## COURSE DESCRIPTION

Art Appreciation refers to the exploration of visual art to gain an understanding of the relationships between the visual arts and other expressions of human imagination and invention. In this course, you will be introduced to the basic principles of visual arts. You will learn the vocabulary of art as it refers to analyzing the form of an artwork and how to interpret art as a means of understanding how, why, where, when, and to what purpose it was made to better understand the ways in which art reflects or communicates social, political, ideological, and religious values and constructions.

## STUDENT LEARNING OUTCOMES

**Competency 1:** Students will identify what is considered art and why it is made.

**Competency 2:** Students will identify the role of art makers, patrons, and institutions that aid in the creation and dissemination of art.

**Competency 3:** Students will identify types of art media and forms of classification.

**Competency 4:** Students will identify the elements and principles of art as means to derive meaning from art and classify art.

**Competency 5:** Students will interpret artworks in order to associate artwork to particular art movements.

**Competency 6:** Students will apply knowledge in this course through the development of a virtual art exhibition.

## COURSE REQUIREMENTS

**Minimal Technical Skills Needed:** Using D2L Brightspace learning management system, Microsoft Word, Googles Sites which requires a free Google Account if you do not already have one.

**Instructional Methods:** This course is an online course. To be successful in this course, all content and course modules should be read and reviewed. All assignments and quizzes (both graded and not graded) must be completed. Please contact the instructor by email for any assistance.

**Student Responsibilities or Tips for Success in the Course:** To be successful in this course, all content and course modules should be read and reviewed. All assignments and quizzes (both graded and not graded) should be completed. Please contact the instructor by email for any assistance.

## REGULAR AND SUBSTANTIVE COURSE INTERACTION

As a general guide, students enrolled in a three-semester hour course should spend one hour engaged in instructional activities and two to three hours on out-of-class work per week in a traditional semester. Students are expected to double this effort of engagement given that this course is being delivered in a seven-week term. Educational activities in this course are designed to ensure regular and substantive interaction between students and faculty to ensure that students are able to demonstrate competency.

## ASSESSMENT

### Culminating Project

The project assesses your knowledge of terms and the application of concepts presented in this course. A **score of 80% or higher is required** to demonstrate competency. **DUE DATE if you want feedback for revisions: End of week 6. HARD DUE DATE: Last day of week 7, Friday by 11:59 PM CST.**

If students score less than 80% on the culminating project, they will have an opportunity to review the material and resubmit the project up to two additional times. If the culminating project is less than 80% within three attempts, students will receive a grade of F in the course and will be required to retake the course in the new term.

If you encounter problems accessing D2L, please contact Technical Support at 1-877-325-7778.

### **Interaction with Instructor Statement**

This is an online course; therefore, expect most communication to be online as well. If you have any questions or are having difficulties with the course material, please contact your instructor. Correspondence will always be through university email (your “myLeo” mail) and announcements in myLeo online (D2L). The instructor will make every effort to respond to emails within 24 provided the correspondence follows the requirements listed below. Students are encouraged to check their university email daily.

**All emails from students should include:**

- **Course name and subject in the subject line (ex. EDCB 517 – Posttest)**
- **Salutation**
- **Proper email etiquette (no “text” emails – use proper grammar and punctuation)**
- **Student name and CWID after the body of the email**

## **UNIVERSITY PROCEDURES/POLICIES**

### **Syllabus Change Policy**

The syllabus is a guide. Circumstances and events, such as student progress, may make it necessary for the instructor to modify the syllabus during the semester. Any changes made to the syllabus will be announced in advance.

### **University Specific Procedures Student Conduct**

All students enrolled at the University shall follow the tenets of common decency and acceptable behavior conducive to a positive learning environment. The Code of Student Conduct is described in detail in the [Student Guidebook](#).
