Course Requirements

Instructional Methods

Students will be assigned fundamentals, etudes, solo repertoire, and/or orchestral excerpts, as appropriate for their level, on a weekly basis. It is up to the student to practice these assignments every week and prepare for each lesson beforehand so that we can use our time optimally.

Assessments

Every lesson is an assessment. The main "exams" will be a midterm and final scale exam, where the student is asked to play certain scales at a certain tempo, depending on their level. If the student has a jury or recital, we will do a mock the week before, which will also be graded.

Grading

The assessments above will be factored into the semester grade. However, the largest part of the final grade will be the effort and improvement shown each week throughout the semester.
