COURSE INFORMATION

Materials – Textbooks, Readings, Supplementary Readings

Textbook(s):

Title: Technology for physical educators, health educators, and coaches: enhancing instruction, assessment, management, professional development, and advocacy / Seth E. Jenny, Jennifer M. Krause, Tess Armstrong, Authors.

COURSE DESCRIPTION

This course includes the use of technology in physical education and physical activity programming. Current methods and activities for assessment in physical education will also be included. Specifically, this course will examine statistical techniques necessary for manipulation and interpretation of various performance data.

Prerequisites: **MATH 1314** (with a minimum grade of C) or 141 (with a minimum grade of C) or 175 (with a minimum grade of C) or 179 (with a minimum grade of C) and junior or senior standing, 2.5 GPA.

Student Learning Outcomes

1. Effectively implement various technologies into the physical education classroom to enhance learning.
2. Perform and execute various assessments appropriate for K-12 students and understand implementation process (including Fitnessgram).
3. Recognize and understand that education and assessment must be interconnected.

COURSE REQUIREMENTS

You will be expected to use D2L and to have a working knowledge of the Microsoft Office Suite or similar. You will also be required to record videos, use video software and submit videos in the format discussed during class.

Instructional Methods

Independent learning, guided discovery, peer teaching, direct instruction.

Expectations, student responsibilities and tips for success in the course

How to succeed in this class:

1. Turn in all assignments **ON TIME in D2L (late work will NOT be accepted)**. Review section due dates and plan ahead.
2. You must complete sections in order.
3. Late assignments/quizzes, missed exams or other will **ONLY** be considered in the event of a personal medical emergency or immediate family emergency. Events must be communicated within 3 days and documentation will be requested (date, time, location required). Communication is key.
4. Do quality work!
5. Proofread your work aloud. Points will be taken off for submitted work that includes: spelling, punctuation and sentence structure errors. No TEXT language.
6. Language between classmates in discussion posts should be respectful and G-rated.
7. Take responsibility for your own grade; I do not give you a grade—you earn a grade.
8. Grades, updated class outline and more in-depth assignment descriptions will be posted in D2L. CHECK IT
9. **END DATES: The “end dates” listed for sections are the LAST chance to submit them. Please submit your work early. I DO NOT accept late assignments.**
10. If you have a question or concern, e-mail me. Please include the course number in the subject of the e-mail (“HHPK 424”) and the topic of the message. I will respond within 24 hours during the week.

11. Assignments should be formatted as a word document, excel or Powerpoint. Do NOT submit a .pdf, .pages, or any other form of document! If one of the assignments is called "technology assignment" and your last name is Jones, the name of the document must be "Jones Technology." At the top of the first page of every assignment, you must include your name and the name of the assignment.
12. A rubric will be available for most assignments. Review the rubric prior to submission.
13. Assignments should all be accessible (saved as a document rather than a link to google drive).
14. Check your email regularly and 'turn on' notifications in D2L.
15. If you have a question or concern, communicate with me please.

GRADING

Grades and full assignment descriptions will be posted in D2L

Pursuant to PC 46.035, the open carrying of handguns is prohibited on all A&M-Commerce campuses. Report violations to the University Police Department at 903-886-5868 or 9-1-1.

A&M-Commerce Supports Students' Mental Health

The Counseling Center at A&M-Commerce, located in the Halladay Building, Room 203, offers counseling services, educational programming, and connection to community resources for students. Students have 24/7 access to the Counseling

Center's crisis assessment services by calling 903-886-5145. For more information regarding Counseling Center events and confidential services, please visit www.tamuc.edu/counsel

AI Use in Courses

East Texas A&M University acknowledges that there are legitimate uses of Artificial Intelligence, ChatBots, or other software that has the capacity to generate text, or suggest replacements for text beyond individual words, as determined by the instructor of the course.

Any use of such software must be documented. Any undocumented use of such software constitutes an instance of academic dishonesty (plagiarism).

Individual instructors may disallow entirely the use of such software for individual assignments or for the entire course. Students should be aware of such requirements and follow their instructors' guidelines. If no instructions are provided the student should assume that the use of such software is disallowed.

In any case, students are fully responsible for the content of any assignment they submit, regardless of whether they used an AI, in any way. This specifically includes cases in which the AI plagiarized another text or misrepresented sources.
