Interaction with Instructor Statement

I will be holding regular office hours (see the header on this syllabus) and I encourage you to schedule time with me ahead of time so I can supply a zoom link. Alternatively, you can come to my office in person. Consider these office visits as a way for you not only to ask questions, but to also develop your ideas for your assignments, and to engage with the material outside of class. If the office hours I have are not ideal for your schedule, I am also able to make individual appointments.

If you send an email I will answer it that same day if the email was sent between 8 am-4 pm on weekdays. If your email was sent after those specified times, I will reply the next morning or after the weekend. Please follow proper email etiquette. I do not check brightspace email, so only send emails to the university address: eralda.lameborshi@etamu.edu

Things to Keep in Mind

1. All Writing Projects **must be** turned in on LMS (see next section for access) on the due date and time. No make-up work is allowed on major assignments. **Late work** will be penalized 10% of the grade per day that it is late.
2. All work needs to adhere to **MLA format** with appropriate documentation
3. **Plagiarism**, or turning in work that is not one’s own, runs counter to the most basic purposes and presumptions of higher education. The minimum penalty for plagiarism will be failure of the

assignment. In repeated cases, the penalty is failure of the course and filing paperwork with the department head (see section below on academic integrity).

4. All students will be graded on their ability to: 1. Achieve the goal of the specific assignment 2. Efficiently and effectively communicate through writing 3. Properly format the work and 4. Avoid stigmatized grammatical and syntactical errors. Each assignment will vary, but these four factors will always determine part, or all, of your grade.

Technology Requirements

We will often use D2L, and in the case of web-based courses, D2L will be our virtual classroom. It is your responsibility to make sure that you have all technology requirements met for a successful interaction with online learning spaces. For more on technology requirements see here: <https://inside.tamuc.edu/facultystaffservices/academictechnology/readiness-for-online-courses.aspx>

Access and Navigation

You will need your campus-wide ID (CWID) and password to log into the course. If you do not know your CWID or have forgotten your password, contact the Center for IT Excellence (CITE) at 903.468.6000 or helpdesk@tamuc.edu.

Note: Personal computer and internet connection problems do not excuse the requirement to complete all course work in a timely and satisfactory manner. Each student needs to have a backup method to deal with these inevitable problems. These methods might include the availability of a backup PC at home or work, the temporary use of a computer at a friend's home, the local library, office service companies, Starbucks, a TAMUC campus open computer lab, etc.

Syllabus Change Policy

The syllabus is a guide. Circumstances and events, such as student progress, may make it necessary for me to modify the syllabus during the semester. Any changes made to the syllabus will be announced in advance and an updated copy will be posted online.

Student Conduct

All students enrolled at the University shall follow the tenets of common decency and acceptable behavior conducive to a positive learning environment. The Code of Student Conduct is described in detail here:

<https://inside.tamuc.edu/campuslife/campusservices/studentRights/Code%20of%20Conduct.aspx>

Student Grievance Procedure

Students who have concerns regarding their courses should first address those concerns with the assigned instructor in order to reach a resolution. Students who are unsatisfied with the outcome of that conversation or have not been able to meet individually with their instructor, whether in-person, by email, by telephone, or by another communication medium, should then schedule an appointment with the Department Head or Assistant Department Head by completing a Student

Grievance Form (available in the main office, HL 141). In the event that the instructor is the Department Head, the student should schedule a meeting with the Dean of the College of Arts, Sciences, and Humanities after following the steps outlined above; if the instructor is the Assistant Department Head, students should schedule a meeting with the Department Head. Where applicable, students should also consult [University Procedure 13.99.99.R0.05 \(“Student Appeal of Instructor Evaluation”\)](#).
