### **CPA Exam/Qualifications – Requirements for Examination - State of Texas**

You must meet the following qualifications to take the CPA exam (**Note: Please remember the 15 hours of F2F classes is no longer a requirement.**)

- Complete the electronic fingerprint process for a background check of the criminal history files of the Texas Department of Public Safety (DPS) and the Federal Bureau of Investigation (FBI).
- Hold a baccalaureate or higher degree from a board-recognized United States college or university, or an equivalent degree as determined by board rule from an institution of higher education in another country.
- Complete 150 semester hours or quarter-hour equivalents of college credit.
- Complete 30 semester hours or quarter-hour equivalents of upper level accounting courses from a board-recognized college or university. Within the coursework two-semester hours of accounting or tax research and analysis are required.
- Complete 24 semester hours or quarter-hour equivalents of upper level related business courses. Within the coursework two-semester hours of accounting or business communications are required.
- Complete a 3-semester-hour Board-approved ethics course.

The first step to determine your eligibility to take the CPA exam is to submit an Application of Intent. For more information visit Exam/Qualification on the State Board's website: <http://www.tsbpa.state.tx.us/>

### **Course Specific Procedures/Policies**

- This is an online course. It is **your responsibility to make sure you have the appropriate equipment (computer, laptop, Internet, etc.) to complete the requirements.** I would never accept any excuses (e.g., “I do not have a computer on hand.” or “My Internet does not work.” etc.) under any condition.
- *Final grade*– **After the final exam grade were posted, unless there is a mathematical error, I generally would not accept any emails for a better grade** (e.g., “I do need 2 more points to get a better grade.” or “Can I do anything to get a better grade?” or “I do need a B or I will lose my assistantship/scholarship.” etc.) It would be too late. I would not reply any of the request to be fair to the whole class.
- *Dropping or Withdrawal from the course* – “Students who wish to drop a course or withdraw from the university are responsible for initiating this action”. I will NOT drop you from the course; it is your responsibility to complete the paperwork required to drop or withdraw.
- *Check your email* – Emails are sent periodically during the semester. You must check your emails regularly to remain abreast of relevant information. When sending an email to me, include the course prefix in the subject line, i.e. ACCT437.
- *Positive Online Attendance:* I have post lots of material and lecture videos on D2L. **Attendance (online in a positive way: check D2L & Connect often, watch the lecture videos, submit the assignments, etc.) is required in this course and is essential to properly learn this material.** This is an advanced class and there is much material to cover, some of which is not covered extensively in the textbook.

- *Exams/ quizzes* –The exam/quiz will be administered on the date outlined in our course. You must plan to take the exam/quiz on or before its due date. Make-up exams/quizzes are given **ONLY** under extenuating conditions. The following are considered extenuating conditions: hospitalization, medical emergency, physical injury, or death of an immediate family member. You **MUST** bring proof of the extenuating circumstance in order to facilitate an exam/quiz make-up. Proof of the extenuating circumstance must be received in a timely manner. For extenuating conditions make-up exams/quizzes must be taken within 7 days of release or recovery. Students attending university sponsored events must provide necessary documentation in order to accommodate any make-up exam/quiz.
- During the exam(s): Do not ask for hints from the instructor. **The instructor retains the right to refuse to answer any exam related question(s) during the exam.**
- *Written work* – Any writing assignments that may be required must be completed and submitted using Microsoft Word. Unless otherwise noted all parts of the written assignment must be submitted in one file, i.e. do not submit two separate documents for grading. If it is necessary to make calculations, table, graphs, etc. using Excel or another program, you must copy the information into the Word document.
- *Cheating, plagiarism, academic dishonesty* – Academic integrity is a serious issue. If any portion of your work (exam, quiz, research assignment, homework, etc.) is copied, plagiarized, purchased, stolen or lacks authenticity, the ENTIRE body of work will receive a zero. The Dean will be notified of any breach in academic integrity. Additional academic sanctions may include failure of the course, dismissal from the program and/or dismissal from the university.
- *Graded work* – There are several issues regarding grading/scoring: 1) No pre-grading or ask the instructor to check your assignment/homework before the due day, which is not fair to your classmates. 2) I do NOT re-grade work. Once an assignment is returned with a grade/score it cannot be resubmitted. **3) If you disagree with the posted grade/score on an assignment, you must email me with the specific discrepancy no more than 48 hours after the grade/score is posted.** 4) You are NOT permitted to submit an assignment used in a previous course.
