

COURSE OBJECTIVES:

Course Description: This course explores the evolving challenges faced by managers in today's dynamic business environment. Emphasizing critical thinking and strategic decision-making, the course addresses key issues such as leadership in diverse and global teams, managing technological disruptions, ethical considerations, and navigating organizational change. Through case studies and real-world scenarios, students will gain insights into contemporary challenges and develop frameworks for effective management responses.

Course Objectives:

- Identify major challenges confronting managers in contemporary organizational settings.
- Analyze the impact of global trends, technology, and diversity on management practices.
- Develop strategies for ethical decision-making and change management in response to dynamic organizational contexts.
- Demonstrate the ability to apply problem-solving techniques to address managerial challenges.

COB STUDENT LEARNING OBJECTIVES:

1. Students will demonstrate proficiency in spoken communications by delivering clear and well-structured business presentations.
2. Students will demonstrate proficiency in written communications by creating clear and well-structured business documents.
3. Students will identify and evaluate ethical business issues.
4. Students will identify and evaluate global business challenges.
5. Students will be analytical problem solvers in business environments.
