AI use policy as of May 25, 2023

East Texas A&M University acknowledges that there are legitimate uses of Artificial Intelligence, ChatBots, or other software that has the capacity to generate text, or suggest replacements for text beyond individual words, as determined by the instructor of the course.

Any use of such software must be documented. Any undocumented use of such software constitutes an instance of academic dishonesty (plagiarism).

Individual instructors may disallow entirely the use of such software for individual assignments or for the entire course. Students should be aware of such requirements and follow their instructors' guidelines. If no instructions are provided the student should assume that the use of such software is disallowed.

In any case, students are fully responsible for the content of any assignment they submit, regardless of whether they used an AI, in any way. This specifically includes cases in which the AI plagiarized another text or misrepresented sources.

Academic Integrity

Academic Integrity is paramount! Students at East Texas A&M University are expected to maintain high standards of integrity and honesty in all of their scholastic work. Be certain you are familiar with university policy and procedures regarding academic integrity. It is a core value of higher education, and failure to comply can result in consequences from a failing grade on an assignment, to failure of a course, to dismissal from the institution. Use of Artificial Intelligence presented as your own work is not allowed. Be certain to ask questions and seek help from the Writing Center on proper citation and quoting on all submitted assignments. For more details and the definition of academic dishonesty, see the following procedures:
