**What is TK20?** Tk20 is an online data collection assessment tool that houses information/documents/assessments/etc. for our teacher education students. Be sure you purchase the education not nursing version of TK-20 for ETAMU. You only buy TK-20 once, if you have purchased this at a previous institution, please contact [Jill.Woodruff@etamu.edu](mailto:Jill.Woodruff@etamu.edu) and she can transfer your account at no cost.

ELED 300 - Introduction to Teaching	
<p align="center"><b>Course Description</b></p> <p>Knowledge and skills concerning the unique needs of special learners are emphasized in this course. In addition, structure, organization, and management of the American school system, as well as legal and ethical aspects of teaching, will receive attention. Twenty clock hours of professional field experience are required.</p> <p><b>Standards and Framework Items Addressed by the course as a whole: Teacher Preparation</b>  <b>Standards:</b> 6.D.i-iii; <b>TEKS Standards:</b> 1,3, 4; <b>PPR Standards:</b> 4.13k-17k, 4.16s-18s <b>PPR Test Framework:</b> III.009.B-C &amp; H, IV.013.A-G</p>	
<p align="center"><b>Performance Assessment Description</b></p> <p>Students will gain understanding through research and demonstrate through 10 hours of observation and 10 hours of interactive field experience (prekindergarten-3rd grade) of professional practices and responsibilities focusing TEKS, administering Texas mandated assessments, advocates for students and the profession, maintaining accurate student records, appropriate use of technology, and professional development by reflecting on his or her practice. Utilizing the TEA website, TExES Pedagogy and Professional Responsibilities EC-12 (160) preparation materials, district and campus website, students will research professional practices and responsibilities and the context for learning for the classroom, campus, and district chosen for field experience. Students will then conduct 10 hours of observation and 10 hours of interactive field experience at the chosen site to observe and engage in professional practices and responsibilities. Students will respond to question prompts to reflect on their learning experience providing an overall analysis of their own strengths and weakness then set clear, measurable, relevant goals, to improve knowledge of professional practices and responsibilities.</p>	

## Student Learning Outcomes

1. Analyze the Structure, Organization, and Management of the American School System: Students will research and explain the roles, responsibilities, and legal/ethical considerations of educators, including Texas Education Agency (TEA) guidelines, TEKS, and mandated assessments.
2. Demonstrate Understanding of Professional Practices and Responsibilities: Students will observe and engage in 10 hours of observation and 10 hours of interactive field experience, documenting and analyzing professional teaching practices, student advocacy, and professional development.
3. Evaluate Strategies for Supporting Special Learners: Students will identify and assess instructional strategies, accommodations, and legal frameworks that address the unique needs of diverse and special learners in an inclusive classroom setting.

*The syllabus/schedule are subject to change.*

4. Apply Reflective Practice to Identify Strengths and Areas for Growth: Students will use guided reflection prompts to analyze their observations, assess their strengths and weaknesses, and set clear, measurable goals for professional growth in teaching.
5. Synthesize Learning into a Professional Multimedia Presentation: Students will develop a final presentation that integrates their field experience, research on professional practices, and self-reflection, demonstrating readiness for continued growth as an educator

**This is a web-based course.**

## **COURSE RELATED TEA EXPECTATIONS**

### **Accreditation Standards Associated with this Class**

## **COURSE REQUIREMENTS**

### **Field Based Experience**

Candidates complete hours of early field-based experiences integrated into coursework during ELED 300. See the chart below to see how many hours you will need to complete during ELED 300 based on your certification area.

Teacher Candidates must complete 50 Field Based Experience Hours after admission to EPP and prior to Clinical Teaching. At least 25 hours must be actively engaged (interactive) and up to 25 should be observation.	
<b>Certification Area</b>	<b>Course Requirements</b>
EC-6	ELED 300: 10 observation/ 10 interactive RDG 350: 10 observation RDG 360: 5 observation/ 15 interactive
4-8 ELAR	ELED 300: 10 observation/ 10 interactive RDG 360: 5 observation/ 15 interactive RDG 380: 5 observation/ 5 interactive
4-8 Math, Science, Math/Science	ELED 300: 15 observation/ 15 interactive RDG 380: 10 observation/10 interactive

The candidate will be completing experiences that include:

- (i) authentic school settings in a public school accredited by the TEA or other school approved by the TEA for this purpose;
- (ii) instruction by content-certified teachers;
- (iii) actual students in classrooms/instructional settings with identity-proof provisions;

*The syllabus/schedule are subject to change.*

- (iv) content or grade-level specific classrooms/instructional settings; and
- (v) written reflection of the observation

### **Minimal Technical Skills Needed**

Students will need to use: The D2L learning management system, Tk20 online system for Certification, using Microsoft Word, PowerPoint, Zoom or other presentation software, etc.

### **Instructional Methods**

This course is made up of a series of assignments and assessments to assist you in achieving the learner outcomes. Much of our work will occur within cooperative groups of six or less. Please consider the following points:

- You will strengthen your own understanding through preparation and participation.
- The assignments, points allocated for each, and their contribution to your final grade are specified in the following section.

