

SCHOOL OF  
**Nursing and  
Health Sciences**

**EAST TEXAS A&M**

**NURS 3211 Clinical Skills Foundation**  
COURSE SYLLABUS: Fall 2025;  
Tuesdays 1200 – 1550 in NHS Room 294  
Thursday (as assigned) 1000 – 1150 OR 1300 – 1450 in NHS Room 294

**INSTRUCTOR INFORMATION**

**Instructor:** Maria Hurd, MSN Ed., RN, CEN  
**Office Location:** NHS Building, Nursing Department # 231  
**Office Hours:** Tuesday: 1100-1200;  
Thursday: 1100-1300;  
Monday, Wednesday, Friday: By appointment only  
**Cell Phone:** 903-259-0109  
**University Email Address:** Maria.Hurd@etamu.edu  
**Preferred Form of Communication:** email  
**Communication Response Time:** Two business days

**Instructor:** Carol McCaslin, MSN Ed., RN  
**Office Location:** NHS Building, Nursing Department  
**Office Hours:** By appointment only  
**Cell Phone:** 903-456-5738  
**University Email Address:** carol.mccaslin@etamu.edu  
**Preferred Form of Communication:** email  
**Communication Response Time:** Two business days

**COURSE INFORMATION**

**Required Textbooks:**

“Clinical Nursing Skills” by Christy Bowen (senior contributing author) is licensed [CC BY 4.0](#). Available at <https://openstax.org/details/books/clinical-nursing-skills>

**Software Required:**

- Microsoft Office
- ExamSoft Exemplify
- Assessment Technologies Institute, LLC. (2021). <https://www.atitesting.com>
- Voice Thread app

**Course Description**

Focuses on developing foundational clinical skills essential for nursing practice; Emphasizes mastery of fundamental nursing procedures, documentation, and patient care practices in various healthcare settings; Engages students in hands-on learning experiences, and simulations to integrate theoretical knowledge with practical skills;

*The syllabus/schedule are subject to change.*

Introduces dosage calculations methods; Emphasizes nursing practice standards that promote quality and safety.

### **Student Learning Outcomes**

By the end of the course, students will be able to:

1. Examine critical thinking and nursing judgments that underlie nursing skills.  
(PLO 2; AACN Essentials 1, 2)
2. Use effective communication in lab or simulated clinical environments.  
(PLO 2, 4; AACN Essentials 1, 2, 6)
3. Demonstrate competence in the performance of nursing procedures and skills.  
(PLO 1, 2; AACN Essentials 1, 2, 4, 5)
4. Apply standards of professional nursing practice during performance of nursing skills in a lab or simulated clinical environment.  
(PLO 1, 2, 4, 5, 6; AACN 1, 2, 3, 4, 5, 6, 7, 8, 9)
5. Identify priority patient and family information related to nursing skills.  
(PLO 1, 2; AACN Essentials 1, 2)

## **COURSE REQUIREMENTS**

### **Minimal Technical Skills Needed**

Using the learning management system, using Microsoft Word, Microsoft Excel and PowerPoint.

### **Instructional Methods**

This course requires students to complete reading assignments, online activities, and independent study to be successful. Course objectives may be met through individual study using suggested resources, active involvement in classroom activities, formal, and informal exchange of ideas with classmates and colleagues regarding specific topics as well as utilizing critical thinking skills. Teaching methods include lecture, seminar, discussion, small group work, independent study of texts and library resources, computer-assisted instruction, audio-visual aids, and assignments. While the professor will provide guidance and consultation, the student is responsible for identification of learning needs, self-direction, seeking consultation, and demonstration of course objectives.

### **Student Responsibilities or Tips for Success in the Course**

- Logging into the course website and email regularly for faculty communication (especially the night before class/clinical)
- Updating semester calendar with communicated changes
- Regular study (recommend a minimum 2-3 hours study/course credit hour per week). For example 3-credit course = 6 to 9 hours study time/week.
- Attendance at all class meetings, clinical, seminars and simulations
- Review and remediation of examinations.

