COURSE REQUIREMENTS

Course Communication

All students must use their My Leo accounts when corresponding with professors. Please include the course number “**ACCT 322**” in the subject line of the email message. Email will be checked during business hours. If you do not hear from me during the specified time, assume I did not receive your email and contact me again.

The professor is NOT responsible for any technical difficulties experienced during the course. You should check D2L regularly for announcements and other information.

Classroom Policies

1. The class will be conducted online through MyLeo, utilizing the D2L learning management system. You are expected to have the software and hardware necessary to complete the course. If you haven't previously taken an online course at the University, review the technology requirements for using D2L below. Contact

me for additional assistance as needed. Computer problems will not be considered a valid excuse for not submitting your work on time.

2. Reading the material is required. Repetition is how this material is learned. Assignments will enforce repetition, assisting in absorbing the material. While many issues in the readings will be covered in class lectures, not all areas covered in the readings will be part of the class presentation.
3. Fair and ethical behavior: Please refrain from requesting special exceptions or that rules be “bent” for your situation. Course grades will reflect only the points earned during the semester, and all students will be treated and graded equally.

Student Responsibilities

Student success is most effective when you take responsibility for your own learning. What you get out of this course depends on your commitment to mastering the material and completing assignments and readings on time. My role as a teacher is to facilitate your learning process. Each student is required to:

1. Read assigned material on schedule
2. Prepare diligently for class assignments and examinations
3. Accomplish all assignments on time
4. Respect the learning environment by being prepared

GRADING

Course Requirements	Points
Homework	120
Quizzes	60
Cash Flow Statement	80
Exams	<u>300</u>
Total	560

Grading scale: A = 90%-100%, B = 80%-89%, C = 70%-79%, D = 60%-69%, and F = <60%. Your grade will be based on the activities above and weighted accordingly.

Note: If you score below 70%, you will be asked to make an appointment with the tutor to work on the areas where you are weak. This is to ensure your success in Intermediate Accounting.

Cheating will not be tolerated. Anyone caught cheating will receive a zero on that test or assignment and will be subject to academic sanction.

ASSESSMENTS

Accounting is a very challenging topic and requires a lot of practice. The weekly assignments due on the schedule below are key parts of this course and critical to your success. These assignments are to be completed in D2L and WileyPlus.

Homework

Read and outline the chapter before attempting homework. Homework assignments are worth 10 points each. The purpose of the graded homework is to practice concepts at a higher level of difficulty. Assignments are due in **WileyPlus** by **9:00pm** on **Sunday** of that week. They have no time limit and two attempts.

Quizzes

The purpose of chapter quizzes is to give you feedback as to how much material you retained and mastered in preparation for the exams. Quizzes are worth 5 points each due in **WileyPlus** every **Sunday** midnight with a duration of 30 minutes and one attempt.

Exams

This course requires two midterm exams and a final exam, 100 points each. Refer to the Course Calendar for a detailed breakdown of exam dates.

Make-up exams will be considered only under extenuating circumstances. Extenuating circumstances include hospitalization, medical emergency, physical injury, or death of an immediate family member. Proof of the extenuating circumstance is required for make-up exam approval. Make-up exams will be scheduled within three days of approval.

Academic Dishonesty Policy Form

All students must follow and conform to the University policy on Academic Dishonesty. A copy of this will be available in the D2L course contents. All students are required to sign and return the form to the instructor. Failure to submit a signed Academic Dishonesty Policy form will result in a **50-point decrease** in the course grade.

CPA Exam Candidates - State of Texas

Candidates who desire to sit for the CPA in Texas must meet the following educational criteria: 1) Have a bachelor's degree; 2) Completed 120 semester hours of courses including no fewer than 24 semester hours of accounting, of which 21 must be upper-level accounting; 3) Completed 2-semester credit hours of approved communication and 2-semester credit hours of approved accounting research. For more information visit Exam/Qualification on the State Board's website: <http://www.tsbpa.state.tx.us/>

TECHNOLOGY REQUIREMENTS

Browser support

D2L is committed to performing key application testing when new browser versions are released. New and updated functionality is also tested against the latest version of supported browsers. However, due to the frequency of some browser releases, D2L cannot guarantee that each browser version will perform as expected. If you encounter any issues, contact D2L Support, who will determine the best course of action for resolution.

Note the following:

- Ensure that your browser has JavaScript and Cookies enabled.
- For desktop systems, you must have Adobe Flash Player 10.1 or greater.
- The Brightspace Support features are now optimized for production environments when using the Google Chrome browser, Apple Safari browser, Microsoft Edge browser, Microsoft Internet Explorer browser, and Mozilla Firefox browsers.

ACCESS AND NAVIGATION

You will need your campus-wide ID (CWID) and password to log into the course. If you do not know your CWID or have forgotten your password, contact the Center for IT Excellence (CITE) at 903.468.6000 or helpdesk@tamuc.edu.

Note: Personal computer and internet connection problems do not excuse the requirement to complete all course work in a timely and satisfactory manner. Each student needs to have a backup method to deal with these inevitable problems. These methods might include the availability of a backup PC at home or work, the temporary use of a computer at a friend's home, the local library, office service companies, Starbucks, a TAMUC campus open computer lab, etc.

COURSE AND UNIVERSITY PROCEDURES/POLICIES

Academic Integrity

Integrity is the hallmark of the accounting profession and will be stressed throughout the course. Any type of student breach of ethics, including but not limited to: illegal activity, dishonest conduct, cheating, plagiarism, or collusion, will result in failure of assignment or exam (F) and/or further academic sanction (i.e. failure of course (F), dismissal from class and/or referral to Dean of the College of Business and Technology. All students are required to read, sign and submit the Academic Honesty Policy form via the drop box the first week of class.

Students at Texas A&M University-Commerce are expected to maintain high standards of integrity and honesty in all of their scholastic work. For more details and the definition of academic dishonesty see the following procedures:

AI Use Policy [May 2023]

Texas A&M University-Commerce acknowledges that there are legitimate uses of Artificial Intelligence, ChatBots, or other software that has the capacity to generate text, or suggest replacements for text beyond individual words, as determined by the instructor of the course.

Any use of such software must be documented. Any undocumented use of such software constitutes an instance of academic dishonesty (plagiarism).

Individual instructors may disallow entirely the use of such software for individual assignments or for the entire course. Students should be aware of such requirements and follow their instructors' guidelines. If no instructions are provided, the student should assume that the use of such software is disallowed.

In any case, students are fully responsible for the content of any assignment they submit, regardless of whether they used an AI, in any way. This specifically includes cases in which the AI plagiarized another text or misrepresented sources.
