Attendance and participation are vital to the success of your learning experience. The roll will be taken during the first 5-10 minutes of the class. If you are not in class when the roll is taken you will be marked as absent. Students who leave early without advance notice to the instructor and sleeping during the class session will be marked as absent.

Please note you will not be allowed to make up missed work or exams (arrangements must be made with me **prior** to the due date of the assignment or day of the exam).

It is the student's responsibility to find out from their classmates what materials were covered, distributed, or assigned during any missed classes.

Online students are expected to join the live sessions. If that is not possible, they are expected to watch the recordings.***