*The syllabus/schedule are subject to change.*

**GRADING**

Final grades in this course will be based on the following scale:

A = 90%-100%    B = 80%-89%    C = 75%-79%    D = 60%-74%    F = Below 60%

Assignments	Weight	SLO
<b>Class</b>		
• Quizzes (9)	25%	1, 5
• Module Exams (5)	40%	1, 5
• Final Comprehensive Exam	15%	1, 5
• ATI Skills Modules 3.0 (27)	15%	1, 5
• Dosage Calculation Test	5%	1, 3, 4
<b>Total</b>	<b>100%</b>	
<b>Clinical</b>		
• Instructor-Guided Skills Practice	30 hours	2, 3, 4
• Self-Guided Skills Practice	25 hours	2, 3, 4
• Skills Check-Offs	30 hours	2, 3, 4
• ATI Virtual Scenario (5)	5 hours	2, 3, 4
<b>Total</b>	<b>90 hours</b>	

A minimum grade of 75 is required to pass the course. The average of the 5 modular exams and one comprehensive final exam **MUST** be 75% or greater before **ANY** other course grades are averaged to compose the final grade. If the exam average is below 75%, the student will receive a grade of "D or F" for the course regardless of any other grade(s).

Other graded assignments will not be added to the final grade unless the exam grade average is 75% or higher.

The clinical component is **PASS/FAIL** and must be passed to pass the course. To receive a passing grade in clinical you must achieve 75% or better on each of the ATI Virtual Scenarios. You may redo any assignments one time that are less than 75% but 75% is the maximum grade you will receive for the redone assignment.

**Clinical is graded Pass/Fail. If the student fails the clinical component, the entire course must be repeated.**

**ASSESSMENTS****Class Assessments**

- **Quizzes**  
There are nine quizzes throughout the semester, administered through Exemplify. They will be administered at the end of each class as noted in the

*The syllabus/schedule are subject to change.*

syllabus. Questions will be aimed at solidifying learning from the lecture/skills practice. They will **NOT** be counted toward your 75% average grade.

- **Module Exams**

There are five proctored module exams administered through Exemplify. The Course Schedule identifies exam dates and applicable content. Questions will be in multiple formats, which could include multiple-choice, select all that apply, matching, sorting, short answer, hot spot, and more.

**Exams will occur on selected Tuesdays (1200 - 1300)** per the course schedule attached.

- **Comprehensive Final Exam**

There will be a comprehensive final scheduled during finals week administered through Exemplify.

All students with an exam grade of less than 75 are required to review their exam. It is the student's responsibility to contact their course faculty or the Student Success Coach to set up an appointment to review the exam. **The exam must be reviewed before the next scheduled exam.** Only the most current exam may be reviewed. All students are welcome to review their exams by scheduling an appointment with course faculty.

Successful completion of the examinations and other required assignments will enable the student to meet the student learning outcomes.

**NOTE: Students arriving after the exam has begun may not be permitted entry. Students will need to take a make-up exam at a date/time schedule by faculty. Failure to arrive on time for a make-up exam may result in a zero.**

**If an exam is missed due to illness, the student must provide a doctor's note. Failure to provide a doctor's note will result in a zero for the exam. Students can utilize the Student Health Services on campus free of charge for medical evaluation and receive a doctor's note.**

- **ATI Skills Modules 3.0**

ETAMU School of Nursing utilizes Assessment Technologies Institute (ATI). Specific skills modules are assigned as prework assignments for most course modules. The purpose of the prework is to prepare you for class.

## **Clinical Assessments**

- **Instructor-Guided Skills Practice**

Weekly didactic and skill demonstration requiring attention and participation to receive a passing grade.

*The syllabus/schedule are subject to change.*

- **Self-Guided Skills Practice**

Weekly time in class to practice assigned skills within lab setting.

- **Skills Check-Off**

You will be required to check-off your skills with your instructor to verify competency. When you exhibit competency, this will be “signed-off” in your Project Concert Skills Check-off List. You will be using this list to also show competency in the clinical setting in your other clinical classes.

- **ATI Virtual Scenarios**

The ATI Virtual Scenarios are designed to allow you to integrate the skills you have learned in an interactive, non-threatening, online-learning environment.

