

# Counseling 540: Diagnosis and Treatment Planning Summer II Tuesday and Thursdays 5:00 to 9:30pm Face-to-Face @CHEC

AI use policy as of May 25, 2023

Texas A&M University-Commerce acknowledges that there are legitimate uses of Artificial Intelligence, ChatBots, or other software that has the capacity to generate text, or suggest replacements for text beyond individual words, as determined by the instructor of the course.

Any use of such software must be documented. Any undocumented use of such software constitutes an instance of academic dishonesty (plagiarism).

Individual instructors may disallow entirely the use of such software for individual assignments or for the entire course. Students should be aware of such requirements and follow their instructors 'guidelines. If no instructions are provided the student should assume that the use of such software is disallowed.

In any case, students are fully responsible for the content of any assignment they submit, regardless of whether they used an AI, in any way. This specifically includes cases in which the AI plagiarized another text or misrepresented sources.

## **Optional Texts and/or Materials:**

American Psychological Association. (2020). *Publication manual of the American Psychological Association*. (7<sup>th</sup> ed.). https://doi.org/10.1037/0000165-000

## **Course Description**

540. Diagnosis and Treatment Planning. Three semester hours.

Principles and models of biopsychosocial assessment, case conceptualization, and treatment planning for counseling applications within a managed care framework. DSM diagnosis and differential diagnosis formulations, disorder prevention and intervention, and promotion of optimal mental health within counseling settings are studied.

General Course Information Diagnosis and treatment planning in counseling is intended to provide counseling students with practical training in diagnostic procedures, use of assessment for diagnostic and treatment planning purposes, and exploration of theories and etiology of various DSM disorders. Emphasis of this course is placed on practical applications of DSM diagnosis to treatment planning and counseling interventions.

## **Student Learning Outcomes**

## 2016 CACREP Standards Addressed in COUN 540

Masters Standard	Learning Activity	Assignment	Assessment Rubric	Benchmark
<b>5.C.1.b.</b> theories and models related to clinical mental health counseling	R & S (2016)			≥80% of average rubric scores will either meet (2) or exceed (3) expectation
5.C.1.c. principles, models, and documentation formats of biopsychosocial case conceptualization and treatment planning	Kress et al. (2013) R & S (2016)			≥80% of average rubric scores will either meet (2) or exceed (3) expectation
<b>5.C.1.d.</b> neurobiological and medical foundation	APA (2013)			≥80% of average rubric scores will

and etiology of addiction and co-occurring disorders  5.C.1.e. psychological tests and assessments specific to clinical mental health	R & S (2016) Ch. 17  Polanski &Hinkle (2000)  Schmit &Balkin			either meet (2) or exceed (3) expectation  ≥ 80% of average rubric scores will either meet (2) or exceed (3) expectation
5.C.2.a. roles and settings of clinical mental health counselors	(2014)  Kress, Hoffman, Adamson, & Eriksen (2013)	Examinations	Midterm Exam	≥ 80% of average rubric scores will either meet (2) or exceed (3)
<b>5.C.2.b.</b> etiology, nomenclature, treatment, referral, and prevention of mental and emotional disorders	APA (2013) Schmit & Balkin (2014)			expectation ≥ 80% of average rubric scores will either meet (2) or exceed (3) expectation
5.C.2.c. mental health service delivery modalities within the continuum of care, such as inpatient, outpatient, partial treatment and aftercare, and the mental health counseling services network	Kress, Bario Minton, Adamson, Paylo, & Pope (2014)			≥80% of average rubric scores will either meet (2) or exceed (3) expectation
5.C.2.d. diagnostic process, including differential diagnosis and the use of current diagnostic classification systems, including the Diagnostic and Statistical Manual of Mental Disorders (DSM) and the International Classification of Diseases (ICD)	Alarcón (2014) APA (2013)			≥80% of average rubric scores will either meet (2) or exceed (3) expectation

<b>5.C.2.e.</b> potential for substance use disorders to mimic and/or cooccur with a variety of neurological, medical, and psychological disorders	R & S (2016) Ch. 17	Examinations	Final Exam	≥ 80% of average rubric scores will either meet (2) or exceed (3) expectation
<b>5.C.2.f.</b> impact of crisis and trauma on individuals with mental health diagnoses	R & S (2016) Ch. 8			≥80% of average rubric scores will either meet (2) or exceed (3) expectation
5.C.2.g. impact of biological and neurological mechanisms on mental health	APA (2013)			≥80% of average rubric scores will either meet (2) or exceed (3) expectation

