ASSIGNMENT INFORMATION

Cumulative/Comp Exam: STRATEGIC AUDIT

Each student must conduct a strategic audit of an assigned company. The individual strategic audits will count as the comprehensive exam for graduation. ***YOU MUST OBTAIN A PASSING GRADE (70%) ON THIS SUBMISSION TO GRADUATE. (Course Objective 1, 2, 3, 4, 5, & 6)***

This assignment also addresses

COB Student Learning Objective 2: Students will demonstrate proficiency in **written communications** by creating clear and well-structured business documents.

COB Student Learning Objective 4: **Students will identify and evaluate global business challenges.**

DISCUSSIONS

Discussion topics/questions will be available under the “Discussion” module in D2L with two objectives: 1) stimulate reflection concerning pressing issues (and hopefully interesting to you) in the strategic management domain, and 2) offer you the opportunity to exchange thoughts and experiences with your peers. The key to quality discussions is the value-added insights you present to the discussion. Therefore, your grade will be based on the degree to which you contribute to the discussion through insightful comments (i.e., simply stating “I also think so...” is not considered insightful). Please note that the original post and comments are due on two separate dates. Original posts are due by Fridays, and comments are due by the corresponding Sundays. The purpose of having a two-day window for comments is to keep us all on the same topic during a given timeframe. This will also allow you sufficient time to read the posts by your peers and engage in a meaningful discussion and sharing of thoughts, ideas, and insights.

Reply to at least 5 of your classmates’ original posts is mandatory. Each original post is worth 50% of the discussion grade, and each reply is worth 10% of the discussion grade. The quality of the original post and reply to other students will be a significant determinant of discussion grades. Simply

stating “I agree....” Or just a one-liner reply will be graded as zero for that particular reply. (Course Objective 1, 2, & 6). This assignment also addresses
COB Student Learning Objective 2: Students will demonstrate proficiency in **written communications.**

COB Student Learning Objective 4: Students will identify and evaluate global business challenges.

EXAMS

There will be a final exam. These are a combination of short-answer, multiple-choice, and true-false questions. It will be a proctored exam. Students must have a computer with a functional camera.

EVALUATION:

Discussions (3)	150 points
Strategic Audit	150 Points

450-500 points	A
