Preferred Form of Communication: **Email**

All emails must **contain “FIN 504 01E” in the subject line to be treated as high priority and be sent from your myLeo accounts. The syllabus is tentative and subject to change as the semester progresses. It is the students’ responsibility to check school emails, and announcements as well as updates on D2L frequently. YOU ARE RESPONSIBLE FOR KEEPING UP IN THIS COURSE.**

I. Course Description

This course examines general business finance within the economic environment. Topics will include financial reporting, analysis, markets and regulations, and global financial and ethical topics. We will also cover the following: corporate financial risk, firm valuation, capital budgeting, working capital management, and other decision rules in the context of the overall goal to maximize the value of the firm. Our overall focus will be on total quality financial management in the corporate environment.

II. Learning Objectives

Upon the successful completion of Financial Management, the students should be able to perform the following tasks:

1. Demonstrate an understanding of the advanced concepts of contemporary financial management and the application of its methods.
2. Demonstrate an ability to analyze and apply asset valuation techniques.
3. Demonstrate an understanding and the ability to measure strategic financial decisions in a risk/return context as it relates to today’s dynamic world.

III. Required Course Materials

1. Contemporary Financial Management, Fourteenth Edition by R. Charles Moyer, James R. McGuigan and William J. Kretlow, South-Western, Cengage Learning. The ISBN is 9781337090582.

2. Financial Calculator: **Texas Instruments BAII Plus Professional** calculator or comparable (not alpha programmable).

* **PowerPoint slides will be oriented toward the TI BAII Plus Professional.**

The syllabus/schedule are subject to change.

V. Recommended Reading

Wall Street Journal

VI. Policies and Procedures

Email Use

The best way to communicate with me outside of class is by email. **Please put your course number “FIN504 01E” in the subject line to be treated as high priority.** You should expect a response to your emails within 24 hours during regular business hours on weekdays. **You have to send emails from your myLeo accounts.**

Attendance

Daily attendance will be taken. Students are allowed to miss classes without penalty only for legitimate and verifiable reasons. You have to contact me before the class meeting time. Any other absences will deduct 1 point of your final grade (See the Grading Section).

Exams

There will be three exams, including two midterm exams and one MANDATORY Final exam.

The lower grade on the two mid-term exams will be dropped. In view of this, there will be no makeup exams or any other provision to make up for a missed mid-term exam. Regardless of the excuse, if you miss two exams you will automatically fail the class.

There will be no makeup exam for the MANDATORY final exam. If you have to miss an exam because of a legitimate and verifiable reason, you must contact me before the exam. Failing to do so or failing to provide documentation of the reason for absence from a medical doctor or TAMU-Commerce official will result in a grade of zero on the exam. Make up exams will not be given online.

Please mark exam dates on your calendar. “Forgetting”, being “out of town” and/or “confused” about the time that an exam must be taken is not an acceptable excuse for missing it.

Case Project

The Case Project (Capital Budgeting Related, Multiple Choice Question Format) will be distributed by April 10, 2024, and will be due through D2L by 11:59 PM, April 24, 2024, CDT. An unexcused late assignment will not be accepted and a zero grade will be assigned.

You will be given opportunities to make corrections to get deducted points back after grading.

D2L Assignments

There will be assignments posted in D2L every week or every other week. They will be multiple choice questions with 3 attempts allowed for each assignment. There will be 8 D2L Assignments in total, and the grade for D2L Assignments will be determined by the average of Best 5 of 8 assignments.

You will receive a notification email when each assignment is posted. You will complete each assignment through D2L by the due date. You will be given sufficient time to complete the assignment. The purpose of the assignments is to help you review the materials learned every week.

There would be no extension to the assignment deadline unless with official documents from a medical doctor or TAMU-Commerce official and such documents need to be provided before assignment answers are released.

Assigned End-of-Chapter Questions & Problems and Other Extra Practice Questions & Problems

There will be end of chapter questions & problems and other questions & problems assigned as homework. **You do not have to submit the solutions. Solutions to these homework problems will be available in D2L.** To enhance learning, you should devote some time to these assignments. Some (but not all) of the problems on the exams will be similar to the problems in these homework assignments.

Grading (Assessments)

No assignment for extra credit will be given to any individual student. For grading purposes, the following weights will be assigned:

Attendance/Participation	10%
Case Project	6%
D2L Assignments	12%
Mid-term Examination I	16%
Mid-term Examination II	16%
Mandatory Final Examination	40%

and letter grades apply as follows:

90 – 100	A
80 - 89.99	B
70 - 79.99	C
60 - 69.99	D
0 - 59.99	F

- **Case Project, D2L Assignments, and Exams are used to assess Course Learning Objectives 1~3.**
- **Case Project is also used to assess COB Student Learning Objective 5, Students will be analytical problem solvers in business environments, for all sections.**

VIII. Other Information

- ◆ You shall start studying early in the course, well before the test/exam, to give yourself a head start in learning the material. When you don't understand course material, ask questions either in class, during office hours or by email. You will not get good grades if you wait until a week or couple of days before the test/exam to start studying.

TECHNOLOGY REQUIREMENTS

Browser support

D2L is committed to performing key application testing when new browser versions are released. New and updated functionality is also tested against the latest version of supported browsers. However, due to the frequency of some browser releases, D2L cannot guarantee that each browser version will perform as expected. If you encounter any issues with any of the browser versions listed in the tables below, contact D2L Support, who will determine the best course of action for resolution. Reported issues are prioritized by supported browsers and then maintenance browsers.

Supported browsers are the latest or most recent browser versions that are tested against new versions of D2L products. Customers can report problems and receive support for issues. For an optimal experience, D2L recommends using supported browsers with D2L products.

Maintenance browsers are older browser versions that are not tested extensively against new versions of D2L products. Customers can still report problems and receive support for critical issues; however, D2L does not guarantee all issues will be addressed. A maintenance browser becomes officially unsupported after one year.

Note the following:

- Ensure that your browser has JavaScript and Cookies enabled.
- For desktop systems, you must have Adobe Flash Player 10.1 or greater.
- The Brightspace Support features are now optimized for production environments when using the Google Chrome browser, Apple Safari browser, Microsoft Edge browser, Microsoft Internet Explorer browser, and Mozilla Firefox browsers.

Important Information about Counseling Center

The Counseling Center at East A&M, located in the Halladay Building, Room 203, offers counseling services, educational programming, and connection to community resources for students. Students have 24/7 access to the Counseling Center's crisis assessment services by calling 903-886-5145. For more information regarding Counseling Center events and confidential services, please visit www.tamuc.edu/counsel.

AI Use Policy

East Texas A&M University acknowledges that there are legitimate uses of Artificial Intelligence, ChatBots, or other software that has the capacity to generate text, or suggest replacements for text beyond individual words, as determined by the instructor of the course.

Any use of such software must be documented. Any undocumented use of such software constitutes an instance of academic dishonesty (plagiarism).

Individual instructors may disallow entirely the use of such software for individual assignments or for the entire course. Students should be aware of such requirements and follow their instructors' guidelines. If no instructions are provided, the student should assume that the use of such software is disallowed.

In any case, students are fully responsible for the content of any assignment they submit, regardless of whether they used an AI, in any way. This specifically includes cases in which the AI plagiarized another text or misrepresented sources.
