Be aware that the intent to deceive the reader does not have to be present for plagiarism to occur. For more information, please go to <http://www.plagiarism.org/>. **If you are in any doubt as to whether your work constitutes plagiarism or academic dishonesty, please discuss this with me confidentially.**

### **Nondiscriminatory Statement**

A&M-Commerce will comply in the classroom, and in online courses, with all federal and state laws prohibiting discrimination and related retaliation on the basis of race, color, religion, sex, national origin, disability, age, genetic information or veteran status. ### Course Policies

1. Students are expected to be in class, ready to participate, on time.
2. An "excused absence" is defined as a documented university approved activity. The instructor reserves the right to change the content or format of all make-up work. The student is responsible for making up missed work.
  - a. If the absence is for one of the reasons listed below, you will be able to make up the work. To reserve this right, you **MUST** provide written documentation on the day of your return to class (a copy that I can keep). Please notify me ahead of time if you know you will be absent.
    - i. Participation in an activity appearing on the University's authorized activity list.
    - ii. Death or major illness in a student's immediate family.
    - iii. Illness of a dependent family member
    - iv. Participation in legal proceedings or administrative procedures that require a student's presence.
    - v. Religious Holy Day
    - vi. Illness that is too severe or contagious for the student to attend class (to be determined by Health Center or off campus physician)
    - vii. Required participation in military duty
3. Any student missing an exam or assignment without prior arrangement will receive a score of zero.
4. You **MUST** check your e-mail regularly in case I need to communicate with you. I will not e-mail you junk, and I request that you do the same for me. (your leo account)
5. While you are in class, I expect you to participate. Do not come to class and expect to sit to the side. Workouts are designed so that everyone can participate. You must be on time. When you are late, it disrupts the flow of the class. While in class, you must refrain from anything that is not class-related. **CELL PHONES AND ALL OTHER ELECTRONIC DEVICES MUST BE TURNED OFF AND OUT OF SIGHT.** This is a zero-tolerance policy. (Thanks!) . If you use a cell phone, iPod, etc. in class (or if your phone rings), you will lose 1 point per incident (off your final grade). Turn it off!
6. **DUE DATES:** The due dates listed for assignments are the **LAST** chance to submit them. I **DO NOT** accept late assignments.
7. If you have a question or concerns, **TALK** to me. I am here to help. If you need to reach me and I am not in my office, e-mail me.

### Browser support

D2L is committed to performing key application testing when new browser versions are released. New and updated functionality is also tested against the latest version of supported browsers. However, due to the frequency of some browser releases, D2L cannot guarantee that each browser version will perform as expected. If you encounter any issues with any of the browser versions listed in the tables below, contact D2L Support, who will determine the best course of action for resolution. Reported issues are prioritized by supported browsers and then maintenance browsers.

Supported browsers are the latest or most recent browser versions that are tested against new versions of D2L products. Customers can report problems and receive support for issues. For an optimal experience, D2L recommends using supported browsers with D2L products.

Maintenance browsers are older browser versions that are not tested extensively against new versions of D2L products. Customers can still report problems and receive support for critical issues; however, D2L does not guarantee all issues will be addressed. A maintenance browser becomes officially unsupported after one year.