You must also adhere to the expected clinical behaviors. Any instance of violation of any of the objectives listed in the Student Performance and Behaviors Evaluation Form may result in clinical suspension, receipt of a Student Performance and Behaviors Evaluation form, failure of clinical, failure of the course, and/or removal from the nursing program. See Student Guide for more information.

## **COURSE SPECIFIC PROCEDURES/POLICIES**

### **Assignment Submissions:**

All class and clinical assignments must be submitted on time. If an extension is needed, students must request the extension before the posted due date/time. An assignment extension request will be approved or denied at the discretion of the course coordinator. Unexcused late assignments will be penalized 10% per day for each of the first two days overdue; on the third day, the grade will be assigned as 0%. Communication on these matters is the student’s responsibility. Multiple instances of late clinical assignments will result in receipt of a Student Performance and Behaviors Evaluation Form and, possibly, failure of clinical/course.

All documents submitted online are to be in .docx, .rtf, or .pdf format. No other formats will be accepted (JPEG, GIF, etc.). Assignments need to be submitted in a maximum of one document per assignment. Failure to follow these guidelines will result in a grade of “0” on the assignment.

### **BSN Program Student Guidebook**

Specific information regarding the nursing program and current policies and procedures can be found in the current BSN Program Student Guidebook located in the Nursing Success Course in the LMS.

Students are responsible for reviewing, understanding, and complying with the policies and procedures provided in the student guidebook.

*The syllabus/schedule are subject to change.*

### Classroom Policies

1. Class Cancellation: In the event that a class is canceled, the student is expected to do the readings and complete the objectives for that day. The content will still be included on examinations. The material in this syllabus and dates identified in the Course Calendar are subject to change.
2. Class attendance is expected. The students should notify course coordinator in advance of any absence.
3. Exam dates are listed in each course syllabus, and the student is expected to be present for exams. In the event that the student will be absent, the course coordinator must be notified in advance. Failure to do so may result in the student receiving a zero for the missed exam or quiz. Review the BSN Student Guide for the exam absence process.
4. As an adult learner and responsible professional, the student is responsible for reading and completing assignments prior to class and for being prepared to participate in discussions over the assigned material. It should not be expected that all material would be covered in class. Students are expected to come to class prepared.

There are a variety of assignments for this class to meet the learning outcomes and to accommodate different learning styles. Assignment rubrics will be posted in D2L. Class meetings will occur **every Tuesday afternoon (1200 - 1550) and Thursdays from 1000- 1150 OR 1300 – 1450 per your class schedule.** **You are expected to come to class prepared to engage in content discussions.**

### Clinical Policies

1. Clinical attendance is mandatory. Refer to the BSN Program Student Guidebook for clinical attendance policy information. Violations of the clinical attendance policy may result in the student receiving a Student Performance and Behaviors Evaluation Form and may lead to failure of the clinical portion of the course.
2. Based on student learning needs, the faculty will determine the appropriate amount of time and clinical assignments needed to assess student growth.
3. Faculty may require additional assignments and clinical work to ensure students have met clinical objectives. Students are expected to comply with any additional assignments or clinical hours assigned.
4. Students are expected to prepare for clinical practice to provide safe, competent care.
5. Clinical assignments must be completed on time and submitted to the clinical instructor as directed. No exceptions will be given without prior permission from the instructor.

Any missed skills practice lab **must be made up outside of regular scheduled class time.** Failure to spending the required additional lab time could result in failure of the course.

*The syllabus/schedule are subject to change.*

Students will be assigned to lab groups. You will stay with the same group throughout the entire semester. Each lab group will be assigned a specific patient care area in the lab. The group is expected to keep the assigned lab area clean. At the end of lab time students should return to bed to the low position, pull covers over manikin's torso, ensure any sharp objects are disposed of in the sharps container, all lab supplies are stored, and the trash can is emptied into the large trash can in the front of the lab.

The clinical skills lab is treated as a clinical experience. The following is expected for this weekly clinical experience.

