### **COURSE FORMAT:**

This course is entirely Web-based. You will find the majority of the information and materials that you will need to complete the course in this syllabus and on the D2L course management website. Be sure to log onto D2L and check your university e-mail regularly to see what work you are required to do. PowerPoint slides will be available for each of the book chapters, under the “Course Materials” tab. We will also utilize the “Discussions” option from the “Activities” dropdown menu on D2L. I will post topics and/or questions to generate discussion among you and your classmates. You are encouraged to respond to your classmates’ questions and comments. Discussion posts are **NOT** required and will **NOT** be graded, but the interaction may help enrich your experience. **ALL** written assignments will be posted on D2L, under the “Course Materials” tab. You should submit all of your work in a format that is compatible with **Microsoft Office** and post it in the appropriate “Assignment Submission Folder” (under “Activities” and then “Assignments”) when it is due. The article quizzes require you to go to two places in D2L. First, you need to go to “Course Materials” to download and read the article and then you need to go to “Quizzes” (under the “Activities” tab) to answer the questions corresponding to the article. The midterm and final exams can be found under the “Activities” tab (then “Quizzes” from the dropdown menu) in D2L.

### **COURSE SCHEDULE:**

A course schedule is included on the sixth page of this syllabus.

### **SYLLABUS SUBJECT TO CHANGE STATEMENT:**

I anticipate that we will follow the schedule I have outlined in this syllabus, but I may make adjustments based on what actually happens in class. I may also change the basis for the course grade (if I need to eliminate an assignment or something of that nature). If I do so, I will so inform you in writing. Remaining in the course after reading this syllabus will signal that you accept the possibility of changes and responsibility for being aware of them.

### **STATEMENT ON ACADEMIC INTEGRITY:**

Academic honesty is the foundation of the university community. Cheating, plagiarism, or other acts of academic dishonesty compromise the integrity of the academic process and community and are subject to disciplinary action. For this class, plagiarism will result in automatic failure (final course grade of F). An academic honesty policy has been posted under the “Course Materials” tab. You should read this document, initial it, and submit it to me via its corresponding “Assignment Submission Folder”.

### **SPECIAL NEEDS/REASONABLE ACCOMODATIONS:**

The Americans with Disabilities Act (ADA) is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation requires that all students with disabilities be guaranteed a learning environment that provides for reasonable accommodation of their disabilities. If you have a disability requiring an accommodation, please contact:

**Office of Student Disability Resources and Services**

### **STUDENT WELLBEING:**

The Counseling Center at A&M-Commerce, located in the Halladay Building, Room 203, offers counseling services, educational programming, and connection to community resources for students. Students have 24/7 access to the Counseling Center's crisis assessment services by calling 903-886-5145. For more information regarding Counseling Center events and confidential services, please visit [www.tamuc.edu/counsel](http://www.tamuc.edu/counsel)

### **NONDISCRIMINATION NOTICE:**

Texas A&M University-Commerce will comply in the classroom, and in online courses, with all federal and state laws prohibiting discrimination and related retaliation on the basis of race, color, religion, sex, national origin, disability, age, genetic information, or veteran status. Further, an environment free from discrimination on the basis of sexual orientation, gender identity, or gender expression will be maintained.

### **OPEN CARRY LEGISLATION:**

Texas Senate Bill - 11 (Government Code 411.2031, et al.) authorizes the carrying of a concealed handgun in Texas A&M University-Commerce buildings only by persons who have been issued and are in possession of a Texas License to Carry a Handgun. Qualified law enforcement officers or those who are otherwise authorized to carry a concealed handgun in the State of Texas are also permitted to do so. Pursuant to Penal Code (PC) 46.035 and A&M-Commerce Rule 34.06.02.R1, license holders may not carry a concealed handgun in restricted locations. For a list of locations, please refer to: (<http://www.tamuc.edu/aboutUs/policiesProceduresStandardsStatements/rulesProcedures/34SafetyOfEmployeesAndStudents/34.06.02.R1.pdf>) and/or consult your event organizer). Pursuant to PC 46.035, the open carrying of handguns is prohibited on all A&M-Commerce campuses. Report violations to the University Police Department at 903-886-5868 (or call 9-1-1).

