Course Description

This is an integrated School District Instructional Leadership course to develop candidates who have the knowledge and ability to promote the success of all students by providing a high-quality workforce to accomplish the district's mission. In addition, this course includes other human resource functions such as recruitment and retention of staff, induction, compensation and benefits, professional development, certifications, and contracts. This course addresses the legal implications of leading and managing the district faculty/staff including grievances, state and federal mandates pertaining to human resources, district policies, and the ethical standards for all educators.

Additionally, the course will develop candidates who have the competencies for the Standard Superintendent Certificate in school district instructional leadership of human resources.

Prerequisite: Principal certification and admission into the superintendent certification program or doctoral status.

Superintendent Leadership Standards

This course, EDAD 620, will focus specifically on the following Superintendent Standards: Standard I, Standard II, Standard III, Standard IV, Standard VI and Standard VIII. However, the other standards may be referenced in discussions and articles/documents. The complete list of the Superintendent Standards can be found below.

Superintendent Standard I

Learner-centered Values and Ethics of Leadership: A superintendent is an educational leader who promotes the success of all students by acting with integrity, fairness and in an ethical manner.

Superintendent Standard II

Learner-Centered Leadership and School District Culture: A superintendent is an educational leader who promotes the success of all students and shapes school district culture by facilitating the development, articulation, implementation and stewardship of a vision of learning that is shared and supported by the school community.

Superintendent Standard III

Learner-Centered Human Resources Leadership and Management: A superintendent is an educational leader who promotes the success of all students by implementing a staff evaluation and development system to improve the performance of all staff members, selects and implements appropriate models for supervision and staff development and applies the legal requirements for personnel management.

Superintendent Standard IV

Learner-Centered Policy and Governance: A superintendent is an educational leader who promotes the success of all students by understanding, responding to and influencing the larger political, social, economic, legal and cultural context and by working with the board of trustees to define mutual expectations, policies and standards.

Superintendent Standard V

Learner-Centered Communications and Community Relations: A superintendent is an educational leader who promotes the success of all students by collaborating with families and community members, responding to diverse community interests and needs, and mobilizing community resources.

Superintendent Standard VI

Learner-Centered Organizational Leadership and Management: A superintendent is an educational leader who promotes the success of all students by leadership and management of the organization, operations, and resources for a safe, efficient and effective learning environment.

Superintendent Standard VII

Learner-Centered Curriculum Planning and Development: A superintendent is an educational leader who promotes the success of all students by facilitating the design and implementation of curricula and strategic plans that enhance teaching and learning; alignment of curriculum, curriculum resources and assessment; and the use of various forms of assessment to measure student performance.

Superintendent Standard VIII

Learner-Centered Instructional Leadership and Management:

A superintendent is an educational leader who promotes the success of all students by advocating, nurturing and sustaining a school district culture and instructional program conducive to student learning and staff professional growth.

Students in EDAD 620 will demonstrate and apply the Domains and Competencies below as part of the course learning. The complete list of the Domains and Competencies for TExES Superintendent (195) can be found at the following link <http://www.tx.nesinc.com/content/docs/195PrepManual.pdf>

COURSE REQUIREMENTS

Minimal Technical Skills

Students are expected to navigate through D2L learning management system, use Microsoft Word and PowerPoint, and utilize computer software skills for use in presentation, graphics programs, and communication.

Instructional Methods

This is a virtual course which uses a web-based learning management system. The course relies heavily on written responses, class participation and interaction, and discussion. It is problem-based and inquiry-oriented course. Learning in this course will take place as a result of participating in class discussions and presentations, discussion topics, presentations, readings and concentrated study from the texts and online sources. In addition, learning will result from individual assignments and projects as well as a group project and professional level presentations.

Assignments include a series of written papers and projects as a result of original research. The readings cannot be neglected. It is important that you set aside time to read and research prior to completing the assignments or preparing for the upcoming

class discussions. A wide variety of instructional methods will be used to provide students with meaningful learning experiences. Some of these will include focused discussions, written reflections, problem-solving activities, case studies, and independent research. Each student is expected to participate in endeavors with the goal of contributing meaningfully and implementing higher order thinking skills. You cannot receive participation points if you are not contributing to the class discussion.

Assignments: This course includes one or more assignments per module. This also includes the performance assessment for the course.

Student Learning Outcomes: 1-17

Class Discussions, Attendance, and Class Activities: This course is designed as a virtual instructional experience. Students are expected to be prepared by completing the readings, the assignments, and the research assignments. Late work is not accepted in this course.

Student Learning Outcomes: 1-17

Group Project: Students will identify and explain the major functions of a District's Human Resources Department. In addition, students will research challenges faced by districts in the area of Human Resources and new trends to address the challenges. This project includes a written paper as well as a professional presentation. *Student Learning Outcomes: 1, 2, 3, 6, 7, 8, 11,13 and 17*

Individual Project and Presentation: Students will select and present a current book that provides ideas, tools, and/or strategies for superintendents to build a strong people centered culture in the district.

Student Learning Outcomes: 2, 4, 6, 8, 9, 10 and 17

Performance Assessment – Students will analyze a case study and create a staffing plan for a new school within a mid-size district. Students will create a presentation for a Board of Trustees to consider in terms of the staffing plan and budget. *Student Learning Outcomes: 1, 2, 4, 7, 13, 15 and 17*

Exams (Midterm and Final) - The exams may be comprised of essay questions, situational problems, T/F and M/C questions. When essay questions are used in the exam/quiz, a rubric will be provided in the course documents in D2L. In addition, sample questions for the TExES 195 Superintendent exam will be included in the course grade.

