Interaction with Instructor Statement

COURSE AND UNIVERSITY PROCEDURES/POLICIES

Course Specific Procedures/Policies

- Pre-plan with your instructor if you are going to be absent for exams. Make arrangements with your instructor for the assignment you are going to miss. It is the student's responsibility to contact the instructor if an absence occurs. If prior arrangements are not made, students will not be allowed to make up missed assignments. In the event of a school activity on an exam date, students must pre-plan with the instructor. Arrangements must be made prior to the missed exam. It is the student's responsibility to contact the instructor if an absence occurs. Any absence not pre-planned, or a missed appointment, will result in a zero for the exam.
- Students are expected to come to class prepared to interact with the instructor and other students by respectfully listening, discussing, questioning, and taking notes relating to the topic at hand. Cell phones will not be used for notetaking or quizzes. All students will need a Chromebook, notebook and pens or pencils. Students must use appropriate language in all emails, class discussions, and postings.
- Class attendance and participation is critical for the successful completion of this course.
- Class Conduct: Please turn off or silence and put away all cell phones, headphones, etc. before entering the classroom. No obscene/vulgar language will be permitted in the classroom.
- Academic Honesty: Students are expected to abide by the university guidelines regarding academic integrity and honesty.

AI use policy [Draft 2, May 25, 2023]

Texas A&M University-Commerce acknowledges that there are legitimate uses of Artificial Intelligence, ChatBots, or other software that has the capacity to generate text, or suggest replacements for text beyond individual words, as determined by the instructor of the course.

Any use of such software must be documented. Any undocumented use of such software constitutes an instance of academic dishonesty (plagiarism).

Individual instructors may disallow entirely the use of such software for individual assignments or for the entire course. Students should be aware of such requirements and follow their instructors' guidelines. If no instructions are provided the student should assume that the use of such software is disallowed.

In any case, students are fully responsible for the content of any assignment they submit, regardless of whether they used an AI, in any way. This specifically includes cases in which the AI plagiarized another text or misrepresented sources.
