### **COURSE INFORMATION**

#### **Materials – Textbooks, Readings, Supplementary Readings**

No materials are required. Students will utilize the university library to locate readings related to their dissertation project.

#### **Course Description**

Doctoral dissertations must be acceptable to the student's advisory committee and the Dean for Graduate Studies and Research on a problem in the area of his specialization. To be acceptable, the dissertation must give evidence that the candidate has pursued a program of research, the results of which reveal superior academic competency and significant contribution to knowledge. Graded on a (S) satisfactory or (U) unsatisfactory basis.

#### **Student Learning Outcomes (SLOs)**

**SLO 1:** Students will evaluate research to develop a research project.

**SLO 2:** Students will synthesize research on their topic.

**SLO 3:** Students will identify techniques for data collection and analysis.

*The syllabus/schedule are subject to change.*

**SLO 4:** Students will write a formal dissertation and orally defend their dissertation.

## **COURSE REQUIREMENTS**

### **Assessments**

- I. Proposal** – Before conducting their project, students will write a formal proposal and orally defend it. This will include a literature review and methodology of the project.
- II. Final Dissertation** – A final dissertation that includes the literature review and methodology along with the results and interpretation of the results will be required. A corresponding presentation will be required to defend the final dissertation.

### **Minimal Technical Skills Needed**

Needed Skills needed proficiency in Microsoft Office or similar program is needed. You will also be required to search for articles from the university library. Proficiency in data analytical software (e.g., SPSS) is also required.

### **Instructional Methods**

This is an independent project.

### **Student Responsibilities or Tips for Success in the Course**

Making a structured work plan will help students progress through completing their project at a quicker rate. Set aside time for writing.

## **GRADING**

S/U is the grading scheme. Students are assigned a grade of I while the dissertation is in progress, and this grade will be converted to an S upon successfully defending the final dissertation. Students may be assigned a grade of U if they are not making progress on their project.

## **COURSE AND UNIVERSITY PROCEDURES/POLICIES**

### **University Specific Procedures**

#### **Student Conduct**

All students enrolled at the University shall follow the tenets of common decency and acceptable behavior conducive to a positive learning environment. The Code of Student Conduct can be found at <https://www.tamuc.edu/student-code-of-conduct/>.

*The syllabus/schedule are subject to change.*

If you believe someone has engaged in behaviors that do not align with the Code of Student Conduct or you have other concerns, please visit the File a Report page at <https://www.tamuc.edu/office-of-student-rights-and-responsibilities/concerns-incident-reporting/>

Students should also consult the Rules of Netiquette for more information regarding how to interact with students in an online forum: <https://www.britannica.com/topic/netiquette>
