Course Policies and Instructor Expectations:

Students are required to meet the expectations listed below:

Professional Behavior: It is important that you maintain a professional demeanor at all times, both during live class sessions, online, and via “electronic communication.” East Texas A&M University expects this from you, as do current and future employers. This course will be a good place to practice interacting in a manner appropriate to a professional setting. Participation in class discussion and instructional activities should follow the basic principles of common courtesy and decency. Rude and disruptive behavior, as well as cheating, in any form, will not be tolerated. The use of tobacco products in the classroom, laboratory, Zoom (or other virtual meeting platforms) meetings, and field trip sites is strictly prohibited. Use of intoxicants before class is strictly prohibited and will result in your immediate removal from class. Inappropriate conduct will not be tolerated. Failure to comply with instructor’s guidelines may result in suspension from class for the remainder of the day’s instruction. Repeat offenses may result in additional consequences.

Class Attendance Policy: Attendance is required and roll will be taken each class meeting (for online courses this is accomplished via D2L Discussions). Missing class can affect your grade. Attendance is expected. Three unexcused absences and the student will receive a grade of “F.” Absences will be considered excused if the instructor is 1) notified in advance and is approved PRIOR to class, and 2) the absence is related to a severe illness, participating in a university-sanctioned event, death of an immediate family member, or other absences as approved by the instructor. Students who miss class that is unexcused will NOT be given a makeup grade.

Assignments:

- Submitted assignments must be correctly formatted and free of grammatical and stylistic errors.** Students should have at least some skill with software for word processing, spreadsheets, databases, graphics, presentations, and with web browsers and search engines. Spelling and grammatical errors will detract from your grade!
- Assignments must be turned in on time.** Assignments are due on the date or module listed. Start working on each assignment as soon as you possibly can and make sure that you have all the assignments submitted by the specified due dates. You **MUST** turn in all written assignments **ON TIME**. I will not accept late assignments. There will be no extra credit work available.

The instructor reserves the right to modify this syllabus during the semester, if needed. The instructor also reserves the right to extend credit for alternative assignments, projects, or presentations.

3. **Assignments must be complete.** You must complete and submit all components at the specified due date and time to receive credit for the assignment. Please do not turn in work that is only “half-finished” as this will reflect a grade respective of what was submitted.
4. **Written assignments must be submitted in a format that is compatible with Microsoft Word,** if submitting electronically.

E-mail: Students must routinely check e-mail sent to his or her **East Texas A&M University account**. This is my primary mechanism for communicating outside of class. I check my e-mail several times a day, so this is the best way to reach me. Maggie.Salem@tamuc.edu.

Make-up Exams or Late Assignments: Will only be accepted if you obtain university-approved documentation for your excuse. There are no make-up assignments for poor performance on a previous assignment. No late assignments will be accepted.

Changes to Schedule: While I plan to stick to the class schedule, there might be occasions to modify the schedule. In these cases, all changes will be announced in class and e-mail. It is your responsibility to become aware of any such changes.

AI USE POLICY

East Texas A&M University acknowledges that there are legitimate uses of Artificial Intelligence, ChatBots, or other software that has the capacity to generate text, or suggest replacements for text beyond individual words, as determined by the instructor of the course.

Any use of such software must be documented. Any undocumented use of such software constitutes an instance of academic dishonesty (plagiarism).

Individual instructors may disallow entirely the use of such software for individual assignments or for the entire course. Students should be aware of such requirements and follow their instructors' guidelines. If no instructions are provided the student should assume that the use of such software is disallowed.

In any case, students are fully responsible for the content of any assignment they submit, regardless of whether they used an AI, in any way. This specifically includes cases in which the AI plagiarized another text or misrepresented sources.
