Course Description:

Ear Training II is the second in a four-semester course sequence which examines the audiation and singing skills that utilize the notation, structure, and development of Western Music.

Student Learning Outcomes:

Upon successful completion of this course, students will be able to accomplish the following in each category:

- Sing diatonic melodies, including the use of solfeggio.
- Be able to identify, correct, and reproduce harmonic and melodic

- concepts after a few hearings.
- Demonstrate the same ability in accurately transcribing tonal music from repeated hearings.
- Utilize all these skills to improve performance skills for lessons and ensembles.

Course Requirements:

Ear Training is a skill-based topic delivered in a lab-based format. Thus, it is imperative that you come to class regularly and participate in all class activities. This material cannot be learned on your own with a book. As with other performance skills, this material requires regular attention and cannot be learned by “cramming.”

Class time will regularly focus on a variety of listening and dictation exercises. Please do bring your book to class. Performance assignments and exams \*may\* be completed electronically.

The Rubric used to grade electronically submitted sight singing assignments and tests:

**Evaluation and Grading:**

Criteria	Level 4 4 Points	Level 3 3 Points	Level 2 2 Points	Level 1 1 Point	Criterion Score
<b>Pitch</b>	Excellent pitch! In tune; pitch has a strong core	Pitch is in tune overall, except for a few notes	Pitch is OK but out of tune for stretches of notes	The student loses sense of key	/4
<b>Rhythm</b>	Rhythm is excellent! Subdivisions are consistent and tempo is steady throughout	Very good. Some uneven rhythms but the tempo is steady	Student's tempo is unsteady and labored	Student stops singing for a significant time. Student loses the musical line.	/4
<b>Spoken Syllables</b>	Syllables are correct and clear throughout	A few missed syllables	Syllables are missed for significant stretches of notes	Syllables are wrong; sung on 'oo' or 'la'	/4

Many graded assignments will be given over the course of the semester, evenly divided between singing and aural activities. There will also be at least 3 exams, totaling 30% of the course grade.

In addition to these assessments, regular assignments will be given using the online resource *InQuizitive*. Written assignments that are completed IN PENCIL, neatly and legibly, will be graded for credit; all others will be returned with a grade of 0%.

Course Component	Grade %
Exams	30%
Sight Singing Assignments	20%
Dictation Assignments	20%
InQuizitive	20%
Attendance / Class Participation	10%
<b>TOTAL</b>	<b>100%</b>

A = 90 – 100

C = 70 – 79

F = 0 – 59

B = 80 – 89

D = 60 – 69

NOTE: If you are a music major and earn a grade of D or lower in a music course, the course will need to be taken again.

## TECHNOLOGY REQUIREMENTS

### LMS

All course sections offered by Texas A&M University-Commerce have a corresponding course shell in the myLeo Online Learning Management System (LMS). Below are technical requirements. **Note that technology will be utilized outside of class time.**

Attendance Policy:

The University Catalog states, “Students are expected to be present for all class meetings of any course for which they are enrolled.” Sporadic attendance is a waste of your intellectual and financial resources. Unless they are the result of a medical or family emergency, excused absences (as defined by the Catalog) need to be arranged beforehand with the instructor. Each student is allowed up to three unexcused absences over the course of the semester. Additional unexcused absences may result in the lowering of the final grade and, in rare and extreme cases, the student being dropped from the course.

The following statements are required by either University policy, state, or federal law:

**University Mission Statement:**

Texas A&M University-Commerce nurtures and educates for success through access to academic research, and service programs of high quality.

**School of Music Mission Statement:**

### **AI use policy [Draft 2, May 25, 2023]**

Texas A&M University-Commerce acknowledges that there are legitimate uses of Artificial Intelligence, ChatBots, or other software that has the capacity to generate text, or suggest replacements for text beyond individual words, as determined by the instructor of the course.

Any use of such software must be documented. Any undocumented use of such software constitutes an instance of academic dishonesty (plagiarism).

Individual instructors may disallow entirely the use of such software for individual assignments or for the entire course. Students should be aware of such requirements and follow their instructors' guidelines. If no instructions are provided the student should assume that the use of such software is disallowed.

In any case, students are fully responsible for the content of any assignment they submit, regardless of whether they used an AI, in any way. This specifically includes cases in which the AI plagiarized another text or misrepresented sources.