### **Student Responsibilities or Tips for Success in the Course**

1. Purchase TK20 – Required for course - failure to purchase by the **12th class day** will result in being administratively dropped from the course.
2. Participate in **20-30 hours of documented Field Based Experience Hours**.

Note: The documentation will be uploaded into Tk20. Details can be found in the Field Experience handbook.

**MANDATORY** - Participate in school practicum by completing observation and actively engaged hours in an assigned district in order to a) observe lesson planning, delivery, and evaluation by the classroom teacher; b) identify various classroom management strategies used by the teacher; c) assist the classroom teacher in daily routines; and d) complete assignments to increase preparation for teaching. You should maintain the agreed on time frame for observing instruction in the assigned school, and will be evaluated on your work experiences by the assigned mentor teacher in the school. **Note: It is your responsibility to communicate with the teacher you have been placed with to set up times to complete your hours. It is also your responsibility to communicate with your instructor if you are struggling to complete your hours. Failure to complete the required number of hours, submit the required signed log sheet(s), signed mentor rating form and written reflections will result in a failing grade and you will be required to repeat the course.**

*The syllabus/schedule are subject to change.*

During the 20-30 hours of Field Based Experience hours, candidates assist the Cooperating Teacher in ways that provide experience with the complex work of teaching:

- Assisting students with their work, monitoring engagement, and/or providing support to students with misunderstandings
- Helping teacher grade and analyze student work samples
- Co-planning a small or whole group lesson based on work samples
- Instruction/Support with a small group of students and/or individual students
- Planning and implementing an interactive read-aloud with whole group or shared reading with small group

### Field Based Experience Hours

*The syllabus/schedule are subject to change.*

3. Completion of all assigned readings from the text and any supplemental materials. The completion of all written assignments and projects exhibit your scholarship and professionalism. Some examples of assignments that may be expected of you are: written reflections, textbook content, documents within Modules, self-assessments, thoughtful participation in class/group discussions, group teaches or activities, module quizzes, lesson plan design, and module exams.
4. Students must complete all Performance Based Assessments (PBAs). Your instructor will provide feedback if your submission does not meet the required level of proficiency. You will be provided a chance to resubmit to meet this level of proficiency. If you do not submit these PBAs to the required level of proficiency and/or you do not upload them into TK20 you will not receive credit for this course. **Failure to complete the PBAs at the required level of proficiency and/or failure to upload the PBAs into Tk20 will result in a failing grade and you will be required to repeat the course.**
5. Complete unit assessments.
6. Plan and implement Target Teaches, utilizing various teaching models – assessed by instructor and peer group members.
7. Apply for admission to the Educator Preparation Program for teacher certification.

## GRADING

Final grades in this course will be based on the following scale:

- A = 90%-100%
- B = 80%-89%
- C = 70%-79%
- D = 60%-69%
- F = 59% or Below

Total points corresponding to the final letter grades

- A = 451- 500 Points
- B = 401- 450 Points
- C = 351- 400 Points
- D = 301- 350 Points
- F = 300 & > Points

Weights of the assessments in the calculation of the final letter grade.

*The syllabus/schedule are subject to change.*

Example:

Assignments	20%
Discussions	20%
Midterm Exam	30%
Final Exam	30%
TOTAL	100%

*The syllabus/schedule are subject to change.*

## Interaction with Instructor Statement

I enjoy getting to know my students. Please contact me with any questions you may have. I strive to provide quick feedback on assignments, etc. Please allow 24-48 hour response time during the business week.

## COURSE AND UNIVERSITY PROCEDURES/POLICIES

### Course Specific Procedures/Policies

There are no extra credit opportunities in this class. There are several assessment opportunities.

You are responsible for initiating communication regarding attendance, lateness, late work, and missed exams/quizzes.

1. Participate in **20-30 hours of documented Field Based Experience Hours.** **Failure to complete the required number of hours, submit the required signed log sheet(s), signed mentor rating form and written reflections will result in a failing grade and you will be required to repeat the course.**
2. Students must complete all Performance Based Assessments (PBAs). Your instructor will provide feedback if your submission does not meet the required level of proficiency. You will be provided a chance to resubmit to meet this level of proficiency. If you do not submit these PBAs to the required level of proficiency and/or you do not upload them into TK20 you will not receive credit for this course. **Failure to complete the PBAs at the required level of proficiency and/or failure to upload the PBAs into Tk20 will result in a failing grade and you will be required to repeat the course.**

### Use of Artificial Intelligence

East Texas A&M University acknowledges that there are legitimate uses of Artificial Intelligence, ChatBots, or other software that has the capacity to generate text, or suggest replacements for text beyond individual words, as determined by the instructor of the course.

Any use of such software must be documented. Any undocumented use of such software constitutes an instance of academic dishonesty (plagiarism).

Individual instructors may disallow entirely the use of such software for individual assignments or for the entire course. Students should be aware of such requirements and follow their instructors' guidelines. If no instructions are provided the student should assume that the use of such software is disallowed.

*The syllabus/schedule are subject to change.*

In any case, students are fully responsible for the content of any assignment they submit, regardless of whether they used an AI, in any way. This specifically includes cases in which the AI plagiarized another text or misrepresented sources.