You must be present in the skills lab for the entire session on Tuesdays and at your assigned time on Thursdays. **DO NOT BE LATE!**

Appearance should be professional and adhere to the nursing department's dress code policy. **Clinical uniform (scrubs) must be clean and pressed, stethoscope, watch and pen light are suggested, no raised rings, earrings must be small stud, and tattoo must be covered, no body piercing visible, with appropriate shoes.** Scrubs of any color may be worn to clinical skills lab. The top and bottom of the scrubs should be the same color and must be a solid color.

### **Group Work:**

All members of the group will receive the same grade on any group work. However, a student can be removed from his/her team if the other students in the group come to the instructor and report that a student is not doing his/her fair share of the work. If that happens, the instructor will notify the student in writing. The student will then be responsible for doing the assignment on his/her own. It is expected that the group will make an attempt to resolve the situation within the group before instructor intervention.

All work in this course is individual work unless specified as group work. Any incidence of academic dishonesty (copying, plagiarism, cheating, etc.) will result in a failure of the assignment and may result in failure of the course as per the ETAMU Academic Dishonesty Policy.

### **Standardized Exams**

ETAMU School of Nursing utilizes Assessment Technologies Institute (ATI) assessment materials (content mastery practice assessments and content mastery proctored assessments) to guide and assess mastery of nursing content necessary for entry into practice. Specific ATI assessment and grading guidelines are outlined in the document entitled "ATI Content Mastery Series (CMS) Assessment Grading Rubric" in the LMS module folder entitled "ATI Assessment Grading Rubric".

### **Syllabus Change Policy**

The syllabus is a guide. Circumstances and events, such as student progress, may make it necessary for the instructor(s) to modify the syllabus during the semester. Any changes made to the syllabus will be announced in advance.

*The syllabus/schedule are subject to change.*

## UNIVERSITY SPECIFIC PROCEDURES

### TECHNOLOGY REQUIREMENTS

#### LMS

All course sections offered by Texas A&M University-Commerce have a corresponding course shell in the myLeo Online Learning Management System (LMS). Below are technical requirements

LMS Requirements:

<https://community.brightspace.com/s/article/Brightspace-Platform-Requirements>

LMS Browser Support:

[https://documentation.brightspace.com/EN/brightspace/requirements/all/browser\\_support.htm](https://documentation.brightspace.com/EN/brightspace/requirements/all/browser_support.htm)

YouSeeU Virtual Classroom Requirements:

<https://support.youseeu.com/hc/en-us/articles/115007031107-Basic-System-Requirements>

### ACCESS AND NAVIGATION

You will need your campus-wide ID (CWID) and password to log into the course. If you do not know your CWID or have forgotten your password, contact the Center for IT Excellence (CITE) at 903.468.6000 or [helpdesk@tamuc.edu](mailto:helpdesk@tamuc.edu).

**Note:** Personal computer and internet connection problems do not excuse the requirement to complete all course work in a timely and satisfactory manner. Each student needs to have a backup method to deal with these inevitable problems. These methods might include the availability of a backup PC at home or work, the temporary use of a computer at a friend's home, the local library, office service companies, Starbucks, a ETAMU campus open computer lab, etc.

### COMMUNICATION AND SUPPORT

If you have any questions or are having difficulties with the course material, please contact your instructor.

Technical Support

If you are having technical difficulty with any part of Brightspace, please contact Brightspace Technical Support at 1-877-325-7778. Other support options can be found here:

<https://community.brightspace.com/support/s/contactsupport>

**Interaction with Instructor Statement**

*The syllabus/schedule are subject to change.*

It is expected that you will check your D2L course and email regularly for communication from the instructor(s). Be sure to check the night before class/clinical. A response to any email or message will occur within two (2) business days.

Communication between faculty and students is primary and taken seriously. Preferred communication methods are individualized office hours, email, or via cellphone. If a phone call is not answered, please leave a message and send an e-mail using the direct e-mail link on the course home page. You will be treated with collegial respect and you are expected to communicate likewise in a professional manner.

Faculty will make every effort to return class assignments within two weeks of submission and feedback on clinical work before subsequent work is due.

### **Student Conduct**

All students enrolled at the University shall follow the tenets of common decency and acceptable behavior conducive to a positive learning environment. The Code of Student Conduct is described in detail in the [Student Guidebook](#).

