Purpose

The purpose of percussion ensemble is to provide percussion students an opportunity to perform in professional level ensembles focusing on various styles of music and types of ensemble settings. Repertoire will consist of popular, historical, world, contemporary, and traditional musical styles. Students will also participate in ensembles ranging in size from 3 to 12+ players in a group.

World music will be a primary focus in the Steel Drum Band and occasionally in the contemporary percussion ensemble. Members of the steel band will also be responsible for improvisation solos over basic chord progressions in various styles.

All ensembles have a goal of “*Preparing Students for an Interconnected World*”.

Student Learning Objectives

Upon completion of this course, the students will:

- 1) Exhibit accurate individual, sectional and ensemble intonation and rhythm along with fundamental and advanced instrumental techniques while performing a varied repertoire of music within the ensemble;
- 2) Perform expressively a varied repertoire of music representing styles and diverse cultures within the ensemble;

- 3) Utilize standard musical terminology to describe intervals, music notation, chord structure, rhythm/meter, harmonic texture, form, and music symbols and terms referring to dynamics, tempo, and articulation;
- 4) Utilize problem-solving skills to identify and correct problems with pitch, rhythm/meter, articulation, phrasing, and dynamics within a rehearsal setting.
- 5) Be able to view themselves as engaged citizens within an interconnected and diverse world.

As measured by:

Performances, sectional exams, and performance recording critiques

Rehearsals

Students will have opportunities to perform in ensembles of varying sizes, instrumentations and personnel. Rehearsals will give students the opportunity to listen for ensemble balance, articulation, timing and other general ensemble considerations. Students are expected to have their music prepared prior to rehearsal. Please check the bulletin board by room 128 for the rehearsal schedule.

Additional rehearsals and dress rehearsals may be scheduled, depending on the upcoming performance. Advanced notice will be given via the bulletin board and/or announcements at rehearsals.

Sectionals

Sectionals might be scheduled outside of the regular rehearsal times or during regular class times. If they are scheduled outside of class, advance notice and confirmation will be required of the instructor and students. Student-run sectionals can be scheduled at any time and are encouraged for individuals needing additional ensemble assistance.
