# COURSE REQUIREMENTS

## Minimal Technical Skills Needed

Using the learning management system, using Microsoft Word and PowerPoint, using presentation and graphics programs, etc.

## Instructional Methods

Course material will be delivered in person thus attendance is paramount. Knowledge and skills will be assessed using a variety of methods including tests, quizzes, worksheets, and other activities, among others. See the grade distribution breakdown below and the schedule for further clarification. All assignments and exams will be listed in D2L. Additional information about exams and assignments will be provided prior to the upload of those assignments. Participation and “attendance” will be assessed based on review of course materials at the end of each module.

## Student Responsibilities and Tips for Success in the Course

In order to be successful in the course, students will need to ensure that they **actively** participate in the course, including any online activities or discussions; thus attendance and completion of assignments is paramount. A good rule of thumb is that students should spend approximately 2-3 hours outside of class on the course material for every hour of face-to-face meeting time. If you have any questions at all regarding the course structure, material, or anything else related to the course, feel free to post the question on the discussion forum on D2L or email the instructor. I can't help you if you don't ask for help!

## GRADING

Final grades in this course will be based on the following scale:

A = 90%-100% (900 – 1000 points)

B = 80%-89% (800 – 899 points)

C = 70%-79% (700 – 799 points)

D = 60%-69% (600 – 699 points)

F= 59% or Below (< 600 points)

Assignment	Point Value	Due Date
Exam 1	100	Completion of lecture material
Exam 2	100	Completion of lecture material
Exam 3	100	Completion of lecture material

*The syllabus/schedule are subject to change.*

Exam 4	100	Completion of lecture material
Exam 5	100	Completion of lecture material
Exam 6	100	Completion of lecture material
Final Exam	100	12/10-16/2022
Final Project	150	12/10-16/2022
Assignments (10 @ 10 pts each)	100	Throughout semester
Participation	50	Throughout semester
Total	1000	

### **Assessments**

You will be graded on a combination of exams, assignments, participation, and a final presentation.

**Exams:** Exam dates and topics are listed on the schedule at the end of syllabus as well as on D2L. The final exam will be cumulative. The final exam will be offered during the university-designated timeframe for final exams week (5/9-13/2022).

**Assignments:** Students will be given 10 assignments throughout the semester worth 10 points each. These assignments may be worksheets, quizzes, case studies, etc. and will be announced in lecture and on D2L.

## **TECHNOLOGY REQUIREMENTS**

### **LMS**

All course sections offered by Texas A&M University-Commerce have a corresponding course shell in the myLeo Online Learning Management System (LMS). Below are technical requirements

LMS Browser Support:

[https://documentation.brightspace.com/EN/brightspace/requirements/all/browser\\_support.htm](https://documentation.brightspace.com/EN/brightspace/requirements/all/browser_support.htm)

### **Other Technology Requirements**

You **MUST** have access to the Microsoft Office Suite (Word, Powerpoint, etc.) for this class. If you do not currently have these programs, you can receive them for free through

*The syllabus/schedule are subject to change.*

the university by contacting CITE (see below). Assignments and your final project MUST be uploaded

## **ACCESS AND NAVIGATION**

You will need your campus-wide ID (CWID) and password to log into the course. If you do not know your CWID or have forgotten your password, contact the Center for IT Excellence (CITE) at 903.468.6000 or [helpdesk@tamuc.edu](mailto:helpdesk@tamuc.edu).

**Note:** Personal computer and internet connection problems do not excuse the requirement to complete all course work in a timely and satisfactory manner. Each student needs to have a backup method to deal with these inevitable problems. These methods might include the availability of a backup PC at home or work, the temporary use of a computer at a friend's home, the local library, office service companies, Starbucks, a TAMUC campus open computer lab, etc.

## **COMMUNICATION AND SUPPORT**

If you have any questions or are having difficulties with the course material, please contact your Instructor.

### **Technical Support**

If you are having technical difficulty with any part of Brightspace, please contact Brightspace Technical Support at 1-877-325-7778. Other support options can be found here:

<https://community.brightspace.com/support/s/contactsupport>

### **Interaction with Instructor Statement**

I will always do my best to respond to a student's email within 48 business hours (this does not include weekends or holidays). If I fail to respond to an email within this time, please feel free to send a follow-up email! With regards to grading, every effort will be made to grade assignments and exams within one week of due date, though circumstances may dictate that it takes slightly longer.

## **COURSE AND UNIVERSITY PROCEDURES/POLICIES**

### **Course Specific Procedures/Policies**

Late assignments will be accepted up to one week following the due date with a 10% loss of points per day late, including weekends. All assignments, unless otherwise noted, must be submitted through D2L – hard copies will not be accepted. Exams will only be rescheduled for **university-approved absences** and may not be the same as the exam given during the regularly-scheduled exam time.

*The syllabus/schedule are subject to change.*

## **Syllabus Change Policy**

The syllabus is a guide. Circumstances and events, such as student progress, may make it necessary for the instructor to modify the syllabus during the semester. Any changes made to the syllabus will be announced in advance.

## **University Specific Procedures**

### **Student Conduct**

All students enrolled at the University shall follow the tenets of common decency and acceptable behavior conducive to a positive learning environment. The Code of Student Conduct is described in detail in the [Student Guidebook](#).

<http://www.tamuc.edu/Admissions/oneStopShop/undergraduateAdmissions/studentGuidebook.aspx>

Students should also consult the Rules of Netiquette for more information regarding how to interact with students in an online forum: <https://www.britannica.com/topic/netiquette>

A&M-Commerce requires the use of face-coverings in all instructional and research classrooms/laboratories. Exceptions may be made by faculty where warranted. Faculty have management over their classrooms. Students not using face-coverings can be required to leave class. Repetitive refusal to comply can be reported to the Office of Students' Rights and Responsibilities as a violation of the student Code of Conduct.

Students should not attend class when ill or after exposure to anyone with a communicable illness. Communicate such instances directly with your instructor. Faculty will work to support the student getting access to missed content or completing missed assignments.

### **TAMUC Attendance**

For more information about the attendance policy please visit the [Attendance](#) webpage and [Procedure 13.99.99.R0.01](#).