## Content Areas include, but are not limited to, the following:

## • Assessment

- o Biopsychosocial assessment
  - Biological, neurological, and physiological factors that affect human development, functioning, and behavior
- o Intake interview
- o Cultural formulation interview
- Interpreting assessment results
- Psychological tests
- Mental status examination

## Diagnosis

- Diagnostic process
- o Differential diagnosis
- Etiology
- o Diagnostic and Statistical Manual of Mental Disorders (DSM)
- o International Classification of Diseases (ICD)

# • Case Conceptualization

- Counseling theories
- Cultural factors

# • Treatment Planning

- Use of assessment and diagnosis to formulate treatment goals
- Use of counseling theory to formulate treatment goals
- o Constructing evidence-based treatment plans

# **COURSE REQUIREMENTS**

#### **Minimal Technical Skills Needed**

In this class, you will utilize the Learning Management System (LMS) entitled To complete assignments, you will need to utilize other technologies such as Microsoft Word, PowerPoint, etc. If you have issues with this system, it is your responsibility to contact the help desk immediately.

# INSTRUCTIONAL METHODS

## **Student Responsibilities and Tips for Success in the Course**

As a student in this course, you are responsible for being active in your learning process. Expectations of this course include the following:

- 1. You are expected to always display professionalism. Be respectful of your professor and peers. Be open to feedback, as you will receive this throughout the program.
- 2. Complete all assignments by the deadline.
- 3. Adhere to the university's Student Code of Conduct.
- 4. All writing assignments must be done according to APA 7<sup>th</sup> edition.
- 5. Regularly check your Universityemail..
- 6. Begin your readings ASAP. Sometimes it maytake more than one attempt to digest the material.
- 7. Deadlines are the last possible moment something is due—not the first moment to start. Work ahead. I realize this may not always be possible; however, when you can, do so.
- 8. Be open to the process. This degree takes time, work, effort, and growth.

## COURSE ASSIGNMENTS/ASSESSMENTS

1. Class Participation and Attendance – Diagnostic Teams (20%). Consultation and collaboration with other mental health providers is an integral part of accurate diagnosis, particularly in clinical mental health settings such as community agencies, hospitals, crisis centers, and private practices. As part of your attendance and participation requirement for this course, you will become part of a diagnostic team this semester. Each week, you and your team will receive a case vignette representative of one or more diagnoses covered in the assigned reading. Working collaboratively, you and your teammates will identify and justify the diagnoses for that client vignette. After you have done so, you will elect a team representative to present the case example, provide a diagnosis, and justify your decision to the class.

Beyond participation in diagnostic teams, students are expected to demonstrate consistent attendance. Attendance is defined as being present at the start of class, being in class during class time, and staying until the end of class. Students cannot miss more than 10% of the courses. The policy allows for two (2) absences. Any absence missed after two (2) absences will result in loss of credit for the course.

Students must participate in discussions such that their preparation for class is evident. Active participation and professional courtesy are expected. A general guide for in-class participation follows

1 – Does Not Meet	2 – Meets Expectation	3 – Exceeds
Expectation		Expectations
Passive participation:	Reactive participation:	Proactive participation:
present, awake, alert,	supportive, follow-up	leading, originating,
attentive, but not actively	contributions that are	informing, challenging
involved or invested; Or	relevant and of value, but	contributions that reflect
Uninvolved: absent,	rely on the leadership and	in-depth study, thought,
present but not attentive,	study of others, or reflect	and analysis of the topic
sleeping, texting/surfing,	opinion/personal	under consideration. This
irrelevant contributions.	selfdisclosure rather than	does not mean dominating
Absence or lateness on one	study, contemplation,	discussion or
or more of the 10-hour	synthesis, and evaluation.	selfdisclosure
small group experience.	Full attendance in the 10-	inappropriate to the
More than two	hour small group	circumstances. Full
absences/pattern of lateness	experience.	attendance in the 10-hour
evident	Two or less absences/no	small group experience.
	evident pattern of lateness	No more than one
		absence/no evident
		pattern of lateness

2. Build-a-Client Case Vignette and Treatment Plan (25%). You will create a client case vignette exploring the impact of a particular DSM-5 diagnosis on a fictional client's functioning. Your build-a-client vignette

should be written with sufficient detail such that it clearly illustrates the diagnostic criteria associated with the disorder you have chosen. You must provide a clinical justification using the DSM-5 criteria associated with the diagnose(s) you have assigned.