<http://www.tamuc.edu/Admissions/oneStopShop/undergraduateAdmissions/studentGuidebook.aspx>

Students should also consult the Rules of Netiquette for more information regarding how to interact with students in an online forum:

<https://www.britannica.com/topic/netiquette>

### **ETAMU Attendance**

For more information about the attendance policy please visit the [Attendance](#) webpage.

<http://www.tamuc.edu/admissions/registrar/generalInformation/attendance.aspx>

### **Academic Integrity**

Students at Texas A&M University-Commerce are expected to maintain high standards of integrity and honesty in all of their scholastic work. For more details and the definition of academic dishonesty see the following procedures:

[Undergraduate Academic Dishonesty 13.99.99.R0.03](#)

[Undergraduate Student Academic Dishonesty Form](#)

[Graduate Academic Dishonesty 13.99.99.R0.10](#)

[Graduate Student Academic Dishonesty Form](#)

### **Students with Disabilities-- ADA Statement**

The Americans with Disabilities Act (ADA) is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation requires that all students with disabilities be guaranteed a learning environment that provides reasonable accommodation for their disabilities. If you have a disability requiring an accommodation, please contact:

*The syllabus/schedule are subject to change.*

**Office of Student Disability Resources and Services**

East Texas A&M University-Commerce

Velma K. Waters Library Rm 162

Phone (903) 886-5150 or (903) 886-5835

Fax (903) 468-8148

Email: [studentdisabilityservices@etamu.edu](mailto:studentdisabilityservices@etamu.edu)

Website: [Office of Student Disability Resources and Services](#)

**Nondiscrimination Notice**

Texas A&M University-Commerce will comply in the classroom, and in online courses, with all federal and state laws prohibiting discrimination and related retaliation on the basis of race, color, religion, sex, national origin, disability, age, genetic information or veteran status. Further, an environment free from discrimination on the basis of sexual orientation, gender identity, or gender expression will be maintained.

**Campus Concealed Carry Statement**

Texas Senate Bill - 11 (Government Code 411.2031, et al.) authorizes the carrying of a concealed handgun in Texas A&M University-Commerce buildings only by persons who have been issued and are in possession of a Texas License to Carry a Handgun. Qualified law enforcement officers or those who are otherwise authorized to carry a concealed handgun in the State of Texas are also permitted to do so. Pursuant to Penal Code (PC) 46.035 and A&M-Commerce Rule 34.06.02.R1, license holders may not carry a concealed handgun in restricted locations.

For a list of locations, please refer to the [Carrying Concealed Handguns On Campus](#) document and/or consult your event organizer.

Pursuant to PC 46.035, the open carrying of handguns is prohibited on all East Texas A&M-Commerce campuses. Report violations to the University Police Department at 903-886-5868 or 9-1-1.

**Mental Health and Well-Being**

The university aims to provide students with essential knowledge and tools to understand and support mental health. As part of our commitment to your well-being, we offer access to Telus Health, a service available 24/7/365 via chat, phone, or webinar. Scan the QR code to download the app and explore the resources available to you for guidance and support whenever you need it.

The Counseling Center at East Texas A&M-Commerce, located in the Halladay Building, Room 203, offers counseling services, educational programming, and connection to community resources for students. Students have 24/7 access to the Counseling Center's crisis assessment services by calling 903-886-5145. For more

*The syllabus/schedule are subject to change.*

information regarding Counseling Center events and confidential services, please visit [www.etamu.edu/counsel](http://www.etamu.edu/counsel)

### **Department Accrediting Agency Required Content**

The East Texas A&M University School of Nursing has full approval by the [Texas Board of Nursing](#).

#### **Texas Board of Nursing**

1801 Congress Avenue, Suite 10-200  
Austin, TX 78701  
P: (512) 305-7400; F: (512) 305-7401  
[webmaster@bon.texas.gov](mailto:webmaster@bon.texas.gov)

The baccalaureate degree program in nursing and the master's degree program in nursing at East Texas A&M University are accredited by the [Commission on Collegiate Nursing Education](#).

#### **Commission on Collegiate Nursing Education**

655 K Street NW, Suite 750  
Washington, DC 20001  
202.887.6791
