Office Hours: Tuesdays & Thursdays 11:30 AM ~ 12:30 PM (In Person), Wednesdays 10:30 AM ~ 1:30 PM (Virtual, Zoom Link to Be Posted in D2L), by Appointment

E-mail: Celine.Hoe@etamu.edu

Preferred Form of Communication: **Email**

All emails must **contain “FIN 404 01W” in the subject line to be treated as high priority and be sent from your myLeo accounts. The syllabus is tentative and subject to change as the semester progresses. It is the students’ responsibility to check school emails, and announcements as well as updates on D2L frequently. YOU ARE RESPONSIBLE FOR KEEPING UP IN THIS COURSE.**

I. Course Description

This course is designed to study intermediate techniques of financial management. The core content of this course will provide you with the knowledge specific to the theory and practice of corporate finance. Topics will include financial instruments and valuation, risk/return concepts, CAPM, firm valuation, capital structure, financing decisions, capital budgeting, and other decision rules in the context of the overall goal to maximize the value of the firm.

II. Prerequisite

FIN 304, Intro to Business Finance, or consent of instructor.

III. Learning Outcomes

Upon the successful completion of Financial Management, the students should be able to perform the following tasks:

1. Demonstrate an understanding of the advanced concepts of contemporary financial management and the application of its methods.
2. Demonstrate an ability to analyze and apply asset valuation techniques.
3. Demonstrate an understanding and the ability to measure strategic financial decisions in a risk/return context as it relates to today’s dynamic world.

Course Learning Objectives 1, 2, and 3 address COB Student Learning Objective 5: Students will be analytical problem solvers in business environments.

IV. Required Course Materials

1. Principles of Corporate Finance by Richard Brealey, Stewart Myers, and Franklin Allen, 13th edition, McGraw-Hill/Irwin. The ISBN is 978-1260565553.

2. Financial Calculator: **Texas Instruments BAII Plus Professional** calculator or comparable (not alpha programmable).

*** PowerPoint slides will be oriented toward the TI BAII Plus Professional.**

3. Microsoft Excel

V. Recommended Reading

Wall Street Journal

VI. Policies and Procedures

This course will be conducted online. PPT slides will be provided, and separate files containing recordings of the slides will also be made available. All course materials, including these resources, can be accessed through D2L. We will have live lectures held via Zoom from 3:00 PM ~ 4:30 PM on Wednesdays. Attendance is optional and live sessions are recorded for you to watch at any time after it is completed. However, it is strongly recommended that you work through the recorded webinars as soon after the regularly scheduled session as possible, so you will not miss any important information disseminated. Class Progress will be checked from time to time to monitor your utilization of course materials provided.

Email Use

The best way to communicate with me outside of class is by email. **Please put your course number “FIN404 01W” in the subject line to be treated as high priority.** You should expect a response to your emails **within 24 hours during regular business hours on weekdays and 48 hours during weekend. If you do not hear from me within that time frame, please resend your email. You have to send emails from your myLeo accounts.**

Exams

There will be three exams, including two midterm exams and a Mandatory Final exam.

The lower grade on the two mid-term exams will be dropped. In view of this, there will be no makeup exams or any other provision to make up for a missed mid-term exam.

There will be no makeup exam for the MANDATORY final exam. If you have to miss an exam because of a legitimate and verifiable reason, you must contact me before the exam. Failing to do so or failing to provide documentation of the reason for absence from a medical doctor or ETAMU official will result in a grade of zero on the exam. Make up exams will not be given online.

Make-up exams will be considered only under extenuating circumstances. Extenuating circumstances include hospitalization, medical emergency, physical injury, or death of an immediate family member. Proof of the extenuating circumstance is required for make-up exam approval.

Regardless of the excuse, if you miss two exams you will automatically fail the class.

Please mark exam dates on your calendar. “Forgetting”, being “out of town” and/or “confused” about the time that an exam must be taken is not an acceptable excuse for missing it.

Discussion Forums

Three discussion forums will be held during the semester. Each forum will present one or two topics that relate course materials to the application of current business environment development/dynamics. Participation in these discussions is mandatory and will be graded. Additional instructions will be provided as the semester progresses.

D2L Assignments

There will be assignments posted in D2L every week or every other week. They will be multiple choice questions with 3 attempts allowed for each assignment.

You will receive a notification email when each assignment is posted. You will complete each assignment through D2L by the due date. You will be given sufficient time to complete the assignment. The purpose of the assignments is to help you review the materials learned every week or every other week.

Assigned End-of-Chapter Questions & Problems and Other Extra Practice Questions & Problems

There will be end of chapter questions & problems and other questions & problems assigned as homework. **You do not have to submit the solutions. Solutions to these homework problems will be available in D2L.** To enhance learning, you should devote some time to these assignments. Some (but not all) of the problems on the exams will be similar to the problems in these homework assignments.

There would be no extension to the assignment deadline unless with official documents from a medical doctor or ETAMU official and such documents need to be provided before assignment answers are released.