Student Learning Outcomes: 1-17

CLASS ENVIRONMENT

Please practice courtesy, respect the opinions of others, be positive in speech and effort, encourage your classmates, respect confidentiality, and support each other's learning. In addition, this course requires focused learners in order to demonstrate learning, respond to presentations, and think critically in terms of new learning.

Student Responsibilities

No late work will be accepted. This syllabus represents a relationship between the two of us regarding the evaluative measures and the content included in EDAD 620. The instructor reserves the right to amend, revise, or change the content of the syllabus as deemed necessary.

Attendance:

The course is designed for virtual learning and will include activities, projects, and discussions. Modules, presentation information, and assignments will be provided every two weeks through the D2L learning platform. In addition, students will be expected to respond to the “Hot Topics” board. A course outline detailing the class schedule and assignment deadlines will be posted as a separate document in D2L. Please check it regularly for updates. Any changes in the course outline and due dates will also be posted under the announcements.

In addition, we will be referencing the Texas Examinations of Educator Standards (TExES) Program Preparation Manual for the Superintendent (195) exam.

Grading

Final grades in this course will be based on the following scale:

A = 90%-100%

B = 80%-89%

C = 70%-79%

D = 60%-69%

F = 59% or Below

Total points corresponding to the final letter grades:

A = 369 - 410 Points

B = 328 - 368 Points

C = 287- 327 Points

D = 246 - 286 Points

F = 245 & > Point

Grades will be determined on a total point basis as follows:

Assignments	25 Points each (7)	175
Class Participation, Discussion Topics, and Attendance	10 Points each (7)	70
Group Project Planning	6 Points (1)	5
Group Project	25 Points (1)	25
Book Review/Sharing	20 Points (1)	25
Exams/Quizzes	50 Points each (2)	100
Total Points		410

*This list of assignments and numbers of assignments may be adjusted during the course.

Please note: While students may receive numerical grades for various assignments listed in the syllabus based on the criteria provided by the instructor and which contribute to an overall grade average represented in the breakdown listed above, these grades are to provide feedback to the student and guide the instructor in assessing the student's work. The final grade awarded for the course, however, will be at the sole discretion of the instructor.

Interaction with Instructor

Communication with students will be established through the students' Leomail account. Please make sure to check your Leomail account on a daily basis. During the week, I will respond to your emails at jon.hill@tamuc.edu within a 24-hour time frame. On weekends, it may take up to 48 hours. Grades will typically be provided for assignments within 10 days of the original submission date.

You may also reach me via my cell phone (281-793-7906). If you have questions regarding an assignment, feedback on your assignments/work, or need clarity for completing work, please feel free to call me. If I do not answer, be sure to leave a detailed message, and I will return your call.

I encourage you to use either Leomail or my cell phone if you need assistance.

COURSE AND UNIVERSITY PROCEDURES/POLICIES

Course Specific Procedures/Policies

Syllabus Change Policy

The syllabus is a guide. The syllabus/schedule are subject to change. Circumstances and events, such as student progress, may make it necessary for the instructor to modify the syllabus during the semester. Any changes made to the syllabus will be announced in advance.

Course Specific Procedures/Policies

Late work is not accepted. Attendance is required for all assigned class meetings per the course calendar.

Scholarly Expectations

All works submitted for credit must be original works created by the scholar uniquely for the class. It is considered inappropriate and unethical, particularly at the graduate level, to make duplicate submissions of a single work for credit in multiple classes, unless specifically requested by the instructor. Work submitted at the graduate level is expected to demonstrate higher order thinking skills and be of significantly higher quality than work produced at the undergraduate level.

Writing Style

All papers must be written in accordance with the rules and guidelines of the 7th edition of the *Publication Manual of the American Psychological Association* (2020). All citations and references in papers must adhere to the APA format provided in this manual. Please use the following format for all of your documents: Times New Roman font with 12 c. p. i. (characters per inch), double-spacing, and one-inch margins.

University Specific Procedures

Student Conduct

All students enrolled at the University shall follow the tenets of common decency and acceptable behavior conducive to a positive learning environment. The Code of Student Conduct is described in detail in the [Student Guidebook](#).

<http://www.tamuc.edu/Admissions/oneStopShop/undergraduateAdmissions/studentGuidebook.aspx>

Students should also consult the Rules of Netiquette for more information regarding how to interact with students in an online forum:

AI use policy [Draft 2, May 25, 2023]

East Texas A&M University acknowledges that there are legitimate uses of Artificial Intelligence, ChatBots, or other software that has the capacity to generate text, or suggest replacements for text beyond individual words, as determined by the instructor of the course.

Any use of such software must be documented. Any undocumented use of such software constitutes an instance of academic dishonesty (plagiarism).

Individual instructors may disallow entirely the use of such software for individual assignments or for the entire course. Students should be aware of such requirements and follow their instructors' guidelines. If no instructions are provided the student should assume that the use of such software is disallowed.

In any case, students are fully responsible for the content of any assignment they submit, regardless of whether they used an AI, in any way. This specifically includes cases in which the AI plagiarized another text or misrepresented sources.
