METHODS FOR ASSESSING EXPECTED LEARNING OUTCOMES:

COURSE STRUCTURE:

This course is entirely Web-based. I've designed the course and thought carefully about the types of assignments and format that would be best suited to the course goals. **Nevertheless, the quality of the course will depend very much on the preparation and effort expended by all members of the course.** You will find the majority of the information and materials that you will need to complete the course in this syllabus and on the course management website. Be sure to log in and check your university e-mail regularly to see what work you are required to do. We will utilize the "Discussion Board" feature of the course management website. This is the main way in which everyone (regardless of your location, time zone, etc.) can actively participate in this course. You should submit all of your work in a format that is compatible with **Microsoft Word** and post it to course management website.

COURSE SCHEDULE:

A specific course schedule is included at the end of this syllabus.

COURSE ASSIGNMENTS

QUIZZES: The quizzes **will be timed** and can only be accessed once; therefore, once you begin, you may not stop and come back to it later. A missed quiz equals a missed quiz grade *regardless of the reason* unless you contact me immediately. There will be no make-up quizzes except for observance of religious holidays, sanctioned University events or documented serious illnesses. It is your responsibility to make alternate arrangements with me *at least two weeks prior to the actual date of the religious holiday or University event*. There will be no makeup quizzes for any other reason, without a late deduction of 25% off the top of your final score.

ETHICS ASSIGNMENT: You will find the instructions on the course management website. Assignments should be uploaded to the course management website.

FINAL PAPER: Instructions for the final paper can be found on the course management website. Student papers will be submitted to the course management website. Please do not e-mail these papers to me.

****NOTE**** All papers will automatically be submitted to Turnitin.com. Papers that receive higher than 20% on the similarity index will be reviewed for plagiarism. Using your own words and as few quotations as possible will help keep your score below 20%. Also, make sure you give credit to the authors by using the proper citations. For the grading rubric, see Appendix A at the end of the syllabus.

COURSE POLICIES

CLASS ATTENDANCE & PARTICIPATION:

Attendance and participation are critical to gaining the most you possibly can from this course. I suggest that you log onto the D2L site for this course **SEVERAL TIMES** a week. This is one way of "attending" the class. The other way you will be considered attending is to participate in the discussion boards. Although I will not be grading the discussion boards, for those that are 4% points or less from moving up to the next grade level at the end of the semester, if you have actively participated in **ALL** the discussion boards, then I will bump you up (e.g., 76% to an 80%). **Do not ask to be bumped up for any other reason!**

SYLLABUS SUBJECT TO CHANGE STATEMENT:

I anticipate that we will follow the schedule I've outlined in this syllabus, but I may adjust based on what actually happens in class. I may also change the basis for the course grade (if I need to eliminate an assignment or

something of that nature). If I do so, I will so inform you in writing. Remaining in the course after reading this syllabus will signal that you accept the syllabus as written AND the possibility of changes and responsibility for being aware of them.

STATEMENT ON ACADEMIC INTEGRITY:

The College of Business at Texas A&M University-Commerce faculty, staff and students will follow the highest level of ethical and professional behavior. We will strive to be recognized as a community with legal, ethical and moral principles and to teach and practice professionalism in all that we do. In an academic environment we will endeavor to not only teach these values but also to live them in our daily lives and work. Faculty and staff will be held to the same standards and expectations as our students. The Academic Dishonesty Policy of the Management Department is governed by the following university procedures: 13.99.99.R0.03 Undergraduate Academic Dishonesty and 13.99.99.R0.10 Graduate Student Academic Dishonesty. You may read the procedure in its entirety from the University's website. Failure to abide by these principles will result in sanctions up to and including dismissal.

SPECIAL NEEDS/REASONABLE ACCOMODATIONS:

The Americans with Disabilities Act (ADA) is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation requires that all students with disabilities be guaranteed a learning environment that provides for reasonable accommodation of their disabilities. If you have a disability requiring an accommodation, please contact:

TENETS OF COMMON BEHAVIOR STATEMENT:

All students enrolled at the university shall follow the tenets of common decency and acceptable behavior conducive to a positive learning environment (See current Student Handbook).

INSTRUCTOR EXPECTATIONS:

Students are required to meet the expectations listed below.

- **Professional Behavior:** It is important that you maintain a professional demeanor at all times, including during "electronic communication". Texas A&M-Commerce expects this from you, as do current and future employers.
- **Regular and Timely Attendance and Participation:** You are expected to log onto the course management website regularly. The other way you can attend class is to participate in the discussion boards. Although I will not be grading the discussion boards, if you have actively participated in **ALL** the discussion boards, then I will bump you up your grade 4% (see above).
- **Assignments:**
 1. **Submitted assignments must be correctly formatted and free of grammatical and stylistic errors.** Students in this course should have at least some skill with software for word processing, spreadsheets, databases, graphics, and presentations, and with web browsers and search engines. Spelling and grammatical errors will detract from your grade!
 2. **Assignments must be turned in on time.** Assignments are due at the **date** and **time** listed. While the syllabus designates specific dates for which work is assigned, you do not have to wait until the "assigned" date to start working on it. Start working on each assignment as soon as you possibly can and make sure that you have all assignments submitted by the specified due dates. However, you **MUST** turn in all written assignments **ON TIME**. Unexcused late work will receive an automatic **50% penalty** if turned in by the next day, and a **0** if turned in more than one day late. Late work is viewed as very unprofessional in the corporate world: "Sorry Mr./Ms. Vice President, I just did not get the work done in time for our meeting today." That will be the last time your manager gives you the opportunity to "shine" in front of a VP.

3. Assignments must be complete. You must complete and submit all components at the specified due date and time to receive credit for the assignment. Please don't turn in work that is only "half-finished" or you will receive an automatic 0.

4. Please submit assignments in a format that is compatible with Microsoft Word.

- **Back-ups Are Required:** You are required to back up all your assignments so that they can be submitted to me upon my request. If work is lost due to insufficient back-up, you will not have the opportunity to recreate and submit at a later time.
- **E-mail:** Students must routinely check e-mail sent to his or her **Texas A&M-Commerce account**. This is my primary mechanism for communicating to the class. I check my e-mail several times a day, so this is the best way to reach me.
- **Make-up Assignments Will Only Be Accepted If You Obtain University Approved Documentation for Your Excuse:** There are no make-up assignments for poor performance on a previous assignment.

NONDISCRIMINATION NOTICE:

TAMUC will comply in the classroom, and in online courses, with all federal and state laws prohibiting discrimination and related retaliation on the basis of race, color, religion, sex, national origin, disability, age, genetic information or veteran status. Further, an environment free from discrimination on the basis of sexual orientation, gender identity, or gender expression will be maintained.
