Syllabus subject to change statement:

I anticipate that we will follow the schedule I've outlined in this syllabus, but I may make adjustments based on what actually happens in class and as the situation transpires due to COVID-19. I may also change the basis for the course grade (if I need to eliminate an assignment or something of that nature). If I do so, I will so inform you in writing. Remaining in the course after reading this syllabus will signal that you accept the possibility of changes and responsibility for being aware of them.

Course Policies and Instructor Expectations:

Students are required to meet the expectations listed below.

- **Professional Behavior:** It is important that you maintain a professional demeanor at all times, including during “electronic communication”. Texas A&M-Commerce expects this from you, as do current and future employers. Since so much communication in the workplace is “electronic” nowadays, this course will be a good place to practice interacting in a manner appropriate to a professional setting. In particular, take special care when posting and responding to discussion board questions.
- **Regular and Timely Attendance and Participation:** You are expected to login to the course and participate in live sessions. Submit all course work as scheduled. Failure to submit the work on time would result in a grade “F”. Failing to login in the course will also be reported on the 12th day class roster submitted to the registrar’s office.
- **Assignments:**
 1. **Submitted assignments must be correctly formatted and free of grammatical and stylistic errors.** Students in MGT 380 should have at least some skill with software for word processing, spreadsheets, databases, graphics, and presentations, and with web browsers and search engines. Spelling and grammatical errors will detract from your grade!
 2. **Assignments must be turned in on time.** Assignments are due at the **date and time (8:00 AM)** listed. All work and assignments for the entire course will be available on the day of class. Start working on each assignment as soon as you possibly can and make sure that you have the all assignments submitted by the specified due dates. You **MUST** turn in all written assignments **ON TIME**. You will have until **8:00 AM CST** to submit the work that is listed in the far right, “All Assignments Due” column of the course schedule provided on the fifth page of this syllabus. I will accept late assignments. However, there will be a significant penalty. For each day that your assignment is late, I will deduct **10 POINTS** from your grade. If you do not meet the 8:00 AM deadline (even by one or two minutes), I will deduct 10 points. If you do not turn the assignment in by 8:00 AM CST the next day, I will deduct an additional 10 points, and so on. Saturdays and Sundays count towards the total days late.
 3. **Assignments must be complete.** You must complete and submit all components at the specified due date and time to receive credit for the assignment. Please don’t turn in work that is only “half-finished”.
 4. **Please submit assignments in a format that is compatible with Microsoft Office 2007/2010.** Please save all documents as doc or docx files.
- **Back-ups Are Required:** You are required to back up all your assignments on a disk that can be submitted to me upon my request. If work is lost due to insufficient back-up, you will not have the opportunity to recreate and submit at a later time.
- **E-mail:** Students must routinely check e-mail sent to his or her **Texas A&M- Commerce account**. Our discussion in the class is my primary mechanism for communicating to the class. I will also be using emails to communicate with the class. I check my e-mail several times a day, so this is the best way to reach me.
- **Make-up Exams Will Only Be Accepted If You Obtain University Approved Documentation for Your Excuse:** There are no make-up assignments for poor performance on a previous assignment.
- **Changes to Schedule:** While I plan to stick to the class schedule, there might be occasions to modify the schedule. In these cases, all changes will be announced in the class and e-mail. It is your responsibility to become aware of any such changes.
