## COMMUNICATION AND SUPPORT

### Interaction with Instructor Statement:

If at any time during this course you are in need of further explanation or should need to speak with me about the course or its outcomes, please reach out to me. I am always available by email. Please communicate, I can't help if I don't know there's an issue or a question.

### Email Policy:

Before sending me an email with a general course-specific question, **review your syllabus/look at the handouts/check myLeo Online/ask a classmate first**. If your question has already been addressed in one of those places, then you will have the answer you need. If your question does not exist, please feel free to email me.

**When emailing me:** Please make your emails clear and concise, written with proper grammar in order to assure my earliest attention. In addition, please follow some common "email etiquette" procedures in order to keep our electronic communication effective and efficient. Specifically:

- Write a relevant subject line (e.g., "Design Period Styles," or "THE 310 meeting request")
- Address me by name (ie: "Dear Professor Williams" or "Hi Andrea" or just "Andrea")
- Bonus: "meaningless niceties" are never a bad idea!
- Concisely state what it is you need. If it can't be communicated in a concise manner, perhaps request an appointment. **If requesting an appointment**, give me times that you are available **in the initial email!!!** It helps things go faster if I have your availability to compare to mine.
- Use a "sign-off" ("Thank you" is always good) and **sign your name**.

**Not following these guidelines potentially puts you at the bottom of my list for response time.**

*The syllabus/schedule are subject to change.*

Also please note, just because you can find me via Facebook messenger that does not make it an appropriate communication tool for class. All class and course communication that happens electronically must happen via my tamuc.edu e-mail.
