Course Information

Course Description: MUS 453 – Senior Recital Hours: 1

Prerequisite: Successful completion of JLPE and permission of instructor.

Student Learning Outcomes:

Upon successful completion of this course, the student will:

- Perform standard solo literature in the primary performance medium in a recital with appropriate technique and musicianship.
- Research and write program notes suitable for the program selections and with professional-level writing.

Recital Procedures:

Music-education majors must perform a Junior Recital (at least 25 minutes of music) as part of the degree requirements. At the instructor's discretion, students may sign up for either a full or half recital. Music- performance majors must perform one Junior Recital (at least 25 minutes of music) and one Senior Recital (at least 45 minutes of music). All recitals require approval of the instructor on not only the date/time/location of the recital, but also on all materials being performed as well as the performers and program information.

Course Enrollment Procedures:

Music Education Students performing a half or full recital should enroll in 1 credit hour of Principal Applied Lessons and 1 credit hour of Recital in lieu of the normal 2 credit hours of applied lessons. Music Performance Students performing a half or full recital should enroll in 2 credit hours of Principal Applied Lessons and 1 credit hour of Recital in lieu of the normal 3 credit hours of applied lessons.

Scheduling Procedures:

After the date/time/location have been approved by the instructor and the accompanist, the student must fill out the "Master Class or Recital Scheduling Form." This form can be found on the School of Music Webpage. In addition to the instructor and accompanist's signatures, the "Master Class or Recital Scheduling Form" requires two other applied faculty signatures before the form can be turned in to Ms. Blackstone in the Music Office. Once the form is approved and all fees have been paid, the recital will be added to the master calendar in the Music Office as well as the studio calendar.

Program Notes:

Program notes are required for all degree recitals and are due to the instructor 30 days ahead of the performance date. This allows for edits and resubmissions by the student. Program notes are not required for non-degree recitals; however, an approved program is required for ALL recitals. The final program will be submitted by Dr. Baker one week before the recital date. Degree recitals will not count towards the degree if the paperwork is either not filled out in a timely fashion or if it is filled out incorrectly. A sample program can be found in this packet.

Recital Hearing:

All recitals require a recital hearing to be scheduled no less than one week before the recital for the recital committee to give final approval to move forward with the recital. **The instructor reserves the right to cancel any student recital due to lack of preparation or if the proper paperwork has not been submitted on time.** If the recital is canceled, the student will receive a grade of X for the recital course, meaning that the coursework is incomplete. The student will have the opportunity to schedule the recital during the following long semester. If the student has not successfully performed the recital within the first 10 weeks of the next long semester, the grade of X will convert to a grade of F. Any student that receives a grade of X due to lack of preparation cannot receive a grade above a C for their recital the following semester.

Prep Kitchen Procedures:

Students may use the prep-kitchen if they wish to host a reception after their event, however they must pay a deposit when scheduling the event. Students are solely responsible for the condition of the kitchen and the surrounding area. The student's final lesson grade will be affected if any of the following conditions are not met:

- All trash must be disposed of both in the kitchen and in the area around the kitchen
- No food or drink of any kind may be left in the kitchen overnight
- No dishes or utensils of any kind may be left in the kitchen overnight
- All tables and chairs must be returned at the end of the reception
- The kitchen must be cleaned, locked, and the lights turned off at the end of the reception

Course Requirements:

Minimal Technical Skills Needed

Use of the learning management system (D2L); Use of any technology required for your selected performance literature.

Instructional Methods

Recital is a performance-based class connected with your applied lessons. In addition, you will be required to complete the required recital request forms and submit your completed program in a timely manner.

Student Responsibilities or Tips for Success

As you practice your music, don't let the administrative or paper-work details of your recital slip up on you. See the information below, in the student hand book, and communicate with your applied instructor to ensure you submit your recital scheduling forms, hearing forms and program information in a timely manner.

Required Textbooks

You must obtain original copies of all music to be performed for the recital, and provide music for your accompanist if applicable.

Additional Materials

All specialized instruments, equipment, technology or other materials required for your selected performance literature.

Assessments and Grading:

The Recital Rubric will be used for the degree recital. Students will need an overall grade of C or better on the recital to be considered passing. The rubric can be found in this packet of materials.

The instructor may cancel a student recital at any time for the following reasons:
<ul style="list-style-type: none">• lack of progress/preparation• failure to cover accompanist fees• failure to schedule a recital hearing• failure to submit program or program notes (when applicable)• failure to turn in the proper scheduling paperwork on time

AI use in course

Texas A&M University-Commerce acknowledges that there are legitimate uses of Artificial Intelligence, ChatBots, or other software that has the capacity to generate text, or suggest replacements for text beyond individual words, as determined by the instructor of the course.

Any use of such software must be documented. Any undocumented use of such software constitutes an instance of academic dishonesty (plagiarism).

Individual instructors may disallow entirely the use of such software for individual assignments or for the entire course. Students should be aware of such requirements and follow their instructors' guidelines. If no instructions are provided the student should assume that the use of such software is disallowed.

In any case, students are fully responsible for the content of any assignment they submit, regardless of whether they used an AI, in any way. This specifically includes cases in which the AI plagiarized another text or misrepresented sources.