After you have chosen a particular diagnosis and built a client vignette which clearly illustrates the associated symptoms, you will build an evidence-based treatment plan that delineates strategies for working with that particular disorder. You should use your Reichenberg and Seligman (2016) text and a minimum of five (5) other peer-reviewed sources (e.g., textbooks, journal articles, ACA practice briefs, etc.) to build an evidence-based treatment plan for your fictional client.

Your Build-a-Client Case Vignettes and Treatment Plan should include, at a minimum, a:

- Detailed description of the client's demographics (i.e., age, gender, ethnicity, socioeconomic background, occupation and/or educational level, marital status and/or familial context)
- Description of the client's problem(s) and emotional, behavioral, and cognitive symptoms
- Diagnostic impression, including justification using DSM-5 criteria
- Identification of the client's strengths and resources (e.g., interpersonal or tangible resources such as a supportive family or comprehensive mental health coverage via insurance) The syllabus/schedule are subject to change.
- Evidence-based goals, objectives, and interventions for treatment supported by peer-reviewed academic resources
- One real community resource or referral within the DFW area that could support the client (or their family) throughout the treatment process
- **3. Peer Biopsychosocial History and Treatment Plan (25%).** Students will demonstrate an understanding of biopsychosocial constructs and develop their assessment and clinical writing skills by constructing a biopsychosocial history and treatment plan regarding a wellness issue for a classmate. Specific guidance for this assignment will be given in class and supporting documents will be uploaded to D2L as well.

	1 – Does Not Meet Expectation	12 – Meets Expectation	3 – Exceeds Expectations
Biopsychosocial History	representative of graduate level work	vague and incomplete; no empirical evidence provided; not representative of graduate level work	Biopsychosocial was complete; empirical evidence provided; representative of graduate level work
	Treatment Plan was	Treatment Plan was fairly	Treatment Plan was

	incomplete or missing; no evidence of using previous literature to understand	one or two key points; evidence of using	complete with no missing information; evidence of using previous literature
(10 points)	theoretical orientation; not representative of graduate level work. Substantial APA errors (>	understand theoretical	to understand theoretical orientation; representative of graduate level work.
APA 7 <sup>th</sup> Edition Style and Formatting (5 points)	6 errors). Does not adhere to APA style; Poor grammar and sentence structure. Paper is	Some APA errors (3-4 errors). Mostly adhere to APA style; sufficient grammar and sentence structure; paper is fairly organized; Use of intext citations and references. Representative of	Little to no errors (1-2 errors). Completely adhere to APA style; sufficient grammar and sentence structure; paper is well-organized; Use of in-text citations and references. Representative of graduate level work.

4. **Examination.** Your exam will consist of information reviewed in the Reichenberg and Seligman (2016) text as well as the DSM-5. In addition to multiple choice and/or true- false questions, you will be given case vignettes describing people with one or more diagnoses. You will be required to arrive at a correct diagnosis for each vignette and The syllabus/schedule are subject to change provide a justification that supports the diagnose(s) you have chosen. The exam will be take-home (available online via D2L) and open-book, to simulate real-life diagnostic procedures

# **GRADING SCALE**

Final grades in this course will be based on the following scale:

A = 90%-100% B = 80%-89% C = 70%-79%

D = 60%-69%

Assignment	Percentage
Diagnostic Teams (Participation)	20 %
Build-a-Client Vignette	25%
Biopsychosocial History/Tx Plan	25%
Final Exam	30 %

## COMMUNICATION AND SUPPORT

Communication with your professor is key to your professional growth. I am here to support and guide you along your academic journey. Please reach out if you have any concerns or questions. I strive to answer all emails within 24 hours, Monday-Friday. When emailing, please use your/my university email. Also, I will be more than happy to meet with you if needed. Please reach out to me so we can set up a convenient time to meet via Zoom.

