Textbook: **ETAMU Phys 2425 Lab manual**

Labs are integral parts of the Physics 2425 course. The laboratory activities contribute 20% of the course grade. **You must pass the lab part with at least a C grade (>70%) to pass this course to meet the state accreditation requirement, regardless of your scores in other portions of the course.**

Lab reports should be submitted to the Lab teaching assistant (TA) timely. **Late Lab reports NOT accepted/graded unless otherwise pre-approved by the Lab TA.**
