Course Description

This course examines the strategic use of search engine optimization in marketing in order to build profitable customer relationships. Topics in the course will include consumer search behavior, search engines and algorithms, website user-experience, on- and off-page SEO, and strategies for conducting SEO campaigns for traditional and niche search engines. The course is designed to teach the fundamentals of SEO as well as provide practice with analysis and skills associated with doing SEO for a business or organization.

Student Learning Outcomes

1. Understand the primary business function of SEO.
2. Perform appropriate analysis in preparation for conducting a successful SEO campaign.
3. Accomplish key tasks associated with SEO for websites and other media
4. Measure and report on SEO outcomes and make adjustments based on performance data.

GRADING

The point distribution for the course is as follows:

Assignments	Total Points	Relating to Outcome
Simternship simulation (9 rounds @ 10 points)	90	1, 2, 3, 4
Assignments (4 each @ 50 points)	200	1, 2, 3, 4
Discussion and reflection (1 each @ 100 points)	100	1, 2, 3, 4
Exam 1 & 2 (2 each @100)	200	1, 2, 3, 4
Total	590	

Note: Details about the assignments, projects and exams will be posted in D2L.

Your final grade is your total points earned divided by the course's total points. The following scale will be used to assign final grades:

SCORE	>=90	80-89.9	70-79.9	60-69.9	<60
GRADE	A	B	C	D	F

Course Specific Procedures/Policies

Individual work

Assume that all work should be completed individually unless specified.

Deadline

Late assignments will be accepted up to 24 hours after the original deadline but will only be awarded 80% of the assignment score.

Under exceptional conditions, a late assignment maybe accepted with the permission from the professor.

However, under no circumstances will an assignment be accepted more than one week late.

Make Up Quiz/Exam

No make up quizzes/Exams except in cases of medical and official school excusals (e.g., a dated note from a medical professional or professor).

Extra credit policy:

NO extra credits will be awarded for individual students. Don't attempt to ask for individual extra credit at the end of semester to raise your grade. It is not fair to other students.

Time Zone:

The default time zone is Central Standard Time (CST) for all assignments, exams, discussions etc.

Email Policy:

When you send me email, be sure to include the course title (MKT575) and section number in the subject line.

Note: If you send an email through the Leo account, the course title and section number will be automatically shown there.

Students are required to check their email at least once a day. The eCollege environment will be used for class related material and document posting so the students are expected and required to have access to that platform.

Academic Honesty Policy

Students are required to sign and return the academic honesty policy document during the first week of the class. Any form of cheating is not allowed or tolerated in this class and will be reported to the college and graduate school.

The cheating includes but is not limited to: copying, lying, copying from another's assignment or test, changing the answers on an exam or assignment for re-grade, assisting another student in doing dishonest behavior.

COURSE REQUIREMENTS

Minimal Technical Skills Needed

The course requires the use of the learning management system (D2L), and the use of Microsoft Word, Excel and PowerPoint to conduct assignments and presentations.

Instructional Methods

The course will use a combination of lecture ppts, videos and online discussions. All course materials are put under doc sharing in D2L.

Student Responsibilities or Tips for Success in the Course

Regularly logging into the course website is required. Students should check their emails frequently to receive notifications and updates of course processes. Although the professor will send reminder emails when an assignment is due, it is your responsibility to meet all deadlines. It is the responsibility of the student to ensure that all notifications and materials sent to the professor are received by the professor. You should plan your time carefully.

TECHNOLOGY REQUIREMENTS

LMS

All course sections offered by Texas A&M University-Commerce have a corresponding course shell in the myLeo Online Learning Management System (LMS). Below are technical requirements

Interaction with Instructor Statement

Email Response:

The preferred method of communication is through emails. I usually respond within 24 hours (generally quicker than that). In weekend, the response time can be 48 hours.

When you send me email, be sure to include the course title (MKT535) and section number in the subject line.

Note: If you send an email through the Leo account, the course title and section number will be automatically shown there.

Assignment Policy

All assignments will be graded within one week, or at least no more than 10 days after the due date. Some students might turn in the assignment earlier than the due date. I usually grade all assignment together unless you make specific requirement.

COURSE AND UNIVERSITY PROCEDURES/POLICIES

Syllabus Change Policy

The syllabus is a guide. Circumstances and events, such as student progress, may make it necessary for the instructor to modify the syllabus during the semester. Any changes made to the syllabus will be announced in advance.
