### **Course Policies and Expectations:**

Students are required to meet the expectations listed below.

- **Professional Behavior:** It is important that you maintain a professional demeanor at all times, both during live class sessions and “electronic communication.” East Texas A&M University expects this from you, as do current and future employers. This course will be a good place to practice interacting in a manner appropriate to a professional setting. Rude and disruptive behavior, as well as cheating, in any form, will not be tolerated. Use of intoxicants before class is strictly prohibited and will result in your immediate removal from class. Inappropriate conduct will not be tolerated. Failure to comply with instructor’s guidelines may result in suspension from class for the remainder of the day’s instruction. Repeat offenses may result in additional consequences.
- **Class Attendance Policy:** Attendance is required for AG 405 and roll will be taken each class meeting. Missing class can affect your grade. Attendance is expected. Three unexcused absences and the student will receive a grade of “F.” Absences will be considered excused if the instructor is 1) notified in advance and is approved PRIOR to class, and 2) the absence is related to a severe illness, participating in a university sanctioned event, death of an immediate family member, or other absences as approved by the instructor. Students who miss class that is unexcused will NOT be given a makeup grade.
- **Assignments:**
  1. **Submitted assignments must be correctly formatted and free of grammatical and stylistic errors.** Students should have at least some skill with software for word processing, spreadsheets, databases, graphics, presentations, and with web browsers and search engines. Spelling and grammatical errors will detract from your grade!.
  2. **Assignments must be turned in on time.** Assignments are due at the **date and time** (the beginning of class) listed. Start working on each assignment as soon as you possibly can and make sure that you have all the assignments submitted by the specified due dates. You **MUST** turn in all written assignments **ON TIME**.
  3. **Assignments must be complete.** You must complete and submit all components at the specified due date and time to receive credit for the assignment. Please do not turn in work that is only “half- finished” as this will reflect a grade respective of what is submitted.

*The instructor reserves the right to modify the syllabus, its content is subject to change.*

- **Make-up Exams or Late Assignments:** Will only be accepted if you obtain university approved documentation for your excuse. There are no make-up assignments for poor performance on a previous assignment.
- **Changes to Schedule:** While I plan to stick to the class schedule, there might be occasions to modify the schedule. In these cases, all changes will be announced in class and e-mail. It is your responsibility to become aware of any such changes.