### **UNIVERSITY'S PANDEMIC RESPONSE**

Texas A&M-Commerce strongly recommends, but does not require, the use of face-coverings in all instructional and research classrooms/laboratories. This response may change as the semester progresses if state and university requirements change. Exceptions may be made by faculty where warranted. Faculty have management over their classrooms. Refusal to comply with state and university mandates can be reported to the Office of Students' Rights and Responsibilities as a violation of the student Code of Conduct.

Students should not attend class when ill or after exposure to anyone with a communicable illness. Communicate such instances directly with your instructor. Faculty will work to support the student getting access to missed content or completing missed assignments.

### **UNIVERISTY'S RESPONSE TO ARTIFICIAL INTELLIGENCE:**

Texas A&M University-Commerce acknowledges that there are legitimate uses of Artificial Intelligence, ChatBots, or other software that has the capacity to generate text, or suggest replacements for text beyond individual words, as determined by the instructor of the course.

Any use of such software must be documented. Any undocumented use of such software constitutes an instance of academic dishonesty (plagiarism).

Individual instructors may disallow entirely the use of such software for individual assignments or for the entire course. Students should be aware of such requirements and follow their instructors' guidelines. If no instructions are provided the student should assume that the use of such software is disallowed.

In any case, students are fully responsible for the content of any assignment they submit, regardless of whether they used an AI, in any way. This specifically includes cases in which the AI plagiarized another text or misrepresented sources.

### **TENETS OF COMMON BEHAVIOR STATEMENT:**

All students enrolled at the university shall follow the tenets of common decency and acceptable behavior conducive to a positive learning environment (see current Student Handbook).

### **UNIVERSITY NONDISCRIMINATION STATEMENT:**

Texas A&M University-Commerce is committed to a safe, accepting environment for all students regardless of sexual orientation, gender identification, or gender expression.

A&M-Commerce will comply in the classroom, and in online courses, with all federal and state laws prohibiting discrimination and related retaliation on the basis of race, color, religion, sex, national origin, disability, age, genetic information or veteran status. Further, an environment free from discrimination on the basis of sexual orientation, gender identity, or gender expression will be maintained.

### **COURSE POLICIES AND INSTRUCTOR EXPECTATIONS:**

Students are required to meet the expectations listed below.

- **Professional Behavior:** It is important that you maintain a professional demeanor at all times, including during “electronic communication”. Texas A&M-Commerce expects this from you, as do current and future employers. Since so much communication in the workplace is “electronic” nowadays, this course will be a good place to practice interacting in a manner appropriate to a professional setting. In particular, take special care when posting and responding to discussion board questions.
- **Regular-Timely Attendance and Participation:** You are expected to attend class and log onto D2L regularly.
- **Assignments:**
  1. **Submitted assignments must be correctly formatted and free of grammatical and stylistic errors.** Students in MGT 585 should have at least some skill with software for word processing, spreadsheets, databases, graphics, and presentations, and with web browsers and search engines. Spelling and grammatical errors will detract from your grade!
  2. **Assignments must be turned in on time.** Assignments are due at the **date** and **time** listed. All work and assignments for the entire course will be available on the first day of class. While the syllabus designates specific dates for which work is assigned, you do not have to wait until the “assigned” date to start working on it. Start working on each assignment as soon as you possibly can and make sure that you have the all assignments submitted by the specified due dates. I have outlined a “suggested” schedule that I think would help you maintain a good pace, but you don’t have to follow it. However, you **MUST** turn in all written assignments **ON TIME**. You will have until **11:59 PM CST** to submit the work that is listed in the far right, “Work Due” column of the course schedule provided on the sixth page of this syllabus.
  3. **Assignments must be complete.** You must complete and submit all components at the specified due date and time to receive credit for the assignment.
  4. **Please submit assignments in a format that is compatible with Microsoft Office.**
- **Back-ups Are Required:** You are required to back up all your assignments. If work is lost due to insufficient back-up, you will not have the opportunity to recreate and submit at a later time.
- **E-mail:** Students must routinely check e-mail sent to his or her **Texas A&M-Commerce account**. This is my primary mechanism for communicating to the class and is the **BEST** way to reach me.
- **Make-up Exams or Late Assignments Will Only Be Accepted If You Obtain University Approved Documentation for Your Excuse:** There are no make-up assignments for poor performance on a previous assignment.
- **Changes to Schedule:** While I plan to stick to the class schedule, there might be occasions to modify the schedule. In these cases, all changes will be announced via D2L and e-mail. It is your responsibility to become aware of any such changes.
