Course Description and Objectives

The Introduction to Business Finance course introduces students to financial management concepts. This course explores the fundamental knowledge of business finance, time value of money, financial markets, financial instruments, capital budgeting, financial forecasting, and valuation.

Prerequisites: Acct 222; ECO 2301, 2302, MATH 1325.

Upon satisfactory completion of this course, the student will be able to:

- Understand basic business finance concepts.
- Gain fundamental knowledge of financial markets and financial instruments.
- Calculate present and future values of financial instruments.

TEXT AND OTHER MATERIALS: (A VERY IMPORTANT NOTE: STUDENTS ARE EXPECTED TO HAVE THESE MATERIALS AVAILABLE ON THE FIRST DAY OF CLASS).

Course Materials

Textbook: (**strongly recommended** but not required) Brigham and Houston, Fundamentals of Financial Management, Concise 9th edition. Check with the bookstore for purchase and lease options.

Optional: Financial Calculator: Texas Instruments BAII Plus financial calculator (preferred) or comparable non-alpha programmable financial calculator. A financial calculator can be used for the test. Examples for the class will include using this calculator. A version is available as an app on the smart phone for a

very minimal cost. You might consider learning the calculator, as professional exams do not allow the use of Excel.

Required: Excel: I will provide demonstrations to you on how solve problems using both the financial calculator and MS Excel. slides. You may use Excel or the financial calculator for exams. Please note that MS Excel is a Microsoft product and works best with Microsoft Windows.

I will be using MS Excel in Windows. If you are using a Mac iOS, there might be compatibility issues and it is your responsibility to troubleshoot Microsoft Excel in Mac iOS; otherwise, you should just use the Texas Instruments BAII Plus financial calculator.

Course Requirements

This course will use the MyLeo (D2L Brightspace) course management system. Please check the D2L regularly for course information, class lecture materials, Homework: quizzes, assignments, discussions, exam dates and announcements. D2L quizzes and assignments typically will have due dates and will not be available for submission after the due date. Because technical problems may arise, please do not wait until the last minute to complete assignments and quizzes. Use only Chrome to access this course on MyLeo (D2L Brightspace). D2L is a Windows-based product. Safari, Firefox, Edge, Internet Explorer (IE) are not supported browsers. Often your assignments are not fully visible/accessible from browsers other than Chrome. If you are using a Mac iOS, you must download the Chrome app. However, the app does not fully guarantee your full accessibility.

Examinations

Exams will be primarily of an objective nature, e.g., problem solving, true-false, and multiple-choice. You must not discuss the exam contents with any other person. You are on your honor to help preserve the integrity of the exam. Make-up exams will ONLY be considered under extenuating circumstances. Work, personal travel, etc. are NOT extenuating circumstances. Extenuating circumstances would include school sponsored excused event (communicated by faculty advisor/coach), hospitalization, medical emergency, physical injury, or death of an immediate family member. You will be required to provide proof of the extenuating circumstance to be approved for a make-up exam. Make-up exams for students attending school sponsored events are scheduled before the event departure. Other approved makeups are scheduled within three days of approval of documented extenuating circumstances.

What you can use on exams: Textbook, scrap paper, calculator, and any other notes you made. What you cannot use on exams: the help of another person. All exams and quizzes are to be taken Online on the course website in D2L.

Technology Requirements

D2L is committed to performing key application testing when new browser versions are released. New and updated functionality is also tested against the latest version of supported browsers. However, due to the frequency of some browser releases, D2L cannot guarantee that each browser version will perform as expected. If you encounter any issues, contact D2L Support, who will determine the best course of action for resolution.

Note the following:

- Ensure that your browser has JavaScript and Cookies enabled.
- For desktop systems, you must have Adobe Flash Player 10.1 or greater.
- The Brightspace Support features are now optimized for production environments when using the Google Chrome browser, Apple Safari browser, Microsoft Edge browser, Microsoft Internet Explorer browser, and Mozilla Firefox browsers.

Access and Navigation

You will need your campus-wide ID (CWID) and password to log into the course. If you do not know your CWID or have forgotten your password, contact the Center for IT Excellence (CITE) at 903.468.6000 or helpdesk@tamuc.edu.

Note: Personal computer and internet connection problems do not excuse the requirement to complete all course work in a timely and satisfactory manner. Each student needs to have a backup method to deal with these inevitable problems. These methods might include the availability of a backup PC at home or work, the temporary use of a computer at a friend's home, the local library, office service companies, Starbucks, a TAMUC campus open computer lab, etc.

East Texas A&M Supports Students' Mental Health

The Counseling Center at East Texas A&M, located in the Halladay Building, Room 203, offers counseling services, educational programming, and connection to community resources for students. Students have 24/7 access to the Counseling Center's crisis assessment services by calling 903-886-5145. For more

information regarding Counseling Center events and confidential services, please visit <https://www.tamuc.edu/counseling-center/>

Students with Disabilities

The Americans with Disabilities Act (ADA) is a Federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation requires that all students with disabilities be guaranteed a learning environment that provides reasonable accommodation of their disabilities. If you have a disability requiring an accommodation, please contact:

Pursuant to PC 46.035, the open carrying of handguns is prohibited on all East Texas A&M campuses. Report violations to the University Police Department at 903- 886-5868 or 9-1-1.

Artificial Intelligence

East Texas A&M University acknowledges that there are legitimate uses of Artificial Intelligence, ChatBots, or other software that has the capacity to generate text, or suggest replacements for text beyond individual words, as determined by the instructor of the course.

Any use of such software must be documented. Any undocumented use of such software constitutes an instance of academic dishonesty (plagiarism).

Individual instructors may disallow entirely the use of such software for individual assignments or for the entire course. Students should be aware of such requirements and follow their instructors' guidelines. If no instructions are provided, the student should assume that the use of such software is disallowed.

In any case, students are fully responsible for the content of any assignment they submit, regardless of whether they used an AI, in any way. This specifically includes cases in which the AI plagiarized another text or misrepresented sources.