Grading

No assignment for extra credit will be given to any individual student. For grading purposes, the following weights will be assigned:

Discussion Forums	6%
D2L Assignments	15%
Mid-term examination I	18%
Mid-term examination II	18%
Final examination	43%

and letter grades apply as follows:

VIII. Other Information

- ◆ **SINCE this is an online course, you need to follow your school emails very regularly.** There will be regular announcements and uploads.
- ◆ You shall start studying early in the course, well before the test/exam, to give yourself a head start in learning the material. When you don't understand course material, ask questions either in class, during office hours or by email. You will not get good grades if you wait until a week or couple of days before the test/exam to start studying.

TECHNOLOGY REQUIREMENTS

Browser support

D2L is committed to performing key application testing when new browser versions are released. New and updated functionality is also tested against the latest version of supported browsers. However, due to the frequency of some browser releases, D2L cannot guarantee that each browser version will perform as expected. If you encounter any issues with any of the browser versions listed in the tables below, contact D2L Support, who will determine the best course of action for resolution. Reported issues are prioritized by supported browsers and then maintenance browsers.

Supported browsers are the latest or most recent browser versions that are tested against new versions of D2L products. Customers can report problems and receive support for issues. For an optimal experience, D2L recommends using supported browsers with D2L products.

Maintenance browsers are older browser versions that are not tested extensively against new versions of D2L products. Customers can still report problems and receive support for critical issues; however, D2L does not guarantee all issues will be addressed. A maintenance browser becomes officially unsupported after one year.

Note the following:

- Ensure that your browser has JavaScript and Cookies enabled.
- For desktop systems, you must have Adobe Flash Player 10.1 or greater.
- The Brightspace Support features are now optimized for production environments when using the Google Chrome browser, Apple Safari browser, Microsoft Edge browser, Microsoft Internet Explorer browser, and Mozilla Firefox browsers.

Desktop Support

Browser	Supported Browser Version(s)	Maintenance Browser Version(s)
Microsoft® Edge	Latest	N/A
Microsoft® Internet Explorer®	N/A	11
Mozilla® Firefox®	Latest, ESR	N/A
Google® Chrome™	Latest	N/A
Apple® Safari®	Latest	N/A

Tablet and Mobile Support

Device	Operating System	Browser	Supported Browser Version(s)
Android™	Android 4.4+	Chrome	Latest
Apple	iOS®	Safari, Chrome	The current major version of iOS (the latest minor or point release of that major version) and the previous major version of iOS (the latest minor or point release of that major version). For example, as of June 7, 2017, D2L supports iOS 10.3.2 and iOS 9.3.5, but not iOS 10.2.1, 9.0.2, or any other version. Chrome: Latest version for the iOS browser.
Windows	Windows 10	Edge, Chrome, Firefox	Latest of all browsers, and Firefox ESR.

The syllabus/schedule are subject to change.

- You will need regular access to a computer with a broadband Internet connection. The minimum computer requirements are:
 - 512 MB of RAM, 1 GB or more preferred
 - Broadband connection required courses are heavily video intensive
 - Video display capable of high-color 16-bit display 1024 x 768 or higher resolution
- You must have a:
 - Sound card, which is usually integrated into your desktop or laptop computer
 - Speakers or headphones.

System Maintenance

D2L runs monthly updates during the last week of the month, usually on Wednesday. The system should remain up during this time unless otherwise specified in an announcement. You may experience minimal impacts to performance and/or look and feel of the environment.

Interaction with Instructor Statement

Email is the preferred method of communication. The instructor will respond to emails within 24 hours during regular business hours on weekdays.

Syllabus Change Policy

The syllabus is a guide. Circumstances and events, such as student progress, may make it necessary for the instructor to modify the syllabus during the semester. Any changes made to the syllabus will be announced in advance.

University Specific Procedures

Student Conduct

All students enrolled at the University shall follow the tenets of common decency and acceptable behavior conducive to a positive learning environment. The Code of Student Conduct is described in detail in the [Student Guidebook](#).

Pursuant to PC 46.035, the open carrying of handguns is prohibited on all East Texas A&M campuses. Report violations to the University Police Department at 903-886-5868 or 9-1-1.

Important Information about Counseling Center

The Counseling Center at East Texas A&M, located in the Halladay Building, Room 203, offers counseling services, educational programming, and connection to community resources for students. Students have 24/7 access to the Counseling Center's crisis assessment services by calling 903-886-5145. For more information regarding Counseling Center events and confidential services, please visit www.tamuc.edu/counsel.

AI Use Policy

East Texas A&M University acknowledges that there are legitimate uses of Artificial Intelligence, ChatBots, or other software that has the capacity to generate text, or suggest replacements for text beyond individual words, as determined by the instructor of the course.

Any use of such software must be documented. Any undocumented use of such software constitutes an instance of academic dishonesty (plagiarism).

Individual instructors may disallow entirely the use of such software for individual assignments or for the entire course. Students should be aware of such requirements and follow their instructors' guidelines. If no instructions are provided, the student should assume that the use of such software is disallowed.

In any case, students are fully responsible for the content of any assignment they submit, regardless of whether they used an AI, in any way. This specifically includes cases in which the AI plagiarized another text or misrepresented sources.