# **TECHNOLOGY REQUIREMENTS**

#### **LMS**

All course sections offered by Texas A&M University-Commerce have a corresponding course shell in the myLeo Online Learning Management System (LMS). Below are technical requirements

## LMS Requirements:

https://community.brightspace.com/s/article/Brightspace-Platform-Requirements

## LMS Browser Support:

https://documentation.brightspace.com/EN/brightspace/requirements/all/browser support.htm

## YouSeeU Virtual Classroom Requirements:

https://support.youseeu.com/hc/en-us/articles/115007031107-Basic-System-Requirements

## ACCESS AND NAVIGATION

You will need your campus-wide ID (CWID) and password to log into the course. If you do not know your CWID or have forgotten your password, contact the Center for IT Excellence (CITE) at 903.468.6000 or <a href="https://hep-password.com/hep-password">hep-password.com/hep-passwo

**Note:** Personal computer and internet connection problems do not excuse the requirement to complete all course work in a timely and satisfactory manner. Each student needs to have a backup method to deal with these inevitable problems. These methods might include the availability of a backup PC at home or work, the temporary use of a computer at a friend's home, the local library, office service companies, Starbucks, a TAMUC campus open computer lab, etc.

# **Technical Support**

If you are having technical difficulty with any part of Brightspace, please contact Brightspace Technical Support at 1-877-325-7778. Other support options can be found here: <a href="https://community.brightspace.com/support/s/contactsupport">https://community.brightspace.com/support/s/contactsupport</a>

# **System Maintenance**

Please note that on the 4th Sunday of each month there will be System Maintenance which means the system will not be available 12 pm-6 am CST.

## COURSE AND UNIVERSITY PROCEDURES/POLICIES

*University-Specific Procedures* 

# **Academic Integrity**

Students at Texas A&M University-Commerce are expected to maintain high standards of integrity and honesty in all of their scholastic work. For more details and the definition of academic dishonesty, <u>click here</u>.

**Graduate Student Academic Dishonesty Form** 

## **Student Conduct**

All students enrolled at the University shall follow the tenets of common decency and acceptable behavior conducive to a positive learning environment. The Code of Student Conduct is described in detail in the Student Guidebook.

Students should also consult the Rules of Netiquette for more information regarding how to interact with students in an online forum: https://www.britannica.com/topic/netiquette

## **TAMUC Attendance**

Students are expected to have completed assigned readings prior to the class period in which they will be discussed. You are also strongly encouraged to ask questions at any point during the class, as discussion generally allows students to learn better (and tends to make the class a lot more fun, too).

## **Students with Disabilities - ADA Statement**

The Americans with Disabilities Act (ADA) is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation requires that all students with disabilities be guaranteed a learning environment that provides for reasonable accommodation of their disabilities. If you have a disability requiring an accommodation, please contact:

## Office of Student Disability Resources and Services

Texas A&M University-Commerce Velma K. Waters Library Rm 162 Phone (903) 886-5150 or (903) 886-5835

Fax (903) 468-8148

Email: studentdisabilityservices@tamuc.edu

Website: Office of Student Disability Resources and Services

http://www.tamuc.edu/campusLife/campusServices/studentDisabilityResourcesAndServices/

The syllabus/schedule are subject to change.

# **Student Counseling Services**

The Counseling Center at A&M-Commerce, located in the Halladay Building, Room 203, offers counseling services, educational programming, and connection to community resources for students. Students have 24/7 access to the Counseling Center's crisis assessment services by calling 903-886-5145. For more information regarding Counseling Center events and confidential services, please visit <a href="www.tamuc.edu/counsel">www.tamuc.edu/counsel</a>

## **Nondiscrimination Notice**

Texas A&M University-Commerce will comply in the classroom, and in online courses, with all federal and state laws prohibiting discrimination and related retaliation on the basis of race, color, religion, sex, national origin, disability, age, genetic information or veteran status. Further, an environment free from discrimination on the basis of sexual orientation, gender identity, or gender expression will be maintained.

## **Campus Concealed Carry Statement**

Texas Senate Bill - 11 (Government Code 411.2031, et al.) authorizes the carrying of a concealed handgun in Texas A&M University-Commerce buildings only by persons who have been issued and are in possession of a Texas License to Carry a Handgun. Qualified law enforcement officers or those who are otherwise authorized to carry a concealed handgun in the State of Texas are also permitted to do so. Pursuant to Penal Code (PC) 46.035 and A&M-Commerce Rule 34.06.02.R1, license holders may not carry a concealed handgun in restricted locations.

For a list of locations, please refer to the <u>Carrying Concealed Handguns On Campus</u> document and/or consult your event organizer.

## Web url:

http://www.tamuc.edu/aboutUs/policiesProceduresStandardsStatements/rulesProcedures/34Safet yOfEmployeesAndStudents/34.06.02.R1.pdf

Pursuant to PC 46.035, the open carrying of handguns is prohibited on all A&M-Commerce campuses. Report violations to the University Police Department at 903-886-5868 or 9-1-1
