support for issues. For an optimal experience, D2L recommends using supported browsers with D2L products.

Maintenance browsers are older browser versions that are not tested extensively against new versions of D2L products. Customers can still report problems and receive support for critical issues; however, D2L does not guarantee all issues will be addressed. A maintenance browser becomes officially unsupported after one year.

Note the following:

- Ensure that your browser has JavaScript and Cookies enabled.
- For desktop systems, you must have Adobe Flash Player 10.1 or greater.
- The Brightspace Support features are now optimized for production environments when using the Google Chrome browser, Apple Safari browser, Microsoft Edge browser, Microsoft Internet Explorer browser, and Mozilla Firefox browsers.

Desktop Support

Browser	Supported Browser Version(s)	Maintenance Browser Version(s)
Microsoft® Edge	Latest	N/A
Microsoft® Internet Explorer®	N/A	11
