Please do not be late for class for tardiness will count as an absence. **You will receive participation credit for being engaged during the full class period. Students that are tardy or incur more than one unexcused absence will result in point deduction.** Course Attendance and Participation will be measured by both the students' physical class attendance as well as completion of in-class activities, completed and turned in within the span of your class time, and participation in any class discussions. If you know you will be absent from class, please notify the instructor via email prior to the missed class if possible. Course absences cannot be excused without documentation, please see the attendance and late work policies for more information. Some classes may also request an **b** to be submitted at the end of the course, which will also factor into students' participation points.

COMMUNICATION AND SUPPORT

Interaction with Instructor Statement

It is a course expectation that you check your LeoMail email address daily, this is the prescribed communication method by the University. There may be times that I need to contact you with important information and email is often the fastest method to do so. You can expect a response to your email within one business day of its receipt- even if it is just acknowledgement that I received it.

All students are encouraged to contact the instructor for all reasons whatsoever if they believe an event or concern will impact their performance in the course. The more I am kept in the loop with you and your environment, the better I can assist you when needed. Beyond face-to-face classroom interactions, the best way to get in touch with me is via email and/or office hours.

COURSE AND UNIVERSITY PROCEDURES/POLICIES

Attendance

Roll is taken each class day and students are expected to attend all scheduled class periods. Each section of the course is scheduled for 16 weeks of twice weekly meetings of 50 minutes each. Students should make arrangements to be in class on time and to stay until the class is dismissed.

Attendance is part of your grade.

Excused absences: For students with excused absences, which include participation in a University sponsored event, illness accompanied by a doctor's note, death in the student's immediate family, a verifiable court appearance or any other similar circumstance in the view of the instructor, written documentation must be turned in to the instructor immediately upon return to class. If it is not given upon return to class, you will be counted unexcused. Students will be allotted two unexcused absences during the semester. Points will also be deducted from the daily participation grade for each tardy, at the instructor's discretion.

Late Work

All activities must be submitted by the dates listed in the course outline/calendar or as announced in class. Late assignments and activities will not be accepted unless in extreme emergencies. If you are absent for any reason (excused or unexcused) on a day that a written assignment is due, you must discuss with the instructor ways to submit prior to the assignment deadline, if possible. All assignments are due within the first 10 minutes of the scheduled class day, unless otherwise announced.

Assignment Submission

All assignments must be submitted in hard copy to the instructor or via D2L, unless otherwise stated. While you are welcome to email me any questions that you may have, please understand that under normal circumstances, I cannot accept emailed student work at this time. If you do not own a printer, Waters Library offers printing services for a small fee – please plan accordingly.

Essay Formatting, Presentation Guidelines & Spelling / Grammar

We will use MLA formatting for all papers in this course. For detailed information regarding what MLA is, there are numerous resources online or in the library. There is also an on-campus resources called the Writing Center you can visit for assistance. General paper guidelines are:

- typed, doubled spaced, 1" margins, and 12-point font.

Professionals throughout your lifetime will critique you on spelling and grammar so use this class as an opportunity to begin practicing these skills. Sentence structure, spelling and grammar will be examined when determining a grade for any written assignment in this class.

Classroom Etiquette

This course meets face-to-face each week. We should aim to be respectful at all times during our class time. Cell phones and all other electronic devices must be turned off and out of sight when we are in class- if you have an emergency situation where you need to have your phone on please let me know at the start of the class or via email prior to class time. I also ask that you are conscious of those around you. If you are not feeling well do not come to class. Per the university's return plan, we are resuming a pre-pandemic schedule of classes at full capacity. Classrooms will not be set up to allow for physical distancing. Masks are not required but they are encouraged, especially in public indoor settings where individuals are in close proximity to each other. Please do your part to keep yourself and others safe.
